●	1	1	Q2. How much thought, if any, would you say you give to saving energy in your home?	Base: All Adults in UK	4224
●	7	2	Q3. Do you support or oppose the use of renewable energy for providing our electricity, fuel and heat.	Base: All Adults in UK	4224
	17	3	Q4. How often, if at all, do you personally do any of the following? - Summary table	Base: All Adults in UK	4224
●	18	4	Q4_01. How often, if at all, do you personally do any of the following? - Leave the lights on when you are not in the room	Base: All Adults in UK	4224
●	27	5	Q4_02. How often, if at all, do you personally do any of the following? - Boil the kettle with more water than you are going to use	Base: All Adults in UK	4224
●	36	6	Q4_03. How often, if at all, do you personally do any of the following? - Wash clothes at 30 degrees or lower	Base: All Adults in UK	4224
●	45	7	Q4_04. How often, if at all, do you personally do any of the following? - Try to keep rooms that you are not using at a cooler temperature than those you are using	Base: All Adults in UK	4224
●	54	8	Q4_05. How often, if at all, do you personally do any of the following? - Leave the heating on when you go out for a few hours	Base: All Adults in UK	4224
●	63	9	Q4_DV. Whether respondent carries out all energy wasting behaviours at least occasionally.	Base: All Adults in UK	4224
●	72	10	Q8. Before today, had you heard of smart meters?	Base: All Adults in UK	4224
	77	11	Q12. Please tell me how much you agree or disagree with each of these statements - Summary table	Base: All Adults in UK	4224
●	78	12	Q12_01. Please tell me how much you agree or disagree with each of these statements - Renewable energy industries and developments provide economic benefits to the UK	Base: All Adults in UK	4224
●	86	13	Q12_02. Please tell me how much you agree or disagree with each of these statements - I would be happy to have a large scale renewable energy development in my area	Base: All Adults in UK	4224
●	94	14	Q12_03. Please tell me how much you agree or disagree with each of these statements - Renewable energy developments should provide direct benefit to the communities in which they are located	Base: All Adults in UK	4224

	Page	Table	Title	Base Description	Base
	102	15	Q13. Generally speaking, do you support or oppose the use of the following renewable energy developments - Summary table	Base: All Adults in UK	4224
●	103	16	Q13_01. Generally speaking, do you support or oppose the use of the following renewable energy developments - On-shore wind	Base: All Adults in UK	4224
●	111	17	Q13_02. Generally speaking, do you support or oppose the use of the following renewable energy developments - Biomass	Base: All Adults in UK	4224
●	119	18	Q13_03. Generally speaking, do you support or oppose the use of the following renewable energy developments - Off-shore wind	Base: All Adults in UK	4224
●	127	19	Q13_04. Generally speaking, do you support or oppose the use of the following renewable energy developments - Wave and tidal	Base: All Adults in UK	4224
●	135	20	Q13_05. Generally speaking, do you support or oppose the use of the following renewable energy developments - Solar	Base: All Adults in UK	4224
	143	21	Q14. Please just tell me how much you agree or disagree with the following statements. - Summary table	Base: All Adults in UK	4224
●	144	22	Q14_01. Please just tell me how much you agree or disagree with the following statements. - Nuclear energy will help combat climate change in the UK	Base: All Adults in UK	4224
●	152	23	Q14_02. Please just tell me how much you agree or disagree with the following statements. - Nuclear energy provides a reliable source of energy in the UK	Base: All Adults in UK	4224
●	160	24	Q14_03. Please just tell me how much you agree or disagree with the following statements. - Nuclear energy offers affordable energy for the UK	Base: All Adults in UK	4224
●	168	25	Q14_04. Please just tell me how much you agree or disagree with the following statements. - Nuclear energy provides a safe source of energy in the UK	Base: All Adults in UK	4224
●	176	26	Q14_DV. Whether respondent agrees with all statements regarding nuclear energy	Base: All Adults in UK	4224
●	184	27	Q14a. Whether support or oppose nuclear energy	Base: All Adults in UK	4224
●	191	28	Q15. How much, if anything, do you know about carbon capture and storage?	Base: All Adults in UK	4224

	Page	Table	Title	Base Description	Base
●	195	29	Q15ai. From what you know, or have heard about using carbon capture and storage in the UK, do you support or oppose its use?	Base: All who know a lot\little about carbon capture and storage	879
●	200	30	REBASED ON ALL ADULTS: Q15ai. From what you know, or have heard about using carbon capture and storage in the UK, do you support or oppose its use?	Base: All Adults in UK	4224
●	204	31	Q15a. Knowledge of hydraulic fracturing for shale gas before today	Base: All Adults in UK	4224
●	209	32	Q15b. From what you know, or have heard about, extracting shale gas to generate the UK's heat and electricity, do you support or oppose its use?	Base: All Adults in UK	4224
●	219	33	Q15c. You said that you support hydraulic fracturing for shale gas, otherwise known as fracking. Why is this?	Base: All who support using shale gas	525
●	229	34	Q15d. You said that you oppose hydraulic fracturing for shale gas, otherwise known as fracking. Why is this?	Base: All who don't support using shale gas	1638
●	239	35	Q15e. You said that you don't know whether you support or oppose/neither support nor oppose hydraulic fracturing for shale gas, otherwise known as fracking. Why is this?	Base: All who neither support nor oppose or have no opinion of using shale gas	2061
	244	36	Q16. Over the last three months, how worried, if at all, have you been about paying for the following - Summary table	Base: All Adults in UK	4224
●	245	37	Q16_01. Over the last three months, how worried, if at all, have you been about paying for the following - Energy bills	Base: All Adults in UK	4224
●	250	38	Q16_02. Over the last three months, how worried, if at all, have you been about paying for the following - Food and other household shopping	Base: All Adults in UK	4224
●	255	39	Q16_03. Over the last three months, how worried, if at all, have you been about paying for the following - Transport, including petrol/diesel and public transport costs	Base: All Adults in UK	4224
●	260	40	Q16_04. Over the last three months, how worried, if at all, have you been about paying for the following - Mortgage or rent payments	Base: All Adults in UK	4224
●	265	41	Q16_DV Those who are fairly/very worried about energy bills and less worried about food and other shopping/transport	Base: All Adults in UK	4224

	Page	Table	Title	Base Description	Base
●	270	42	Q16E. You said you were more worried about paying for your energy bills compared with some of the other outgoings I mentioned at the last question. Why is this?	Base: All very or fairly worried about energy bills and less worried about food or other household shopping and transport expenses	321
●	275	43	Q17a. Thinking about your gas and electricity supplier, which of the following best describes your current situation?	Base: All Adults in UK	4224
	280	44	Q18. How much, if at all, do you trust your energy supplier to do the following - Summary table	Base: All Adults in UK	4224
●	281	45	Q18_01. How much, if at all, do you trust your energy supplier to do the following - Give customers a fair deal	Base: All Adults in UK	4224
●	286	46	Q18_02. How much, if at all, do you trust your energy supplier to do the following - Provide you with a bill which accurately reflects the energy you have used	Base: All Adults in UK	4224
●	291	47	Q18_03. How much, if at all, do you trust your energy supplier to do the following - Provide a breakdown of the components of your bill	Base: All Adults in UK	4224
●	296	48	Q18_04. How much, if at all, do you trust your energy supplier to do the following - Inform you about the best tariff for you	Base: All Adults in UK	4224
●	301	49	Q18_05. How much, if at all, do you trust your energy supplier to do the following - Improve your home to make it more energy efficient, if you paid them to do this	Base: All Adults in UK	4224
●	306	50	Q18_06. How much, if at all, do you trust your energy supplier to do the following - Provide impartial and accurate advice on energy efficiency measures	Base: All Adults in UK	4224
●	311	51	Q18_DV. Do you trust your energy supplier to do all six of the actions at Q18	Base: All Adults in UK	4224
●	316	52	Q21. Concern about Climate Change	Base: All Adults in UK	4224
●	328	53	Q22. Thinking about the causes of climate change, which, if any, of the following best describes your opinion?	Base: All Adults in UK	4224
	341	54	Q23. Thinking about the next 10-20 years, how concerned, if at all, are you about... - Summary table	Base: All Adults in UK	4224

	Page	Table	Title	Base Description	Base
●	342	55	Q23a_01. Thinking about the next 10-20 years, how concerned, if at all, are you about... - Steep rises in energy prices in the future	Base: All Adults in UK	4224
●	351	56	Q23a_02. Thinking about the next 10-20 years, how concerned, if at all, are you about... - Power cuts becoming more frequent in the future	Base: All Adults in UK	4224
●	360	57	Q23b_01. Thinking about the next 10-20 years, how concerned, if at all, are you about... - UK supplies of fossil fuels not being sufficient to meet the UK's demand for them	Base: All Adults in UK	4224
●	369	58	Q23b_02. Thinking about the next 10-20 years, how concerned, if at all, are you about... - The UK becoming too dependent on energy from other countries	Base: All Adults in UK	4224
●	378	59	Q23b_03. Thinking about the next 10-20 years, how concerned, if at all, are you about... - The UK not investing fast enough in alternative sources of energy	Base: All Adults in UK	4224
●	387	60	Q23b_04. Thinking about the next 10-20 years, how concerned, if at all, are you about... - The UK not developing technology to use existing sources of fossil fuels sufficiently	Base: All Adults in UK	4224
●	396	61	Q23c. You said that you are [very / fairly] concerned about the UK becoming too dependent on energy from other countries. When you gave this answer, were you thinking about specific energy types?	Base: All who are very or fairly concerned about the UK becoming too dependent on energy from other countries	2732
●	400	62	Q37. As far as you know, which of these are used as energy sources in your home ... for example, to provide heating or to power appliances. Please exclude anything used outside of your home ... for example fuel for vehicles.	Base: All Adults in UK	4224
●	404	63	Q80. Now a question on a different topic... The Government has recently begun to promote the concept of 'Clean Growth'. Before today, how much, if anything, did you know about this concept?	Base: All Adults in UK	4224
●	409	64	Q180. Views about the impacts of climate change in the UK	Base: All not saying there isn't such a thing as climate change	4129
	416	65	Q181. And how much, if at all, do you think climate change is currently affecting... - SUMMARY TABLE	Base: All not saying there isn't such a thing as climate change	4129

	Page	Table	Title	Base Description	Base
●	417	66	Q181_01. And how much, if at all, do you think climate change is currently affecting... - Your local area	Base: All not saying there isn't such a thing as climate change	4129
●	425	67	Q181_02. And how much, if at all, do you think climate change is currently affecting... - People in the UK as a whole	Base: All not saying there isn't such a thing as climate change	4129
●	433	68	Q181_03. And how much, if at all, do you think climate change is currently affecting... - People in other countries	Base: All not saying there isn't such a thing as climate change	4129
●	441	69	Q182. Thinking just about the UK, have you noticed any impacts of climate change over the past few years? If so, which ones?	Base: All not saying there isn't such a thing as climate change	4129
●	457	70	Q183. Which of these do you think are likely to occur in the UK in the next 15 to 20 years as a result of climate change? You can choose as many as you want.	Base: All not saying there isn't such a thing as climate change	4129
●	471	71	Q184. Thinking now about your everyday life, do you do any of these things?	Base: All Adults in UK	4224
	483	72	Q185. You mentioned that you currently do one of the things mentioned at Q184. What would you say is the main reason for this? - SUMMARY TABLE	Base: All who have chosen at least one of the options at Q184	2072
●	484	73	Q185_DV Actions done mainly to reduce climate change?	Base: All Adults in UK	4224
●	498	74	Q185_01. You mentioned that you currently Choose to walk, cycle or use public transport more instead of using a car. What would you say is the main reason for this?	Base: All who choose to walk, cycle or use public transport instead of using a car	2072
●	505	75	Q185_02. You mentioned that you currently Avoid\Eat less meat. What would you say is the main reason for this?	Base: All who avoid\eat less meat	989
●	512	76	Q185_03. You mentioned that you currently Avoid\Eat less dairy produce. What would you say is the main reason for this?	Base: All who avoid\eat less dairy produce	531
●	519	77	Q185_04. You mentioned that you currently Avoid\minimise throwing away food. What would you say is the main reason for this?	Base: All who avoid\minimise throwing away food	2292
●	526	78	Q185_05. You mentioned that you currently Drive an electric or hybrid car. What would you say is the main reason for this?	Base: All who drive an electric or hybrid car	214

	Page	Table	Title	Base Description	Base
●	533	79	Q185_06. You mentioned that you currently Think about the energy efficiency of products and appliances when making a purchase. What would you say is the main reason for this?	Base: All who think about the energy efficiency of products when making a purchase	1536
●	540	80	Q185_07. You mentioned that you currently Minimise the amount of energy you use at home. What would you say is the main reason for this?	Base: All who minimise the amount of energy they use at home	2216
●	547	81	Q185_08. You mentioned that you currently Avoid/minimise air travel. What would you say is the main reason for this?	Base: All who avoid/minimise air travel	578
●	554	82	Q186. If everybody in the UK did the following, which three of these do you think would have the biggest impact on tackling climate change in the UK?	Base: All not saying there isn't such a thing as climate change	4129
●	561	83	Q187. Who should have the most responsibility for tackling the effects of climate change in the UK?	Base: All not saying there isn't such a thing as climate change	4129
	569	84	Q188. How much do you trust each of the following to provide accurate information about climate change? - SUMMARY TABLE	Base: All Adults in UK	4224
●	570	85	Q188_01. How much do you trust each of the following to provide accurate information about climate change? - Newspapers or newspaper websites	Base: All Adults in UK	4224
●	577	86	Q188_02. How much do you trust each of the following to provide accurate information about climate change? - TV news such as BBC, ITV, Sky	Base: All Adults in UK	4224
●	584	87	Q188_03. How much do you trust each of the following to provide accurate information about climate change? - Social media such as Facebook, Twitter	Base: All Adults in UK	4224
●	591	88	Q188_04. How much do you trust each of the following to provide accurate information about climate change? - TV and radio documentaries	Base: All Adults in UK	4224
