- 5.3 The Franchisee shall co-operate with the Secretary of State and act reasonably and in good faith in and about the performance of its obligations and the exercise of its rights pursuant to this Franchise Agreement.
- 5.4 The Secretary of State shall act reasonably and in good faith in and about the performance of his obligations and the exercise of his rights pursuant to the Franchise Agreement.

6. **COMPLIANCE WITH LAWS**

The Franchisee shall at all times perform the Franchise Services and all its other obligations under the Franchise Agreement in accordance with all applicable Laws.

7. **ENTIRE AGREEMENT**

- 7.1 This Agreement and the Conditions Precedent Agreement contain the entire agreement between the parties in relation to the subject matter of the Franchise Agreement and supersede all prior agreements and arrangements between the parties other than any confidentiality agreements or undertakings which the Franchisee may have entered into with the Secretary of State in connection with his proposal to secure the provision of the Passenger Services under the Franchise Agreement.
- 7.2 The Franchisee hereby acknowledges that it is not entering into this Agreement and the Conditions Precedent Agreement in reliance on any warranties, representations or undertakings howsoever or to whomsoever made except in so far as such warranties, representations or undertakings are contained in the Franchise Agreement.
- 7.3 The Franchisee hereby acknowledges and agrees with the Secretary of State (for himself and as trustee for each of the other persons referred to therein) to the disclaimers of liability which are contained in Section 3.2 of the Invitation to Tender and the section entitled "Important Notice" contained in any document supplied by or on behalf of the Secretary of State in connection with the Franchise Agreement, the process leading to the entering into of the Franchise Agreement, or the Franchise Services (including any Invitation to Tender issued in connection therewith).
- 7.4 The Franchisee irrevocably and unconditionally waives any right which it may otherwise have to claim damages in respect of and/or to rescind this Agreement and the Conditions Precedent Agreement on the basis of any warranty, representation (whether negligent or otherwise, and whether made prior to and/or in this Agreement or the Conditions Precedent Agreement) or undertaking howsoever or to whomsoever made unless and to the extent that such warranty, representation or undertaking was made fraudulently.

8. GOVERNING LAW

SCHEDULE 1**Passenger Service Obligations**

Schedule 1.1:	Service Development
Schedule 1.2:	Operating Obligations
Schedule 1.3:	Not Used
Schedule 1.4:	Passenger Facing Obligations
Schedule 1.5:	Information about Passengers
Schedule 1.6:	Franchise Services
Schedule 1.7:	The Train Fleet

SCHEDULE 1.1**Service Development****1. Train Service Requirement - Purpose And Responsibility**

- 1.1 A Train Service Requirement is a minimum specification of Passenger Services and capacity to be provided by the Franchisee.
- 1.2 The Train Service Requirement as at the date of the Franchise Agreement is comprised in the following, all in agreed terms marked as follows:
- (a) **TSR1** being the Train Service Requirement applicable from the Start Date until the Passenger Change Date in December 2017;
 - (b) **TSR2** being the Train Service Requirement applicable from the Passenger Change Date in December 2017 until the Passenger Change Date in December 2018; and
 - (c) **TSR3** comprising of:
 - (i) **TSR 3A** (being the Train Service Requirement applicable from the Passenger Change Date in December 2018 until the Passenger Change Date in December 2019); and
 - (ii) **TSR 3B** (being the Train Service Requirement applicable from the Passenger Change Date in December 2019 until the end of the Franchise Term),

and for the purposes of this Schedule 1.1, such Train Service Requirement shall remain in force unless and until amended or replaced pursuant to this Schedule 1.1. The Train Service Requirement does not in any way limit the Franchisee's obligations pursuant to paragraph 7 of this Schedule 1.1. The Secretary of State and the Franchisee agree that the replacements of:

- (i) TSR1 by TSR2; or
- (ii) TSR2 by TSR3A; or
- (iii) TSR3A by TSR3B,

at the time and for the period specified in this paragraph 1.2 shall not constitute a Change for the purposes of paragraph (e) of the definition of Change unless:

- (A) the Secretary of State alters the date as specified in this paragraph 1.2 upon which such Train Service Requirement is to come into effect; or
- (B) from the relevant date from which such Train Service Requirement is to apply the Secretary of State issues a replacement Train Service Requirement which is different from such Train Service Requirement,

(in each case to be known as the "**Alternative TSR**") in which case a Change under paragraph (e) of the definition of Change shall occur provided that in respect of the circumstance specified in paragraph 1.2(B) such Change shall only apply in respect of the differences between the Alternative TSR and the relevant Train Service Requirement which would otherwise be in force. The Secretary of State shall issue an Alternative TSR if the Timetable as inherited from the Train Operator under the Previous Franchise Agreement and to be operated by the

Franchisee during the period from the Start Date until the Passenger Change Date in December 2017 is materially inconsistent with TSR 1 in relation to the period during which TSR 1 is to apply as specified in paragraph 1.2(a).

- 1.3 A Train Service Requirement may be expressed in whole or in part at any level of generality or to any level of detail the Secretary of State considers appropriate.

2. **Train Plan**

- 2.1 A Train Plan is the plan or diagram of the Franchisee for the operation of trains and train formations under the Timetable.

- 2.2 The Franchisee shall submit to the Secretary of State a Train Plan in respect of each Timetable in accordance with this Schedule 1.1 (Service Development).

- 2.3 In preparing any Train Plan, the Franchisee shall do so by reference to the timetable that it envisages operating in order to comply with the Train Service Requirement and paragraph 7.

- 2.4 It is acknowledged that as at the date of the Franchise Agreement Network Rail will have published the working timetable on which the Timetable applicable at the Start Date is to be based. Accordingly the Franchisee shall, as soon as reasonably practicable after the date of the Franchise Agreement, either:

- (a) confirm to the Secretary of State that it intends to adopt, from the Start Date until the next Passenger Change Date, the train plan used by the Train Operator under the Previous Franchise Agreement immediately prior to the Start Date; or
- (b) ³**submit its proposed train plan for the period from the Start Date until the next Passenger Change Date to the Secretary of State, in which case the provisions of paragraph 7.5 of this Schedule 1.1 shall apply in relation to any such train plan.**

The train plan applicable in relation to the Timetable as at the Start Date as may be adopted by the Franchisee pursuant to paragraph 2.4(a) or submitted and certified by the Franchisee pursuant to paragraph 2.4(b) (as the case may be) shall, for the purposes of the Franchise Agreement be known as the Initial Train Plan.

- 2.5 Each Train Plan is to set out for each railway passenger service in the Timetable to which it relates:

- (a) its start point and departure time;
- (b) its terminating point and arrival time;
- (c) the number and class of rolling stock vehicles allocated to each such railway passenger service;
- (d) the Passenger Carrying Capacity that each such railway passenger service, as formed, is to have; and
- (e) its Forecast Passenger Demand and, where this has been requested by the Secretary of State and is capable of calculation, Actual Passenger Demand.

- 2.6 A Train Plan shall be in any format that the Secretary of State may reasonably specify for this purpose.

³ Date of contract change – 31/03/2016 - Agreed by the Secretary of State and Franchisee

3. **Not Used**

4. **Consultation on Significant Alterations to the Timetable**

4.1 Notwithstanding any consultation the Secretary of State might separately undertake in respect of any amended or new draft Train Service Requirement issued pursuant to paragraph 9, the Franchisee shall where:

- (a) it intends that any future Timetable shall contain Significant Alterations compared to the Timetable then in force; and
- (b) such Significant Alterations are likely to have, in the reasonable opinion of the Franchisee, a materially adverse effect on:
 - (i) the ability of passengers using any station served by the Passenger Services to make journeys relating to work or education at reasonably convenient times; and/or
 - (ii) the trading prospects of commercial enterprises located in any community in which a station served by the Passenger Services is located in consequence of it being more difficult for customers or employees to access such commercial enterprises through travel on the Passenger Services,

consult with Stakeholders who would reasonably be expected to be affected by any such Significant Alterations in relation to such proposed future Timetable.

4.2 Accordingly the Franchisee shall where the circumstances described in paragraph 4.1 apply:

- (a) as soon as reasonably practicable provide to the Secretary of State and all Stakeholders a comprehensive summary of the proposed changes from the Timetable then in force specifying the proposed Timetable changes, the reasons for them and the likely impact on passengers;
- (b) carry out the consultation in relation to such proposed changes using a reasonable range of communication channels (taking into account the scale of the proposed changes) and in a manner that can be reasonably expected to encourage responses from a broad range of affected Stakeholders;
- (c) give consultees such time as is reasonable under all the circumstances to respond (it being agreed that it shall normally be reasonable to give at least 12 weeks to respond in relation to major proposed Timetable changes);
- (d) take due account of the responses of consultees;
- (e) within six weeks of the close of the consultation (or such longer period as the Secretary of State may agree, such agreement not to be unreasonably withheld or delayed) publish a report containing a summary of the main issues raised by respondents (including quantitative analysis of the responses received), the reasoned response of the Franchisee to them and notification of how the Franchisee will now seek to exercise relevant Timetable Development Rights in the context of its obligation to take due account of the results of the consultation;
- (f) ensure that the published report is promptly provided to the Secretary of State and all respondents who submitted written responses to the consultation and published in a widely accessible form; and
- (g) ensure that the relevant Timetable Development Rights to implement the proposed Timetable change are not exercised prior to the publication of the report and exercise such Timetable Development Rights in the manner indicated in the report.

5. **Timetable Development Rights**

- 5.1 The Franchisee shall use all reasonable endeavours to amend and/or enter into such Access Agreements as may be necessary or desirable from time to time to obtain the timetable development rights that it requires to secure a Timetable that enables it to operate railway passenger services that comply with the Train Service Requirement and otherwise comply with its obligations under the Franchise Agreement.
- 5.2 Prior to exercising any Timetable Development Rights to secure a Timetable the Franchisee shall make an informed estimate of Forecast Passenger Demand and in doing so shall make reasonable assumptions based on available evidence and making proper use of recognised railway industry systems and forecasting tools as these may develop over the Franchise Period, with the estimate being in such format and to such level of disaggregation as the Secretary of State may reasonably require.
- 5.3 The Franchisee shall exercise its Timetable Development Rights so as to secure a Timetable that enables it to operate railway passenger services that comply with the Train Service Requirement, paragraph 5.11 and paragraph 7 of this Schedule 1.1 in accordance with its obligations under paragraph 10 of this Schedule 1.1.
- 5.4 Where the Franchisee proposes to exercise its Timetable Development Rights so that the Timetable in force after the relevant Passenger Change Date contains Significant Alterations to that in force prior to such Passenger Change Date the Franchisee shall, without prejudice to its obligation to consult pursuant to paragraph 4, act reasonably with the intention of obtaining a Timetable which enables paragraphs 7.1(a) and 7.1(b) of this Schedule 1.1 to be achieved in relation to each Passenger Service in the Timetable to the greatest extent reasonably practicable. It is agreed that in acting reasonably the Franchisee shall take full and proper account of its calculation of Forecast Passenger Demand made pursuant to paragraph 5.2.
- 5.5 Unless the Secretary of State otherwise directs, the Franchisee shall, for the purposes of securing a Timetable that complies with the Train Service Requirement, paragraph 5.11 and paragraph 7 of this Schedule, exercise its rights under the Track Access Agreement (including the Network Code) to object, to make representations and to withhold consent in respect of any actual or proposed act or omission by Network Rail in relation to such agreement in respect of its Timetable Development Rights.
- 5.6 Subject to the Franchisee complying with its obligations under paragraph 5.5, it shall not be liable for any failure to secure a Timetable that enables the Franchisee to operate railway passenger services that comply with the Train Service Requirement, paragraph 5.11 and paragraph 7 of this Schedule, to the extent that such failure is caused by:
- (a) the Franchisee's Timetable Development Rights being inadequate to enable it to secure the requisite Train Slots, provided that the Franchisee has exercised and, unless otherwise agreed by the Secretary of State, is continuing to exercise all reasonable endeavours to obtain the requisite timetable development rights in accordance with paragraph 5.1;
 - (b) Network Rail exercising its flexing rights from time to time under the Track Access Agreement or the Network Code in respect of such Train Slots;
 - (c) Network Rail exercising its other rights from time to time under the Track Access Agreement or the Network Code; or
 - (d) the exercise by the ORR of its powers pursuant to Section 22C of the Act.
- 5.7
- (a) If and to the extent that the Franchisee is not able to secure a Timetable enabling it to operate railway passenger services that comply with the Train Service Requirement as a result of it not being able to obtain the timetable development rights that it requires for that purpose, then the Secretary of State shall (subject

to paragraphs 5.7(b) and 5.7 (c) below) issue to the Franchisee such amendments to the Train Service Requirement ("**TSR (TDR) Amendment**") as the Secretary of State considers necessary such that the Franchisee is able to secure a Timetable in compliance with the Train Service Requirement as amended by the TSR (TDR) Amendments by exercise of the Timetable Development Rights that the Franchisee does have.

- (b) The Secretary of State shall have an unfettered discretion as to whether or not to issue a TSR (TDR) Amendment in circumstances where the Franchisee:
 - (i) has failed to exercise all reasonable endeavours to obtain the requisite timetable development rights in accordance with paragraph 5.1; and
 - (ii) is not relieved by paragraph 5.6 from liability for such failure to secure a Timetable that enables the Franchisee to operate railway passenger services that comply with the Train Service Requirement.
 - (c) Where the Secretary of State reasonably considers that the failure to secure a Timetable that enables the Franchisee to operate the Train Service Requirement is partly due to the default of the Franchisee in not properly complying with its obligations under the Franchise Agreement in relation to securing timetable development rights any TSR (TDR) Amendment shall not relieve the Franchisee of the obligation to comply with the Train Service Requirement to the extent that the Secretary of State determines that the failure is due to such default of the Franchisee and the Franchisee may be in contravention of the Franchise Agreement accordingly.
- 5.8 Following issue of any TSR (TDR) Amendment pursuant to paragraph 5.7 the Franchisee shall, unless otherwise agreed by the Secretary of State, continue to use all reasonable endeavours to amend and/or enter into such Access Agreements as may be necessary or desirable from time to time to obtain the timetable development rights that it requires to secure a Timetable that enables it to operate railway passenger services that comply with the Train Service Requirement without such TSR (TDR) Amendment.
- 5.9 Any TSR (TDR) Amendment issued pursuant to paragraph 5.7 shall:
- (a) unless otherwise required by the Secretary of State, cease to have effect on the date (if any) on which the first Timetable comes into effect after the Franchisee has obtained the Timetable Development Rights that it requires to secure a Timetable that enables it to operate railway passenger services that comply with the Train Service Requirement without any such TSR (TDR) Amendment; and
 - (b) amount to a Change but only to the extent that the Franchisee makes a saving as a consequence of such TSR (TDR) Amendment) or unless such TSR (TDR) Amendment has been issued in consequence of Network Rail exercising the rights referred to in paragraphs 5.6(b) or 5.6(c) in which case there shall be no Change.
- 5.10 With effect from the date on which any TSR (TDR) Amendment ceases to have effect in accordance with paragraph 5.9:
- (a) the Train Service Requirement without such TSR (TDR) Amendment shall thereafter apply; and
 - (b) there shall be a further Change (which for these purposes shall be deemed to be a Qualifying Change) from the date that the TSR (TDR) Amendment ceases to have effect so as, with effect from such date, to disapply the effect of the Change referred to in paragraph 5.9(b) from such date to take into account the fact that the Franchisee will have ceased to make a saving.

5.11 The Franchisee shall exercise its Timetable Development Rights so as to ensure, so far as reasonably practicable that:

- (a) the stopping patterns of Passenger Services are placed at approximately evenly-spaced intervals, taking into account the reasonable needs of passengers; and
- (b) journey times between stations are minimised.

6. **Certification and Notification by Franchisee of Exercising Timetable Development Rights**

6.1 Before exercising any Timetable Development Right to bid for Train Slots, the Franchisee shall provide a certificate addressed to the Secretary of State and signed by a statutory director of the Franchisee confirming that its proposed exercise of that Timetable Development Right will be compliant with its obligation specified in paragraph 5.3.

6.2 If requested by the Secretary of State, the Franchisee agrees to demonstrate to the reasonable satisfaction of the Secretary of State that the Franchisee's certificate referred to in paragraph 6.1 is a true and accurate confirmation of compliance with its obligation specified in paragraph 5.3.

6.3 The Franchisee shall:

- (a) keep the Secretary of State fully informed of any discussions with Network Rail and/or the ORR in relation to the matters referred to in this Schedule 1.1 (Service Development) which may, in the reasonable opinion of the Franchisee, have a material bearing on the ability of the Franchisee to deliver the Train Service Requirement or meet the requirements of paragraph 7 of this Schedule 1.1 (Service Development) through the Timetable and shall, if required to do so by the Secretary of State, supply copies of any related correspondence to the Secretary of State; and
- (b) update any notification under this paragraph 6.3 and/or certification under paragraph 6.1 as soon as reasonably practicable, if at any time it elects or is required to modify any aspect of its exercise of its Timetable Development Rights following Network Rail's proposed or actual rejection or modification of its bid or any part of it or for any other reason.

7. **Planning to meet Target Passenger Demand**

7.1 Capacity and Timetable Planning

The Franchisee shall, in preparing its Timetable and Train Plan, unless the Secretary of State otherwise agrees, provide for at least the capacity specified in the Train Service Requirement and use all reasonable endeavours to:

- (a) provide for Passenger Carrying Capacity on each Passenger Service that meets as a minimum the Target Passenger Demand for that Passenger Service; and
- (b) provide passengers with a reasonable expectation of a seat:
 - (i) on boarding any Passenger Service during each Off-Peak; and
 - (ii) 20 minutes after boarding (or such other time period as the Secretary of State may stipulate) any Passenger Service during each Peak.

7.2 Allocation of rolling stock where Franchisee unable to meet the capacity requirements

If at the time it prepares its Timetable and/or Train Plan, having exercised all reasonable endeavours, the Franchisee is unable to prepare a Timetable and/or Train Plan having the Passenger Carrying Capacity and/or meeting the reasonable expectations referred to in

paragraphs 7.1(a) and 7.1(b), then the Timetable and/or the Train Plan shall specify the best allocation of Passenger Services and rolling stock vehicles to Passenger Services that is reasonably practicable with a view to:

- (a) minimising, so far as is possible, the amount by which Target Passenger Demand exceeds the provision of Passenger Carrying Capacity on the affected Passenger Services;
- (b) ensuring, so far as is possible, that such excess is not unduly concentrated on any particular Route or Passenger Service; and
- (c) minimising, so far as is possible, the extent to which passengers are required to stand:
 - (i) on boarding any Passenger Service during each Off-Peak; and
 - (ii) 20 minutes after boarding (or such other time period as the Secretary of State may stipulate) any Passenger Service during each Peak.

7.3

- (a) Subject to paragraph 7.3(b), the Franchisee shall in preparing its Timetable and its Train Plan take full and proper account of its calculation of Forecast Passenger Demand and use all reasonable endeavours to ensure that the Train Fleet is deployed in an optimal manner for the purposes of complying with its obligations under sub paragraphs 7.1 and 7.2 above.
- (b) The Franchisee shall in preparing its Timetable and Train Plan deploy the entire Train Fleet (excluding reasonable planning requirements for the allocation of Hot Standbys or other rolling stock vehicles to be out of service due to maintenance requirements, Mandatory Modifications or any other reason agreed with the Secretary of State (such agreement not to be unreasonably withheld or delayed)) in delivering the Passenger Services:
 - (i) during each Peak; and
 - (ii) at such times during each Off-Peak where such deployment of the entire Train Fleet is reasonably required to meet the Franchisee's obligations pursuant to sub paragraphs 7.1 and 7.2 above.

7.4 The Franchisee shall submit its proposed Train Plan to the Secretary of State as soon as reasonably practicable after Network Rail has published the working timetable on which the Timetable is to be based.

7.5 The Franchisee shall submit its final Train Plan to the Secretary of State prior to the commencement of the Timetable to which it relates. It shall be certified by a statutory director of the Franchisee as being true and accurate and including the minimum capacity specified in the Train Service Requirement.

8. **Capacity Mitigation Plan**

8.1

- (a) Without prejudice to the obligation of the Franchisee to include in the Train Plan the capacity specified in the Train Service Requirement, if at any time the Franchisee is unable to prepare a Timetable and/or a Train Plan which meets the requirements of paragraph 7.1 (regardless of whether the Franchisee has used all reasonable endeavours to do so), the Secretary of State may serve a notice on the Franchisee requiring it to produce a plan to a reasonable specification provided with the notice to remedy or mitigate such inability ("**Capacity**

Mitigation Plan”). Such specification may, without limitation, include measures to be implemented by the Franchisee to:

- (i) remedy the circumstances leading to the Franchisee being unable to prepare a Timetable and/or a Train Plan which meets the requirements of paragraph 7.1; and/or
- (ii) minimise, so far as is possible, the amount by which Target Passenger Demand exceeds the provision of Passenger Carrying Capacity on the affected Passenger Services;
- (iii) ensure, so far as is possible, that such excess is not unduly concentrated on any particular Route or Passenger Service; and
- (iv) minimise, so far as is possible, the extent to which passengers are required to stand:
 - (A) on boarding any Passenger Service during each Off-Peak; and
 - (B) 20 minutes after boarding (or such other time period as the Secretary of State may stipulate) any Passenger Service during each Peak,

in all such cases (unless the Secretary of State specifies to the contrary) taking into account both Actual Passenger Demand and Forecast Passenger Demand. Where the Secretary of State reasonably believes that future circumstances may lead to the Franchisee being unable to prepare a Timetable and/or a Train Plan which meets the requirements of paragraph 7.1 at any time within the next four years (including after the end of the Franchise Term) he shall have the right to serve notice on the Franchisee specifying those future circumstances and the date that the Franchisee should assume that they will arise from and requiring it to produce a Capacity Mitigation Plan to remedy or mitigate such future circumstances on the basis of assumptions provided by the Secretary of State.

- (b) The Capacity Mitigation Plan shall (unless the Secretary of State specifies to the contrary) include the Franchisee’s informed estimate of Forecast Passenger Demand, in such format and to such level of disaggregation as the Secretary of State may reasonably require. Without limitation such specification may require the Franchisee to present options to address relevant issues through:
 - (i) alterations to the Train Service Requirement;
 - (ii) modification of rolling stock or the acquisition of additional or replacement rolling stock;
 - (iii) alterations to Fares; and/or
 - (iv) alterations or enhancements to any track, signalling, station, depot or other relevant railway infrastructure.
- (c) The Capacity Mitigation Plan shall provide a comprehensive analysis backed by relevant data and assumptions of:
 - (i) all cost and revenue and other financial implications of options contained within it including the potential implications for Franchise Payments;
 - (ii) the implications (if any) for the Benchmarks and/or the Annual Benchmarks; and

- (iii) the likely impact of options within it for existing and future passenger journeys and journey opportunities.
- (d) The Franchisee shall meet with the Secretary of State to discuss the Capacity Mitigation Plan and provide such further information or analysis and further iterations of the Capacity Mitigation Plan as the Secretary of State shall reasonably require.

9. Franchisee Informed Opinion and new or amended Train Service Requirement

- 9.1 Prior to issuing any amended or new Train Service Requirement the Secretary of State shall provide to the Franchisee his draft of any proposed amended or new Train Service Requirement stating the date upon which he proposes that such amended or new Train Service Requirement should take effect along with the Secretary of State's view as to the changes (if any) that he proposes to make to the Benchmarks and/or the Annual Benchmarks. On receipt of any such draft of a proposed amended or new Train Service Requirement the Franchisee shall provide to the Secretary of State if so requested its informed opinion:
- (a) with supporting reasons as to the impact of the proposed amended or new Train Service Requirement on the delivery of an optimal range of railway passenger services patterns relative to Target Passenger Demand and compliance with paragraph 7.1 of this Schedule 1.1 (Service Development);
 - (b) with supporting reasons as to the changes to resources and adjustment to Franchise Payments (if any) which would be required in consequence of the proposed amended or new Train Service Requirement;
 - (c) with supporting reasons as to changes (if any) to the Benchmarks and/or the Annual Benchmarks;
 - (d) of the process to be required to implement the proposed amendment to the Train Service Requirement together with a plan for the implementation of the amendment to the Train Service Requirement (including all steps required to ensure that the Franchisee can deliver a Timetable compliant with such amended or new Train Service Requirement) prepared in accordance with procedural arrangements specified by the Secretary of State pursuant to paragraph 10; and
 - (e) with supporting reasons of the likely impact of the proposed amended or new Train Service Requirement on existing and future passenger journeys and journey opportunities.
- 9.2 There may be iterations of drafts of the proposed amended or new Train Service Requirement and the Franchisee shall to the extent required by the Secretary of State have the obligations described in this paragraph 9 in respect of all such iterations.
- 9.3 Processes contained in paragraph 8 and this paragraph 9 shall take place in accordance with procedural arrangements and timescales stipulated by the Secretary of State pursuant to paragraph 10.2.
- 9.4 The Secretary of State may, in accordance with any stipulation made under paragraph 10.2, issue to the Franchisee any amended or new Train Service Requirement that he requires the Franchisee to operate and notice of the changes (if any) to the Benchmarks and/or the Annual Benchmarks. Such amended or new Train Service Requirement will be issued prior to the commencement of the timetable development process of Network Rail for the Timetable in respect of which it is proposed to implement the change to Passenger Services arising from the amended or new Train Service Requirement. In the absence of the Secretary of State issuing any amended or new Train Service Requirement the existing Train Service Requirement will remain in full force and effect. The degree of variation from any Train Service Requirement specified when the Franchise Agreement was entered into in respect of any particular period and brought about by any amended or new Train Service

Requirement issued pursuant to this paragraph 9.4 shall (where relevant) be of a magnitude no greater than that contemplated in the Invitation to Tender.

- 9.5 At the same time as the Secretary of State provides the Franchisee with a draft of any proposed amended or new Train Service Requirement pursuant to paragraph 9.1, the Secretary of State shall also provide to the Franchisee his opinion of any changes (if any) that are required to the Benchmarks and/or the Annual Benchmarks.

10. **Procedure**

- 10.1 The Franchisee agrees that the effective operation of the provisions of this Schedule 1.1 (Service Development), and of provisions addressing the same or similar matters in other franchise agreements, will require certain procedural arrangements and timescales to be followed to a common timescale by the Secretary of State, the Franchisee and others.

- 10.2 The Franchisee agrees that the Secretary of State may stipulate any reasonable procedural arrangements and timescales that are to be followed by the Secretary of State and the Franchisee for these purposes (which shall be consistent with any relevant standard railway industry processes for timetable development) and that the Secretary of State may amend any such stipulation from time to time.

- 10.3 The Secretary of State agrees to consult the Franchisee as far as reasonably practicable prior to stipulating or amending any such procedural arrangements and timescales in accordance with paragraph 10.2.

- 10.4 Any stipulation by the Secretary of State pursuant to paragraph 10.2:

- (a) shall be at the reasonable discretion of the Secretary of State;
- (b) may contain procedural arrangements and timescales to be followed by the Franchisee in relation to other changes to the Franchise Services (pursuant to paragraph 1 of Schedule 9.5 (Variations to the Franchise Agreement and Incentivising Beneficial Changes)) in conjunction with the Train Service Requirement; and
- (c) may provide for iterations of drafts of any amended or new Train Service Requirement, Train Plan or Timetable.

- 10.5 Any procedural arrangements and timescales stipulated by the Secretary of State pursuant to paragraph 10.2 shall have contractual effect between the Franchisee and the Secretary of State in accordance with the terms of such stipulation.

11. **Obligations in relation to other Train Operators**

- 11.1 Subject to the terms of the Licences and any applicable Law, the Franchisee shall co-operate with other Train Operators in respect of their timetable development rights where such other Train Operators provide railway passenger services meeting common or displaced passenger demand, with a view to ensuring that:

- (a) the levels of overcrowding over the Routes or other relevant routes are minimised and not unduly concentrated on particular railway passenger services, Routes or other relevant routes;
- (b) the stopping patterns of such railway passenger services are placed at approximately evenly-spaced intervals throughout each relevant hour, taking into account the reasonable needs of passengers and the different types of railway passenger services provided by other Train Operators and the Franchisee; and
- (c) a reasonable pattern of railway passenger service is provided on the relevant route(s) to enable passengers to make Connections (particularly where low frequency railway passenger services are operated or last trains are involved,

taking account of seasonal fluctuations in passenger demand and the time needed to make any such Connection).

12. **Provisions relating to Access Agreements and Property Leases**

12.1 Where the Secretary of State considers it requisite for the purposes of better securing the delivery of railway passenger services under the Franchise Agreement, or any other franchise agreement, or for the better achievement by him of any of his duties, functions and powers in relation to railways, the Secretary of State may require the Franchisee:

- (a) to exercise or refrain from exercising any or all of its rights under any Access Agreement or any Property Lease, or any related rights under such other agreements as the Secretary of State may specify; and/or
- (b) subject to the consent of the counterparty thereto, to assign, novate or surrender its rights under any Access Agreement or Property Lease.

12.2 Except to the extent that the Secretary of State otherwise indicates from time to time, the Franchisee shall notify the Secretary of State of its intention to enter into or amend any Access Agreement:

- (a) where the approval of the ORR is required under the Act, not less than 10 Weekdays before the submission to the ORR; and
- (b) where no such approval is required, not less than 10 Weekdays prior to entering into such amendment or Access Agreement.

12.3 The Franchisee shall comply with its obligations under any Access Agreement or any Property Lease to which it is a party from time to time:

- (a) to notify or consult with the Secretary of State on any matter or proposal relating to that Access Agreement or Property Lease; and
- (b) which are contingent on a particular course of action being taken by the Secretary of State or which are otherwise expressly included in that Access Agreement or Property Lease for the benefit of the Secretary of State.

12.4 If and to the extent that:

- (a) the Secretary of State exercises his rights pursuant to paragraph 12.1;
- (b) the Franchisee's compliance with the Secretary of State's requirements pursuant to paragraph 12.1 would lead to the unavoidable consequence of the Franchisee contravening any other terms of the Franchise Agreement or the occurrence of an Event of Default; and
- (c) the Franchisee duly complies with such requirements,

no such contravention of the Franchise Agreement or Event of Default shall have occurred.

13. **Disapplication of the rights of the Franchisee to claim compensation under the Track Access Agreement for Planned Blockades**

13.1 The Franchisee acknowledges and agrees that:

- (a) the applicable "Timetable Planning Rules" and "Engineering Access Statement" specifies planned blockades for two Reporting Periods in each Franchisee Year ("**Planned Blockades**") which will prevent the operation of the Manchester Airport to Manchester portion of the first Passenger Service on a Sunday morning from Manchester Airport to Cleethorpes (as specified as at the date of this Franchise Agreement in each Train Service Requirement in the agreed terms

marked "**TSR 2**" and "**TSR 3**") (and each such service being referred to in this paragraph 13.1 as an "**Engineering Access Enhancement Service**"); and

- (b) it has been fully compensated through Franchise Payments for the costs and revenue impacts of the Planned Blockades (including the costs of providing replacement bus services) for the Engineering Access Enhancement Services.
- 13.2 Accordingly the Franchisee agrees that it shall not make any claim for compensation from Network Rail under its Track Access Agreement or otherwise in relation to any direct or indirect costs (which for these purposes shall include any costs for the provision of replacement buses, bus and taxi hire costs, publicity costs, train planning and diagramming costs), losses and expenses (including any loss of revenue) incurred or expected to be incurred by the Franchisee as a consequence of not being able to operate the Engineering Access Enhancement Services because of the Planned Blockades.

14. **The Timetable and the Working Timetable**
- 14.1 Any specification of railway passenger services in a Train Service Requirement shall (unless the Secretary of State states to the contrary) be regarded as relating to how those services are to be provided for in the National Rail Timetable that Network Rail publishes for passengers, and not how they are to be provided for in the working timetable that Network Rail issues to industry parties at the conclusion of its timetable development process.
- 14.2 Accordingly, the Franchisee's obligations specified in paragraph 5.3 shall be construed as an obligation to secure the requisite Train Slots in the working timetable to be issued by Network Rail at the conclusion of its timetable development process that will permit the Franchisee to operate railway passenger services that comply with the Train Service Requirement provided for in the relevant Timetable.
- 14.3 The Franchisee shall ensure, for each period between two consecutive Passenger Change Dates during the Franchise Term, that the Timetable for such period is, in its reasonable opinion, not materially different from the relevant working timetable issued by Network Rail at the conclusion of its timetable development process.

SCHEDULE 2.2

Security of Access Agreements, Rolling Stock Leases, Station and Depot Leases

1. **Novation of Access Agreements during the Franchise Term**

1.1 The Franchisee shall, to the extent so requested by the Secretary of State (other than on termination of the Franchise Agreement, for which the provisions of paragraph 1 of Schedule 15.4 (Provisions Applying on and after Termination) apply):

- (a) following receipt of a notice purporting to terminate any Access Agreement to which it is a party, in relation to such Access Agreement; or

novate its interest under any such relevant Access Agreement (and any related Collateral Agreement) to the Secretary of State or as he may direct.

1.2 Such obligation to novate shall be subject to the agreement of any counterparty to such Access Agreement or Collateral Agreement and, to the extent applicable, the ORR.

1.3 Such novation shall be on such terms as the Secretary of State may reasonably require, including:

- (a) that the Franchisee shall not be released from any accrued but unperformed obligation, the consequences of any breach of the relevant agreement which is the subject of arbitration or litigation between the parties thereto or any liability in respect of any act or omission under or in relation to the relevant agreement prior to, or as at the date of, any such novation (except to the extent that the Secretary of State or his nominee agrees to assume responsibility for such unperformed obligation, such liability or the consequences of such breach in connection with the relevant novation); and
- (b) that neither the Secretary of State nor his nominee shall be obliged, in connection with the novation, to agree to assume responsibility for any unperformed obligation, liability or consequences of a breach referred to in paragraph 1.3(a),

but shall not, unless the Franchisee otherwise agrees, be on terms which release any counterparty to the relevant agreement from any liability to the Franchisee arising prior to the date of such novation.

1.4 The Franchisee shall, on the occurrence of any of the circumstances specified in paragraph 1.1 in relation to any other Train Operator who is a party to an Access Agreement to which the Franchisee is also party, agree to the novation of the relevant Train Operator's interest under the relevant Access Agreement to the Secretary of State or as he may direct, subject, to the extent applicable, to the consent of the ORR. The provisions of paragraph 1.3 shall apply to any such novation.

1.5 The Franchisee shall notify the Secretary of State on becoming aware of any circumstances which might lead to the Secretary of State being able to require the Franchisee to novate its interest or agree to the novation of another Train Operator's interest under this paragraph 1.

2. **Rolling Stock Related Contracts and insurance arrangements**

2.1 The Franchisee shall not:

- (a) execute any Rolling Stock Related Contract;
- (b) exercise any option or other discretion in any Rolling Stock Related Contract that would result in any increased payment or delay in delivery being made by or to the Franchisee or the relevant counterparty or which may result in it being reasonably likely to be unable to comply with the terms of the Franchise Agreement; or
- (c) amend or waive the terms of any Rolling Stock Related Contract,

without, in each case, the prior written consent of the Secretary of State (not to be unreasonably withheld).

2.1A The Franchisee shall supply to the Secretary of State a copy of all draft Rolling Stock Related Contracts and, immediately following execution, all executed Rolling Stock Related Contracts (including any agreement amending any Rolling Stock Related Contract) together with:

- (a) such other information or documentation relating to such Rolling Stock Related Contract and/or the relevant rolling stock as the Secretary of State may request (which may include offer letters (original and final));
- (b) the terms proposed by any person providing finance in relation to the relevant rolling stock (including cash flows);
- (c) any agreement (in whatever form) to which the Franchisee (or an Affiliate of the Franchisee) is a party and which relates to the relevant rolling stock;
- (d) information relating to capital allowances, details of any changes in the terms (including rentals) on which the relevant rolling stock is proposed to be leased compared to the terms on which such rolling stock was previously leased; and
- (e) a detailed justification of the Franchisee's proposed maintenance strategy for the relevant rolling stock and/or the Franchisee's analysis of the whole life costs of the relevant rolling stock.

2.1B Where the information or documentation so requested by the Secretary of State is not held by the Franchisee, the Franchisee shall use reasonable endeavours to obtain the relevant information or documentation from a third party (including any person from whom the Franchisee leases rolling stock).

2.2 The Franchisee shall not, without the prior written consent of the Secretary of State:

- (a) amend the terms of any insurance arrangements which relate to rolling stock vehicles used by it in the provision of the Passenger Services to which it is a party on the Start Date; or
- (b) enter into any new insurance arrangements after the Start Date which relate to rolling stock vehicles used or to be used by it in the provision of the Passenger Services ("**New Insurance Arrangements**").

2.3 Not used.

2.4 The Franchisee shall, in addition, if it enters into any New Insurance Arrangements, use all reasonable endeavours to ensure that the relevant insurers waive their rights of subrogation against any Train Operator which may have equivalent insurance arrangements providing for a similar waiver of rights of subrogation against the Franchisee, whether on a reciprocal basis or otherwise.

2.5 Without limiting paragraph 2.1, where the rolling stock to be leased by the Franchisee under any Rolling Stock Lease is Cascaded Rolling Stock the Secretary of State may:

- (a) as a condition of giving his consent to the Franchisee executing such Rolling Stock Lease, require that such Rolling Stock Lease contains a provision whereby, in the event of a Relevant Delay, the Secretary of State may require that such Cascaded Rolling Stock can continue to be used by the Prior Train Operator during such period as the Secretary of State shall specify. Without limitation this may include the Franchisee subleasing the Cascaded Rolling Stock back to the Prior Train Operator and/or a delay to the date on which the Cascaded Rolling Stock is required to be delivered to the Franchisee under such Rolling Stock Lease; and
- (b) where the Secretary of State requires such a provision to be included in the relevant Rolling Stock Lease, if a Relevant Delay occurs, require the Franchisee to make the Cascaded Rolling Stock available for use by the Prior Train Operator during such period as the Secretary of State may require.

For the purpose of this paragraph 2.5, paragraph 2.6 and paragraph 2.7:

"Cascaded Rolling Stock" means rolling stock proposed to be used by the Franchisee in the provision of the Passenger Services the availability of which is, in the opinion of the Secretary of State, directly or indirectly dependent upon the successful introduction into service of any Relevant Rolling Stock by any other Train Operator;

"Prior Train Operator" means the Train Operator which used or is using the Cascaded Rolling Stock immediately prior to its proposed use by the Franchisee;

"Relevant Delay" means any delay to the successful introduction into service of any Relevant Rolling Stock; and

"Relevant Rolling Stock" means rolling stock to be acquired by another Train Operator which, when acquired, will initiate the "cascade" of rolling stock that directly or indirectly makes the Cascaded Rolling Stock available for use by the Franchisee.

2.6

- (a) Where the Secretary of State exercises his right pursuant to paragraph 2.5(b) to make Cascaded Rolling Stock available for use by the Prior Train Operator during a specified period there shall be a Change and where this is a Qualifying Change, it shall be assumed that the period that the Prior Train Operator retains any Cascaded Rolling Stock shall not exceed ninety days and the only Revised Inputs shall be in relation to the difference between each of the rolling stock lease costs and variable track usage charge for the Cascaded Rolling Stock and the rolling stock lease costs and variable track usage charge applicable in relation to whatever rolling stock is to be used by the Franchisee in place of the Cascaded Rolling Stock.
- (b) Where there is a Change pursuant to paragraph 2.6(a) and the period that the Prior Train Operator retains any Cascaded Rolling Stock is more than ninety days there shall be a further Change. Where such Change is a Qualifying Change the modifications to the methodology for calculating Revised Inputs provided for in paragraph 2.6(a) shall not apply.
- (c) Where there is a Change pursuant to paragraphs 2.6(a) or 2.6(b) and any such Change is a Qualifying Change there shall be a further Change (which shall be a Qualifying Change irrespective of whether such Change meets the requirements of the definition of Qualifying Change) on the date that the last Cascaded Rolling Stock ceases to be retained by the Prior Train Operator.

2.7

- (a) Where the Secretary of State exercises his right pursuant to paragraph 2.5(b) to require the Franchisee to make the Cascaded Rolling Stock available for use by the Prior Train Operator during a specified period, the Franchisee shall not be liable for any failure to comply with its obligations under the Franchise Agreement to the extent that:
 - (i) such failure to comply arises directly as a result of the Franchisee being unable to use the Cascaded Rolling Stock; and
 - (ii) the Franchisee uses all reasonable endeavours to comply with the relevant obligations notwithstanding the unavailability of the Cascaded Rolling Stock.
- (b) The Franchisee shall notify the Secretary of State as soon as reasonably practicable if it becomes aware of any material risk that a Relevant Delay will occur. If a Relevant Delay does occur the Franchisee shall use all reasonable endeavours to mitigate the impact on the delivery of the Franchise Services of the unavailability of the Cascaded Rolling Stock at the expected time including by identifying and proposing value for money alternative sources of replacement rolling stock.
- (c) If a Relevant Delay has occurred or the Secretary of State believes that there is a material risk that a Relevant Delay will occur he may serve a notice on the Franchisee requiring it to produce a plan to a reasonable specification provided with the notice to remedy or mitigate the impact of the delayed availability of the Cascaded Rolling Stock ("**Delayed Cascade Mitigation Plan**"). Such specification may include measures to be implemented by the Franchisee to mitigate the direct or indirect impact of the Relevant Delay on the Prior Train Operator or any other affected Train Operator. The Delayed Cascade Mitigation Plan shall provide a comprehensive analysis backed by relevant data and assumptions of:
 - (i) all cost and revenue and other financial implications of options contained within it including the potential implications for Franchise Payments;
 - (ii) the implications (if any) for Benchmarks; and
 - (iii) the likely impact of options within it for existing and future passenger journeys and journey opportunities.

The Franchisee shall meet with the Secretary of State to discuss the Delayed Cascade Mitigation Plan and provide such further information or analysis and further iterations of the Delayed Cascade Mitigation Plan as the Secretary of State shall reasonably require.

3. **Assignment of Property Leases during the Franchise Term**

- 3.1 The Franchisee shall (other than on termination of the Franchise Agreement, for which the provisions of paragraph 4.5 of Schedule 15.4 (Provisions Applying on and after Termination) shall apply) following receipt of a notice purporting to terminate a Property Lease or on becoming aware of any proceedings or any other steps having or purporting to have similar effect, if requested by the Secretary of State, assign its interest under all or any Property Leases to the Secretary of State or as he may direct, subject where applicable to the agreement of any other party to such Property Lease or the ORR.
- 3.2 Such assignment shall be on such terms as the Secretary of State may reasonably require, including:
 - (a) that the Franchisee shall not be released from any accrued but unperformed obligation, the consequences of any antecedent breach of a covenant or obligation in the Property Leases or any liability in respect of any act or omission

under or in relation to the Property Lease prior to, or as at the date of, any such assignment (except to the extent that the Secretary of State or his nominee agrees to assume responsibility for such unperformed obligation, such liability or the consequences of such breach in connection with the relevant assignment); and

- (b) that neither the Secretary of State nor his nominee shall be obliged, in connection with such assignment, to agree to assume responsibility for any unperformed obligation, liability or consequences of a breach referred to in paragraph 3.2(a), and the Franchisee shall indemnify the Secretary of State or his nominee, as the case may be, on an after-tax basis against any costs, losses, liabilities or expenses suffered or incurred in relation thereto.

3.3 The Franchisee shall, on the occurrence of any of the circumstances specified in paragraph 3.1 in relation to any other Train Operator who is a party to a Property Lease to which the Franchisee is also party, agree to the assignment of such Train Operator's interest under the relevant Property Lease to the Secretary of State or as he may direct, subject, where applicable, to the consent of Network Rail. The provisions of paragraph 3.2 shall apply to any such assignment.

3.4 The Franchisee shall notify the Secretary of State on becoming aware of any circumstances which might lead to the Secretary of State being able to require the Franchisee to assign its interest or agree to the assignment of another Train Operator's interest under this paragraph 3.

4. **Station and Depot Leases**

4.1 The Franchisee shall at all times enforce its rights under each Station Lease and Depot Lease.

4.2 The Franchisee shall not:

- (a) terminate or agree to terminate in whole or in part, or take or omit to take any other action which might result in the termination of any Station Lease or Depot Lease;
- (b) assign all or part of its interest under any Station Lease or Depot Lease; or
- (c) sublet the whole or substantially the whole of the property comprised in any Station Lease or Depot Lease,

except to the extent that the Secretary of State may otherwise agree from time to time (such agreement not to be unreasonably withheld if the Franchisee has made arrangements, reasonably satisfactory to the Secretary of State, for the continued operation of such Station or Depot (as the case may be) for the remainder of the Franchise Term or if consent to the Closure of the relevant Station or Depot has been granted).

5. **Station Subleases**

5.1 Unless the Secretary of State agrees otherwise, the Franchisee shall not sublet to any of its Affiliates any part of the property comprised in any Property Lease except on terms that any such subletting:

- (a) (other than any subletting to an Affiliate which is a Train Operator) is terminable without compensation immediately upon the termination of the Franchise Agreement; and
- (b) is excluded from the provisions of Part II of the Landlord and Tenant Act 1954 and the Tenancy of Shops (Scotland) Act 1949.

5.2 If so requested by the Secretary of State, the Franchisee shall:

- (a) extend each Station Sublease on the same terms for such period as the Secretary of State may request (including a period equivalent to the franchise term of the Train Operator who is the lessee under such Station Sublease); and
- (b) if such Station Sublease terminates (which for the purposes of this paragraph 5.2(b) shall include the termination, at or around the time of termination of the Previous Franchise Agreement, of a station sublease in respect of which the Franchisee was the lessor), grant a new Station Sublease on the same terms to such Train Operator and for such period as the Secretary of State may request (including a period equivalent to the franchise term of the Train Operator who is the lessee under such Station Sublease),

subject, where required, to the consent of Network Rail (and, if required, the relevant sub-lessee) and to the duration of the relevant Station Lease.

- 5.3 The Franchisee shall notify the Secretary of State immediately on it becoming aware of any event which might give the Franchisee a right to forfeit or terminate any Station Sublease. The Franchisee shall notify the Secretary of State if it wishes to forfeit or terminate any such Station Sublease but shall not (without the Secretary of State's prior written consent) effect such forfeiture or termination until the date which occurs three months after the date of such notice.

SCHEDULE 2.3

1. Subcontracting any Passenger Services

- 1.1 Subject to paragraph 1.2, the Franchisee may not subcontract or delegate the provision of the Passenger Services without the prior written consent of the Secretary of State.

 - (b) the Franchisee continues to be party to all Access Agreements and Property Leases necessary to provide such Passenger Services and to enjoy all relevant access and operational rights thereunder;
 - (c) the Franchisee continues to specify and control the terms and conditions (subject to the requirements of the Inter-Operator Schemes) on which such Passenger Services are to be provided, including the determination of the Price or Child Price (as the case may be) of any Fares;
 - (d) the Train Mileage of the Passenger Services so delegated or subcontracted does not exceed 5 per cent. of the aggregate scheduled Train Mileage of the Franchisee in any Reporting Period; and

- 1.3 Any such subcontracting or delegation shall not relieve the Franchisee from any of its obligations under the Franchise Agreement, including its obligations under this paragraph 1 and Schedule 14 (Preservation of Assets).

2. Other Franchisees

- 2.1 If the franchise agreement of another franchisee terminates or a railway administration order is made in respect of another franchisee, the Franchisee shall co-operate with any reasonable request of the Secretary of State to ensure:
 - (a) that the services provided or operated by such other franchisee may continue to be provided or operated by any successor Train Operator or the railway administrator; and
 - (b) that the benefit of any arrangements between the Franchisee and such other franchisee which were designated as a key contract under such franchise agreement immediately prior to its termination or to a railway administration order being made will continue to be provided to any successor Train Operator or to the railway administrator.
- 2.2 The benefit of any arrangements of the type referred to in paragraph 2.1(b) shall be provided on substantially the same terms as previously obtained by the relevant franchisee, subject to paragraph 9 of Schedule 19 (Other Provisions) and paragraph 2.3, provided that the Secretary of State may exclude or modify any terms agreed or amended by such franchisee in the 12 months preceding the date on which such franchisee's franchise agreement was terminated or the date on which the relevant railway administration order was made which were, in the Secretary of State's reasonable opinion, to the material detriment of such franchisee's business. The benefit of such arrangements shall be provided for such period as the Secretary of State may reasonably require to allow the

relevant Train Operator or railway administrator to renegotiate such arrangements or make alternative arrangements.

- 2.3 The Franchisee shall notify the Secretary of State of its intention to terminate any contract with any other Train Operator which is designated as a "**Key Contract**" under that Train Operator's franchise agreement and shall give that Train Operator sufficient notice to enable it to make suitable alternative arrangements for its passengers without causing disruption to the railway passenger services provided by such Train Operator.
- 2.4 If the franchise agreement of another franchisee terminates in contemplation of the entry into or entry into effect of a new franchise agreement with the same franchisee in respect of all or a material part of the relevant railway passenger services, the Franchisee shall waive any event of default or other right it may have to terminate any agreement with such franchisee arising out of such termination, provided that the entry into or entry into effect of such new franchise agreement takes place.

any Station (or part of a Station) or any railway passenger service over a Route where such cessation or proposal might result in a Closure.

- 2.2 If any procedures are commenced under Part 4 of the Railways Act 2005 in relation to a Closure, the Franchisee shall, at its own cost and to the extent so requested by the Secretary of State, take such action as the Secretary of State may require in order to enable the Secretary of State to comply with any duty imposed on him under Part 4 of the Railways Act 2005 in relation to such Closure.

 - (ii) any other concessionary travel scheme which the Franchisee is required to participate in during the Franchise Term pursuant to paragraph 2.1(b); and
 - (b) subject to paragraph 2.3, if so requested by the Secretary of State, participate in and comply with its prospective obligations under:

 - (ii) such other concessionary travel schemes as any relevant Local Authority may require or request it to participate in.
 - 2.2 Subject to the terms of the relevant concessionary travel scheme, the Franchisee shall be entitled to cease to participate in any scheme referred to in paragraph 2.1(a) where, in the reasonable opinion of the Secretary of State:
 - (a) the Franchisee's continuing participation in such scheme; and/or
 - (b) the obligations assumed by the relevant Local Authority in connection therewith,

each pursuant to Part II of the Travel Concession Schemes Regulations 1986 (SI 1986/77) (the "**Regulations**"), would fail to leave the Franchisee financially no worse off (within the meaning of the Regulations) than it was immediately following the Start Date.
 - 2.3 The Secretary of State shall not require the Franchisee to participate in any scheme referred to in paragraph 2.1(b) where the Secretary of State is reasonably satisfied that:
 - (a) the reimbursement arrangements with respect to the Franchisee's participation in any such scheme; and/or
 - (b) the obligations to be assumed by such Local Authority in connection therewith,

each pursuant to the Regulations would fail to leave the Franchisee financially no worse off (within the meaning of the Regulations) as a result of such participation.
 - 2.4 The Secretary of State shall consult the Franchisee before making any request of the Franchisee to participate in any amended or new concessionary travel scheme pursuant to paragraph 2.1(b) and shall allow the Franchisee a reasonable opportunity to make representations to him with respect to any such participation.
 - 2.5 The Franchisee shall supply to the Secretary of State, in respect of any concessionary travel schemes referred to in paragraph 2.1, such information within such period as the Secretary

of State may reasonably require for the purposes of determining whether or not the Franchisee is or will be financially no worse off (within the meaning of the Regulations) as a consequence of its participation in any such scheme, and/or the obligations assumed by such Local Authority in connection therewith.

- 2.6 If the Secretary of State and the Franchisee are unable to agree whether the Franchisee will be financially no worse off (within the meaning of the Regulations), the Secretary of State and the Franchisee may resolve such dispute in accordance with the Dispute Resolution Rules.

3. **Multi-modal Fares Schemes**

- 3.1 The Franchisee shall:

- (a) subject to paragraph 3.2, participate in and comply with its obligations under:
 - (i) the multi-modal fares schemes set out in paragraph 3 of the Appendix to this Schedule 2.5; and

 - (ii) such other multi-modal fares schemes as any relevant Local Authority may require or request it to participate in.

- 3.2 Subject to the terms of the relevant multi-modal fares scheme, the Franchisee shall be entitled to cease to participate in any scheme referred to in paragraph 3.1(a) where, in the reasonable opinion of the Secretary of State:

- (a) the Franchisee's continuing participation in such scheme; and/or
 - (b) the obligations assumed by the relevant Local Authority in connection therewith,
- would fail, by way of distribution of income or otherwise, to render the Franchisee financially no worse off.

- 3.3 The Secretary of State shall not require the Franchisee to participate in any scheme referred to in paragraph 3.1(b) where the Secretary of State is reasonably satisfied that the Franchisee's participation in any such scheme and/or the obligations to be assumed by the relevant Local Authority in connection therewith, would fail, by way of distribution of income or otherwise, to render the Franchisee financially no worse off.

- 3.4 In determining whether the Franchisee shall, pursuant to paragraph 3.2, continue to participate or, pursuant to paragraph 3.3, participate in any multi-modal fares scheme, the Secretary of State shall construe the term "financially no worse off" to mean:

- (a) in respect of any multi-modal fares scheme set out in paragraph 3 of the Appendix to this Schedule 2.5, that the Franchisee incurs no greater financial loss than the financial loss (if any) incurred by the Franchisee at the Start Date under that scheme, as adjusted by reference to any change in the level of prices according to the Retail Prices Index since such date;

- (b) in respect of any multi-modal fares scheme which replaces and (in the Secretary of State's reasonable opinion) is reasonably similar to any such scheme as may be set out in paragraph 3 of the Appendix to this Schedule 2.5, that the Franchisee incurs no greater financial loss than the financial loss (if any) incurred by the Franchisee at the Start Date under the replaced scheme, as adjusted by reference to any change in the level of prices according to the Retail Prices Index since such date; and
 - (c) in respect of any multi-modal fares scheme which does not replace or which does replace but which is not (in the Secretary of State's reasonable opinion) reasonably similar to any such scheme or schemes as may be set out in paragraph 3 of the Appendix to this Schedule 2.5, such reimbursement arrangements as agreed by the relevant parties to such multi-modal fares schemes (or on failure to agree, as determined by the Secretary of State).
- 3.5 The Secretary of State shall consult the Franchisee before making any request of the Franchisee to participate in any amended or new multi-modal fares scheme pursuant to paragraph 3.1(b) and shall allow the Franchisee a reasonable opportunity to make representations to it with respect to any such participation.
- 3.6 The Franchisee shall supply to the Secretary of State, in respect of any multi-modal fares schemes referred to in paragraph 3.1 such information within such period as the Secretary of State may reasonably require for the purposes of determining whether or not the Franchisee is or will be financially no worse off as a consequence of its participation in any such scheme and/or the obligations to be assumed by the relevant Local Authority in connection therewith.
- 3.7 If the Secretary of State and the Franchisee are unable to agree whether the Franchisee will be financially no worse off, the Secretary of State and the Franchisee may resolve such dispute in accordance with the Dispute Resolution Rules.

- 4.1 If the Secretary of State:
 - (a) effects, or proposes to effect, an amendment to a Discount Fare Scheme;
 - (b) introduces any new Discount Fare Scheme; or
 - (c) ceases to approve a Discount Fare Scheme,
 for the purposes of Section 28 of the Act, such amendment, intended amendment, introduction or cessation of approval shall be a Change.
- 4.2 The Secretary of State shall provide a reasonable opportunity to the Franchisee to make representations to him before amending, introducing or ceasing to approve a Discount Fare Scheme pursuant to paragraph 4.1.
- 4.3 The Franchisee shall supply to the Secretary of State, in respect of any Discount Fare Scheme referred to in paragraph 4.1, such information within such period as the Secretary of State may reasonably require for the purposes of determining the financial effect of any such amendment, intended amendment, introduction or cessation of approval.
- 5. **Inter-Operator Schemes**
- 5.1 The Franchisee shall participate in and comply with its obligations under the terms of each of the Inter-Operator Schemes.
- 5.2 Without limiting paragraphs 5.1 and 5.3, the Franchisee agrees to be bound by Parts IV and V of Chapter 4 of the Ticketing and Settlement Agreement and shall not amend, or agree or propose to amend, the Ticketing and Settlement Agreement without the prior written consent of the Secretary of State.

- 5.3 The Franchisee shall not amend, or agree or propose to amend, any Inter-Operator Scheme other than in accordance with its terms.
- 5.4 The Franchisee shall:
- (a) provide reasonable notice to the Secretary of State of any proposal to amend any Inter-Operator Scheme which it intends to make or of which it receives notification and which, in its opinion, is reasonably likely materially to affect the provision of the Franchise Services; and
 - (b) have regard to the Secretary of State's views in respect of any such proposal.
- 5.5 If an amendment is effected or proposed to be effected to an Inter-Operator Scheme which requires the consent or approval of the Secretary of State in accordance with the terms thereof, such amendment shall be treated as a Change to the extent and only to the extent that the Franchisee makes a saving as a consequence of such amendment or proposed amendment.

SCHEDULE 4

Persons with Disabilities and Disability Discrimination

Schedule 4: Persons with Disabilities and Disability Discrimination
Appendix 1 to Schedule 4: Minor Works

Appendix 2 to Schedule 4: Alternative Transport

Persons with Disabilities and Disability Discrimination

1. Relationship with other obligations relating to persons with disabilities

1.1 The Franchisee acknowledges that its obligations in this Schedule 4 are in addition to and do not limit its obligations to comply with:

- (a) the EA and any regulations imposed by it;
- (b) any applicable condition(s) in any of its Licences (including in respect of persons with disabilities); and
- (c) any other of the requirements of the Franchise Agreement.

1.2 This Schedule 4 sets out:

- (a) specific arrangements which apply in respect of physical alterations to stations to facilitate accessibility and use by Disabled Persons; and
- (b) specific obligations of the Franchisee directed at meeting the needs of persons with disabilities.

2. Physical Alterations and Accessibility of Stations

2.1 In respect of physical alteration works at stations to facilitate accessibility and use by Disabled Persons, it is acknowledged by the Franchisee that:

- (a) there is limited funding available to the Secretary of State to assist franchisees and/or franchise operators with the carrying out of those works;
- (b) consequently, there is a need for such works to be carried out over a period of time to reflect the availability of funding, and for such works to be prioritised with regard to where there is the greatest need and/or where physical alterations can have the greatest effect; and
- (c) the Secretary of State's national programme of works of physical alterations at stations addresses these issues in a structured way.

2.2 The Franchisee shall:

- (a) co-operate reasonably with and assist the Secretary of State in the development and furtherance by the Secretary of State of the programme described in paragraph 2.1(c) by providing to the Secretary of State:
 - (i) information concerning the usage of Stations (including, where and to the extent reasonably practicable, usage of Stations by Disabled Persons); and
 - (ii) advice as to the most economic way in which accessibility for Disabled Persons could, in the Franchisee's reasonable opinion, be improved at Stations;
- (b) co-operate reasonably with other Train Operators and/or Network Rail to seek to ensure that, where it would be advantageous to do so, having regard to the needs of Disabled Persons, any planned work on the Stations to facilitate accessibility and use by Disabled Persons is, so far as reasonably practicable, co-ordinated with other work to be carried out at the Stations and/or other parts of the network; and

- (c) use all reasonable endeavours to secure sources of grant funding (other than from itself or an Affiliate) for improving accessibility for Disabled Persons at Stations (in addition to any funding secured through the Secretary of State pursuant to paragraph 2.5), including from Local Authorities, local development agencies and the Lottery Commission. The Franchisee shall notify the Secretary of State of:
 - (i) any such additional funding which it secures; and
 - (ii) the terms on which such additional funding has been granted.
- 2.3 In participating in any multi-modal fares scheme, the Franchisee shall use all reasonable endeavours to secure, through the planning and development of such scheme, improvements in disabled access to the entrances of any relevant station, including within and in the immediate proximity of such station.
- 2.4 If, during the Franchise Term:
 - (a) the Franchisee has complied with its obligations in Section 20(4) and Section 20(9), as varied by paragraph 2(3) of Schedule 2, of the EA (to take such steps as are reasonable to provide a reasonable alternative method of making services at a Station accessible to a Disabled Person to avoid a Disabled Person being placed at a substantial disadvantage by a physical feature at a Station) and its obligations in paragraph 2.7 concerning Minor Works; and
 - (b) notwithstanding such compliance, the Franchisee reasonably considers it is still required to carry out or procure physical works of alteration at a Station in order to comply with the EA Requirements in respect of that Station, and, in so carrying out or procuring, would incur expenditure which it would not otherwise have an obligation to incur,

the Franchisee may seek funding from the Secretary of State in respect of that expenditure.
- 2.5 If the Franchisee seeks funding from the Secretary of State under paragraph 2.4, and demonstrates to the Secretary of State's satisfaction that the criteria in paragraph 2.4 have been satisfied, then the Secretary of State may agree to adjust the amount of Franchise Payments in respect of some or all of the works and/or expenditure. In considering his response to any such request, the Secretary of State will have regard to the availability of funding and the priorities set out in the national programme described in paragraph 2.1(c), together with any other available sources of funding described in paragraph 2.2(c). If and to the extent the Secretary of State agrees to adjust Franchise Payments in accordance with this paragraph 2.5 in any Franchisee Year:
 - (a) the Secretary of State shall make such adjustment to the Franchise Payments; and
 - (b) the Franchisee shall spend such additional funds:
 - (i) in order to comply with the EA Requirements referred to in paragraph 2.4(b); and
 - (ii) in accordance with any conditions the Secretary of State may notify the Franchisee of.
- 2.6 If and to the extent the Franchisee is required to pay any increased access charges as a result of additional expenditure required to be incurred by another station Facility Owner for the purpose of complying with the EA Requirements in respect of a Franchisee Access Station, provided that the Franchisee:

- (a) notifies the Secretary of State within seven days of becoming aware of any proposal for the increase in such charges (or the works to which they relate); and
- (b) complies with the Secretary of State's reasonable directions regarding the exercise of any rights the Franchisee may have in respect thereof,

the imposition of the increased access charges shall be a Change.

2.7 The Franchisee shall:

- (a) establish and manage the Minor Works' Budget to fund the carrying out of Minor Works. For the purposes of this paragraph 2.7, Minor Works means small scale physical alterations or additions to improve accessibility of Stations to Disabled Persons, not involving substantial works of construction or reconstruction. The Minor Works:
 - (i) may, but shall not necessarily include, the Minor Works described in Appendix 1 (Minor Works) of this Schedule 4;
 - (ii) shall not include any works which Network Rail, the Franchisee or any other person has a separate obligation to carry out, except where:
 - (A) such obligation is an obligation of the Franchisee under the EA; or
 - (B) the inclusion of such works would lead to the acceleration of the timescale for their completion and the Secretary of State gives his consent pursuant to paragraph 2.7(a)(iii);
 - (iii) shall only include works other than those permitted by paragraphs 2.7(a)(i) and 2.7(a)(ii) with the prior consent of the Secretary of State; and
 - (iv) must comply with the standards provided for in the Code of Practice, unless otherwise agreed with the prior consent of the Secretary of State;
- (b) as soon as reasonably practicable (and in any event within four months) after the Start Date and thereafter before the start of each Franchisee Year:
 - (i) develop a Minor Works' Programme and consult with the Disabled Persons Transport Advisory Committee and relevant Passengers' Council in relation thereto;
 - (ii) in conjunction with its activities in paragraph 2.7(b)(i), and, consistent with its obligations under paragraph 2.2(b), liaise with Network Rail and other Train Operators as necessary with regard to the determination and implementation of each Minor Works' Programme; and
 - (iii) following the consultation and liaison described in paragraphs 2.7(b)(i) and 2.7(b)(ii), obtain the Secretary of State's prior approval (such approval not to be unreasonably withheld) of each Minor Works' Programme;
- (c) carry out or procure the carrying out of the Minor Works' Programme in each Franchisee Year and in doing so, spend at least the amount of the

Minor Works' Budget for the relevant Franchisee Year in such Franchisee Year (unless otherwise agreed by the Secretary of State);

- (d) report progress to the Secretary of State in determining and carrying out the Minor Works' Programme no less than once every three Reporting Periods; and
- (e) co-operate, as the Secretary of State may reasonably require, with Network Rail or any other person seeking to carry out or procure Minor Works at the Stations or any other stations.

3. Dealing with Claims Relating to Stations

3.1 If the Franchisee receives notification of a claim under the EA in respect of any alleged non-compliance with the EA Requirements or otherwise in respect of any Station (an "**EA Claim**") then the Franchisee shall:

- (a) notify the Secretary of State within seven days of receiving notification of the EA Claim. The Franchisee shall at the same time notify the Secretary of State of any reasonable alternative methods of making services at the Station accessible to Disabled Persons that it has considered and/or put in place pursuant to Section 20(4) and Section 20(9), as varied by paragraph 2(3) of Schedule 2, of the EA;
- (b) if required by the Secretary of State, defend the EA Claim or any aspect of the EA Claim (which may include appealing the judgment). The Secretary of State will, subject to paragraph 3.4, pay the Franchisee's reasonable costs of:
 - (i) any defence or appeal required by the Secretary of State; and/or
 - (ii) compliance with the Secretary of State's instructions in accordance with paragraph 3.1(c); and
- (c) act in accordance with the reasonable instructions of the Secretary of State to defend the EA Claim (or any aspect of it) as required under paragraph 3.1(b) and shall not (without the prior consent of the Secretary of State) settle or enter into any compromise in relation to the EA Claim (or the relevant aspect of it), including by entering into mediation.

3.2 If, in the reasonable opinion of the Franchisee, it will be more cost effective to settle the EA Claim rather than act in accordance with the Secretary of State's requirement under paragraph 3.1, it shall produce for the Secretary of State's approval a settlement proposal, setting out the terms of the Franchisee's proposals to make an offer to the Disabled Person making the EA Claim and its reasons for making such offer (the "**Settlement Proposal**").

3.3 If the Secretary of State does not accept the Settlement Proposal and still requires the Franchisee to defend the EA Claim (or any aspect of it) then the Franchisee shall defend the EA Claim in accordance with paragraph 3.1.

3.4 If the Franchisee is required to defend an EA Claim where it has submitted a Settlement Proposal to the Secretary of State and an award is made in respect of the EA Claim in favour of the person bringing it which is higher than the figure set out in the Settlement Proposal, then, subject to paragraph 3.5, the Secretary of State shall pay to the Franchisee:

- (a) the difference between such an award and the figure set out in the Settlement Proposal; and

- (b) the further reasonable costs incurred or payable by the Franchisee in defending the EA Claim, to the extent that such costs have not already been paid by the Secretary of State under paragraph 3.1(b).

3.5 The Secretary of State shall not have any obligation to make the payments described in paragraphs 3.1(b) or 3.4 where it is determined or, if no declaration or determination by the court on this point has been sought or made, the Secretary of State, in his reasonable opinion, considers that the Franchisee has not taken such steps as it is reasonable, in all the circumstances of the case, for it to take to provide a reasonable alternative method of making services at the Station accessible to Disabled Persons.

4. **Specific additional obligations relating to persons with disabilities**

4.1 Not used.

4.2 The Franchisee shall establish and implement procedures necessary to:

- (a) record the making of reservations for seating accommodation for and/or the provision of assistance to, persons with disabilities which are made through the Passenger Assistance (or whatever service may replace it from time to time for the purposes of ORR's most recent guidance on Disabled People's Protection Policies);
- (b) record whether such seating accommodation and/or assistance is actually provided; and
- (c) provide such records to the Secretary of State on his request.

4.2A Any helpline established by the Franchisee for the purposes of making reservations for seating accommodation for and/or the provision of assistance to, persons with disabilities shall be provided free of charge.

- (a) has been established before the date of the Franchise Agreement; and
- (b) has not been revised and approved by the ORR to take into account the ORR's most recent published guidance on Disabled People's Protection Policies as at the date of the Franchise Agreement,

the Franchisee shall within six months of the date of the Franchise Agreement revise its Disabled People's Protection Policy such that it complies with that guidance, and obtain the ORR's approval of the revised version.

The above prices are subject to indexation in accordance with the terms of the New EMU Vehicle Rolling Stock Manufacture and Supply Agreement (on a basis consistent with the indexation formula provided in the manufacturer's offer to the Franchisee provided to the Secretary of State prior to the signing of the Franchise Agreement) and assume that the value of one Euro is £0.70175 with the price to be adjusted by reference to the actual exchange rate at the time that the option is exercised (but not otherwise). The above prices exclude costs of any bond provision by the manufacturer which may be required in connection with the Option EMUs; the option does not extend to maintenance, spares or special tools; the option prices are subject to change if there is any alteration in specification or requirement from the specification or requirement for the base New EMUs as at the date of the Franchise Agreement.

- (d) Where the Secretary of State is considering exercising his rights pursuant to sub paragraph (c) above he shall serve notice on the Franchisee notifying it of the intended use for the Option EMUs and requiring it to obtain a New EMU Option Vehicle Rolling Stock Leasing Proposal from the rolling stock financier which is party to the New EMU Rolling Stock Manufacture and Supply Agreement for the leasing of relevant Option EMUs and use all reasonable endeavours to obtain such New EMU Option Vehicle Rolling Stock Leasing Proposal by no later than the date four months after the service of a notice pursuant to this paragraph.
- (e) Where the Secretary of State requires that an option is called in relation to Option EMUs the Secretary of State shall have the right to require the Franchisee to conduct a competitive procurement process for the funding and leasing of such Option EMUs on such terms as the Secretary of State shall reasonably specify. The Secretary of State shall have the right to require the Franchisee to act as he shall reasonably direct with regard to such competitive procurement process and its completion.
- (f) The Franchisee shall provide such further or additional information as the Secretary of State may reasonably require for the purposes of considering the New EMU Option Vehicle Rolling Stock Leasing Proposal and any proposals secured under paragraph 35.2(e) and shall meet with the Secretary of State for discussion purposes as he shall reasonably require.

within twelve months of the date of submission of the New EMU Option Vehicle Rolling Stock Leasing Proposal (or proposal under paragraph 35.2(e)) (or such other date as the Secretary of State and the Franchisee may agree) the Secretary of State in his unfettered discretion decides to instruct the Franchisee to proceed to exercise an option and in consequence lease relevant Option EMUs:

- (i) there shall be a Change if the Franchisee enters into a lease for the relevant Option EMUs in response to such instruction;
 - (ii) the Franchisee shall take such other steps and enter into such new and amended agreements (including in relation to maintenance) as are reasonably required to enable the Franchisee to take the relevant Option EMUs on lease and use all reasonable endeavours to ensure that the relevant counterparties do likewise;
 - (iii) Schedule 1.7 (The Train Fleet) of the Franchise Agreement shall be updated to reflect the changes to the Train Fleet consequent on the leasing by the Franchisee of relevant Option EMUs; and
 - (iv) the Secretary of State shall be entitled to make reasonable variations to this Franchise Agreement for the purposes of imposing new committed obligations and other provisions consistent with the Franchisee's role in ensuring delivery of relevant Option EMUs.
- (h) If the Secretary of State wishes to direct the Franchisee to exercise the options referred to in paragraph 35.2(a) in circumstances where the Option EMUs would not be available to be leased until after the end of the Franchise Term the Secretary of State and the Franchisee shall act reasonably and in good faith with the intent of bringing this about, including recognising that the options described above assume delivery in 2022 and on the basis that all rights and liabilities arising after the end of the Franchise Term shall be transferred to the Successor Operator.

The Franchisee shall use all reasonable endeavours to minimise increased costs incurred and revenue foregone as a result of the delay to the new rolling stock and, if the Secretary of State reasonably determines it has not done so, the Secretary of State shall be entitled to substitute a lower cost and / or a higher revenue based on his reasonable determination of what the cost incurred and / or revenue foregone by the Franchisee should have been if it had exercised all reasonable endeavours.

- 37.2 If it is agreed or reasonably determined that the net financial effect of the delay to any new rolling stock is a positive one for the Franchisee, so that it is financially better off than it would have been had such delay not occurred, then an amount shall be payable by the Franchisee to the Secretary of State of the amount required to pass such financial benefit of the delay to the Secretary of State (a "**Delayed Rolling Stock Franchise Payment Adjustment**"). The first such amount shall be payable on the first Payment Date falling no less than 7 days after such determination. PART 2 TO SCHEDULE 6.1

Miscellaneous Provisions

1. Application

This Part 2 of this Schedule 6.1 (Committed Obligations and Related Provisions) sets out further terms which apply to the Committed Obligations set out in Part 1 (List of Committed Obligations) to this Schedule 6.1 and the references to Committed Obligations in this Part 2 of this Schedule 6.1 are only to the Committed Obligations in Part 1 (List of Committed Obligations) of this Schedule 6.1.

2. Continuation of Availability

- 2.1 The Franchisee shall maintain facilities or activities or other matters established in accordance with its Committed Obligations throughout the remainder of the Franchise Term, regardless of whether or not such Committed Obligation specifically provides for the Franchisee to maintain throughout the Franchise Term the facilities, activities or other matters established in accordance with such Committed Obligation, unless such Committed Obligation expressly provides for the cessation of such maintenance at an earlier date.
- 2.2 The Franchisee shall be treated as maintaining the relevant facilities, activities or other matters which are the subject of the Committed Obligations notwithstanding temporary non-availability due to accidental damage or vandalism or maintenance, repair or replacement activities, or temporary staff absence, subject in each case to the Franchisee taking all reasonable steps to keep any such period of temporary non-availability to a minimum.
- 2.3 Where Part 1 (List of Committed Obligations) to this Schedule 6.1 (Committed Obligations and Related Provisions) includes a commitment regarding staffing or particular appointments the Franchisee plans to make:
 - (a) the obligation of the Franchisee shall not be regarded as being contravened by:
 - (i) temporary absences (for example for sickness or holiday); or
 - (ii) temporary non-fulfilment of a relevant post whilst the Franchisee is recruiting for that post, subject to the Franchisee using all reasonable endeavours to keep the duration between appointments as short as reasonably practicable; and
 - (b) the Franchisee's rights and obligations in relation to the numbers or deployment of its other staff remain unaffected.

3. Expenditure Commitments

Annual Expenditure

- 3.1 Where Part 1 (List of Committed Obligations) to this Schedule 6.1 (Committed Obligations and Related Provisions) provides for the expenditure of an annual amount (or an amount over some other period) by the Franchisee, that amount:
 - (a) is assessed net of Value Added Tax; and
 - (b) is the amount required to be expended by the Franchisee itself or procured by the Franchisee to be expended.

Expenditure Commitments in real amounts

- 3.2 All expenditure commitments set out in Part 1 (List of Committed Obligations) to this Schedule 6.1 (Committed Obligations and Related Provisions), to the extent they have not already been incurred by the Franchisee, shall be indexed by the Retail Prices Index (in the same way as variable costs are indexed in Schedule 8.2 (Annual Franchise Payments)).

Expenditure by Network Rail

- 3.3 All amounts which the Franchisee has committed (whether unconditionally or otherwise) pursuant to Part 1 (List of Committed Obligations) to this Schedule 6.1 (Committed Obligations and Related Provisions) to expend in connection with improvements to track or Stations shall be in addition to any expenditure made by Network Rail as part of its infrastructure improvements or maintenance programme to the extent such expenditure is not directly funded or reimbursed by the Franchisee.

Underspend

- 3.4 Where in relation to any Committed Obligation that is expressed in terms of a requirement to spend not less than a specified sum in fulfilling its stated objective, the Franchisee is able to achieve that stated objective without incurring the full amount referred to in that Committed Obligation, whether because of cost savings or otherwise, the Franchisee shall notify the Secretary of State, together with a statement of the costs it has incurred (excluding any third party funding) in delivering the relevant obligations and a reconciliation against the amount it had committed to spend (excluding any third party funding) ("**Underspend**").
- 3.5 The Parties shall, acting reasonably, seek to agree an alternative scheme or schemes which would give rise to benefits to passengers using the Passenger Services to be funded using the Underspend and, once agreed, the Franchisee shall apply such Underspend in the delivery of the agreed scheme(s). In circumstances only where, despite having used reasonable endeavours the Parties fail to agree an alternative scheme in relation to which the Underspend will be applied, such Underspend shall be repaid to the Secretary of State as soon as reasonably practicable.

4. Liaison and Co-Operation

Where the Franchisee is committed to liaison and co-operation under Part 1 (List of Committed Obligations) to this Schedule 6.1 (Committed Obligations and Related Provisions), it shall participate actively in the relevant measures including through the application of management time and internal resources, correspondence and attendance at meetings, in each case as the Franchisee reasonably considers in all the circumstances to be an appropriate use of its resources and effective to help achieve the relevant objective.

5. Nature of Commitment

- 5.1 Any commitment in terms of Part 1 (List of Committed Obligations) to this Schedule 6.1 (Committed Obligations and Related Provisions) shall be in addition to any obligation of the Franchisee elsewhere in this Agreement and nothing in this Schedule 6.1 shall limit or restrict an obligation imposed on the Franchisee elsewhere in this Agreement.
- 5.2 Save as expressly provided in Part 1 (List of Committed Obligations) to this Schedule 6.1 (Committed Obligations and Related Provisions), each Committed Obligation is a separate obligation from any other Committed Obligation and satisfaction of or steps taken towards the satisfaction of one Committed Obligation will not amount to or contribute towards satisfaction of any other Committed Obligation.
- 5.3 Where in Part 1 (List of Committed Obligations) to this Schedule 6.1 (Committed Obligations and Related Provisions), references are made to particular manufacturers or suppliers of equipment or services, the Franchisee may fulfil its relevant commitment by using reasonable equivalents.

- 5.4 Each commitment under this Schedule 6.1 (Committed Obligations and Related Provisions) shall come to an end on expiry of the Franchise Term for whatever reason.

6. **Review of Compliance**

- 6.1 Progress with Committed Obligations shall be considered and discussed at Franchise Performance Meetings and the Franchisee shall ensure that progress with regard to Committed Obligations is included in Periodic Update Reports provided in accordance with paragraph 4A of Schedule 11 (Agreement Management Provisions).
- 6.2 In addition to its obligation under paragraph 6.1, the Franchisee shall from time to time promptly provide such evidence of its compliance with any Committed Obligation as the Secretary of State may reasonably request.

7. **Late Completion or Non-Delivery of Committed Obligations**

If the Franchisee fails to deliver in full a Committed Obligation in accordance with and by the timeframe specified for its delivery in Part 1 (List of Committed Obligations) to this Schedule 6.1 (Committed Obligations and Related Provisions), such late, partial or non-delivery shall constitute a contravention of the Franchise Agreement.

8. **Specimen Schemes**

- 8.1 The Franchisee may propose to undertake an Alternative Scheme in place of a Specimen Scheme. Any such Alternative Scheme must:
- (a) be intended to deliver as a minimum the relevant Specimen Scheme Output;
 - (b) require the Franchisee to incur expenditure of no less than the expenditure which the Franchisee is committed to incur in relation to the relevant Specimen Scheme; and
 - (c) deliver at least an equivalent level of benefits (whether to passengers, the Secretary of State, the wider rail industry or otherwise) as the Specimen Scheme.
- 8.2 If the Franchisee wishes to propose an Alternative Scheme, the Franchisee will provide the Secretary of State with such details of the Alternative Scheme as the Secretary of State may reasonably require.
- 8.3 If the Secretary of State approves (such approval not to be unreasonably withheld or delayed) such Alternative Scheme then it shall replace the relevant Specimen Scheme and Part 1 of this Schedule 6.1 shall be amended accordingly.
- 8.4 For the avoidance of doubt, if the Franchisee does not propose or the Secretary of State does not approve an Alternative Scheme then the Franchisee shall remain obliged to deliver the relevant Specimen Scheme in accordance with Part 1 of this Schedule 6.1.

9. **Third Party Consents, Agreement and Conditions**

- 9.1 Where, in delivering a Committed Obligation, the Franchisee is required to obtain one or more consents or satisfy one or more conditions, the Franchisee shall use all reasonable endeavours to obtain such consents and/or satisfy such conditions within such timescales as would enable the Franchisee to deliver such Committed Obligation by the delivery date specified in respect of such Committed Obligation. If the Franchisee is unable to satisfy the relevant condition and/or obtain the relevant consent or the proposed terms upon which the relevant consent would be granted would, in the reasonable opinion of the Franchisee, be likely to prejudice the financial and/or commercial viability of delivering the Committed Obligation, the Franchisee may apply to the Secretary of State for the approval referred to in paragraph 9.2. For the purposes of this paragraph 9, the expression "**consent**" shall mean those approvals, authorisations, consents, derogations, exemptions, licences, permissions, and registrations which are required by Law or any contract to which the

Franchisee is a party, to be obtained by the Franchisee in connection with the delivery of a Committed Obligation.

- 9.2 The Secretary of State's approval for the purposes of this paragraph 9 is his approval for the Franchisee to modify the relevant Committed Obligation so as to deliver a scheme which would give rise to benefits to passengers using the Passenger Services similar to (but not necessarily the same as) those benefits which would have arisen if the Franchisee delivered the relevant Committed Obligation. The modifications to the relevant Committed Obligation shall be agreed between the Franchisee and the Secretary of State or failing such agreement shall be reasonably determined by the Secretary of State. The approval of the Secretary of State may not be unreasonably withheld.

- 9.3 If the Secretary of State gives his approval pursuant to this paragraph 9 in respect of a Committed Obligation, then to the extent that the Franchisee delivers the modified Committed Obligation by the date agreed between the Franchisee and the Secretary of State, or failing such agreement by the date reasonably determined by the Secretary of State, the Franchisee shall not be in breach of the Franchise Agreement.

10. **Reasonable Endeavours**

Where in respect of any Committed Obligation the Franchisee is obliged to use all reasonable endeavours or reasonable endeavours to do or procure that something is done by a specified date then, without prejudice to any other rights the Secretary of State may have (whether under the Franchise Agreement or otherwise) in respect of any contravention arising if the same is not achieved by such specified date the Franchisee shall consult with the Secretary of State and if required by the Secretary of State shall continue to use all reasonable endeavours or reasonable endeavours (as applicable) to do or procure that the relevant thing is done as soon as reasonably practicable thereafter.

11. **Designation of Primary Franchise Assets**

- 11.1 Save in respect of the property and rights comprised in Committed Obligations which are designated as RV Assets pursuant to Schedule 14.4, the Secretary of State may at any time and from time to time during the Franchise Period by serving notice on the Franchisee, designate as a Primary Franchise Asset some or all of the property and rights of the Franchisee comprised in any Franchise Asset introduced by a Committed Obligation (the "Designated CO Primary Franchise Assets") save that the Secretary of State acknowledges that he shall not be entitled to designate any RV Asset as a Designated CO Primary Franchise Asset. Such designation shall take effect from the date of delivery of such notice.

- 11.2 The transfer value in relation to any Designated CO Primary Franchise Asset, which at the end of the Franchise Periods is:

- (a) not de-designated as a Primary Franchise Asset pursuant to paragraph 10 of Schedule 14.4 (Designation of Primary Franchise Assets); and
- (b) transferred to a Successor Operated (whether pursuant to the Transfer Scheme or otherwise),

shall (unless otherwise agreed by the Secretary of State) be nil.

Train Fleet and the other relevant third parties to resolve any compatibility issues that may arise between the train borne equipment and the trackside equipment.

- (b) If at any time the Secretary of State (acting reasonably) is satisfied that the Franchisee has not complied or is not likely to comply with its obligations in this paragraph 3.1 he may at his discretion, and entirely without prejudice to his other rights consequent upon the relevant contravention, serve a Remedial Plan Notice pursuant to paragraph 1.1 of Schedule 10.1 (Remedial Plans and Remedial Agreements).

- (i) the following stations:

- (C) Birchwood;
- (D) Burneside;
- (E) Carnforth;
- (F) Kendal;

- (K) Windermere; and

- (ii) the following depots:

- (A) Barrow-in-Furness; and

- 14.2 It is further acknowledged that the Train Service Requirement which takes effect from the date that the Train Service Requirement in agreed terms "**TSR1**" is replaced by the Train

Accordingly the Franchisee shall co-operate in good faith with the Northern Franchisee to agree and finalise the Negotiated Provisions so that the Train Crew Trading Services Agreement is executed and comes into effect by no later than the Start Date. If:

(i) the Franchisee and the Northern Franchisee fail to agree any of the Negotiated Provisions by the date that is 10 days prior to the Start Date; or

(ii) the Secretary of State reasonably considers that the Franchisee and the Northern Franchisee are not likely to agree any of the Negotiated Provisions with the effect that they are unlikely to enter into the Train Crew Trading Services Agreement by the date that is 10 days prior to the Start Date,

then the Secretary of State may reasonably determine such Negotiated Provisions. If there is any dispute between the Franchisee and the Northern Franchisee in relation to any Negotiated Provision then such matter may be

referred to the Secretary of State for resolution. The Franchisee agrees that the decision of the Secretary of State in relation to any such matter shall be conclusive and binding.

The Franchisee shall co-operate in good faith with the Northern Franchisee to agree the terms of the TPE/Northern Rolling Stock Hire Agreement such that the TPE/Northern Rolling Stock Hire Agreement is executed and comes into effect by no later than the Start Date. If:

- (i) the Franchisee and the Northern Franchisee fail to agree the terms of the TPE/Northern Rolling Stock Hire Agreement by the date that is 10 days prior to the Start Date; or
- (ii) the Secretary of State reasonably considers that the Franchisee and the Northern Franchisee are not likely to agree and enter into the TPE/Northern Rolling Stock Hire Agreement by the date that is 10 days prior to the Start Date,

then the Secretary of State may require the Franchisee and the Northern Franchisee to enter into a TPE/Northern Rolling Stock Hire Agreement on such terms as he may reasonably determine and which are consistent with the principles set out in paragraph 14.6(b). If there is any dispute between the Franchisee and the Northern Franchisee in relation to the terms of the TPE/Northern Rolling Stock Hire Agreement then such matter may be referred to the Secretary of State for resolution. The Franchisee agrees that the decision of the Secretary of State in relation to any such matter shall be conclusive and binding.

- (b) The TPE/Northern Rolling Stock Hire Agreement shall be on terms to be agreed by the Franchisee and the Northern Franchisee but must reflect the following principles:
 - (i) the scheduled expiry date shall be no earlier than the Passenger Change Date occurring on or about December 2017;

 - (A) make available to the Northern Franchisee in accordance with its Plan of the Day such rolling stock vehicles as will enable the Northern Franchisee to

- operate its Remapped Diagram on each relevant day;
and
- (B) unless otherwise agreed by the Northern Franchisee, prioritise the Remapped Diagram in the event of a shortfall of rolling stock vehicles;
- (iii) the hire charge payable by the Northern Franchisee to the Franchisee for the hire of the rolling stock vehicles shall be agreed by the parties on a reasonable basis and in any event shall be consistent with the rent payable (per unit) by the Franchisee under the Rolling Stock Lease relating to the relevant rolling stock vehicles;
- (iv) maintenance of the relevant rolling stock vehicles will be carried out by the Franchisee and the Northern Franchisee shall pay a reasonable contribution to the maintenance costs of such rolling stock vehicles to reflect the period of time in respect of which such rolling stock vehicles are in operation for the purposes of fulfilling the Remapped Diagram;
- (v) there shall be a reasonable liquidated damages regime consistent with reasonable market practice in comparable circumstances;
- (vi) the terms of the TPE/Northern Rolling Stock Hire Agreement shall be consistent with the terms of the Rolling Stock Lease entered into by the Franchisee for the relevant rolling stock vehicles; and
- (vii) the Franchisee and the Northern Franchisee shall each bear their own costs and expenses incurred in connection with or arising out of the negotiation, preparation and execution of the TPE/Northern Rolling Stock Hire Agreement (including any costs relating to the negotiation, preparation and execution of any of the amendments required to be made to the Rolling Stock Lease relating to the relevant rolling stock vehicles as a consequence of the entry into of the TPE/Northern Rolling Stock Hire Agreement).
- (c) From the date upon which the TPE/Northern Rolling Stock Hire Agreement comes into full force and effect the Franchisee shall, at the request of the Secretary of State, enter into a replacement TPE/Northern Rolling Stock Hire Agreement on materially the same commercial terms with, as the case may be, a successor operator who becomes the franchisee of all or part of the services provided by the Northern Franchisee except to the extent that the Secretary of State otherwise directs.
- (d) ¹²⁸**For the purposes of this paragraph 14.6 "Remapped Diagram" means the rolling stock diagram relating only to the passenger services described in paragraph 14.1(a) to be operated by the Northern Franchisee from the Start Date.**
- (e) The Franchisee shall ensure that any Rolling Stock Lease relating to any of the rolling stock vehicles to be hired to the Northern Franchisee pursuant to the TPE/Northern Rolling Stock Hire Agreement are on terms which permit the hire of any such rolling stock vehicles to the Northern Franchisee in the manner contemplated under this paragraph 14.6 and without the need to obtain any further consent or approval of the lessor under such Rolling Stock Lease.

¹²⁸ Date of contract change - 31/03/2016 - Agreed by the Secretary of State and Franchisee

15. **The North Trans Pennine Upgrade Variation**

15.1 The Franchisee and the Secretary of State acknowledge that:

- (a) the timing of the North Trans Pennine Upgrade is not yet finally determined and may be completed in phases (with potentially a few years between the completion of each such phase);
- (b) that if a North Trans Pennine Upgrade is completed during the Franchise Term it is likely that the Secretary of State will wish to vary the Franchise Services to ensure that the North Trans Pennine Upgrade Infrastructure Outputs are appropriately utilised.

15.2 The Franchisee shall from the Start Date until the completion of a North Trans Pennine Upgrade engage constructively with Network Rail and all other relevant parties responsible for the delivery of it with the intention of assisting its timely, efficient and cost effective completion.

15.3 The Franchisee shall be delivery partner to the Secretary of State in relation to planning of a North Trans Pennine Upgrade and accordingly it shall use all reasonable endeavours to lead and co-ordinate train operator input into the planning and delivery process for a North Trans Pennine Upgrade with the intention that the North Trans Pennine Upgrade is to the greatest extent reasonably practicable:

- (a) designed in a way that optimises the ability of train operators to utilise the outputs of the North Trans Pennine Upgrade; and
- (b) delivered in a cost efficient and effective manner balancing the needs to avoid undue disruption to passenger services and facilitate appropriate possessions.

In this context recognising its key interest in the North Trans Pennine Upgrade the Franchisee shall apply appropriate focus to co-operate closely with the Northern Franchisee.

15.4 To the extent that a North Trans Pennine Upgrade leads to the Franchisee having rights under railway industry procedures (including Network Change and Station Change) the Franchisee shall not act in a way designed to directly or indirectly prevent, prejudice or frustrate the delivery of such North Trans Pennine Upgrade and the Franchisee shall not unreasonably raise any objection under any railway industry procedure (including Network Change or Station Change) and any reasonable objections shall be raised by the Franchisee in accordance with the relevant railway industry procedures.

15.5 The Franchisee shall fully and effectively co-operate with the Secretary of State and Network Rail in the development and amendment of the specification of the North Trans Pennine Upgrade in accordance with the reasonable requirements of the Secretary of State. The Franchisee may be required to comment on rolling stock implications of options under consideration.

15.6 The Secretary of State may at any time issue a Request for a North Trans Pennine Upgrade Franchise Services Proposal. The matters to be addressed in the North Trans Pennine Upgrade Franchise Services Proposal shall be those specified by the Secretary of State and may include:

In the event that they disagree on any matter (including the nature and terms of any Rolling Stock Related Contract or Key Contract required to be entered into by the Franchisee to enable it to comply with its obligations under this Agreement after any Variation is implemented) the Secretary of State shall reasonably determine the matter. Following any required reasonable determination by the Secretary of State variations to this Agreement shall be made, at the option of the Secretary of State, by the service of a notice pursuant to paragraph 1.1(a) of Schedule 9.5 (Variations to the Franchise Agreement and Incentivising Beneficial Changes) or through the entering into of a deed of amendment to this Agreement pursuant to paragraph 1.1 (c) of Schedule 9.5 (Variations to the Franchise Agreement and Incentivising Beneficial Changes). In accordance with the provisions of paragraph 1 of Schedule 9.5 (Variations to the Franchise Agreement and Incentivising Beneficial Changes) such a variation shall be a Change. If the Secretary of State has given the Franchisee at least twelve months' notice of the date from which he expects the North Trans Pennine Upgrade to be completed and such date is after 31 December 2021 no such Change shall take into account any additional costs or charges payable to:
- (a) the lessor of rolling stock vehicles within the Train Fleet in consequence of the right to terminate such lease early being exercised by the Franchisee; and/or

where A is ascertained as follows:

$$\frac{B}{C} \times 100$$

Where:

B is the total number of Cancellations or Partial Cancellations of Passenger Services scheduled to be operated in the Enforcement Plan of the Day for that No Breach Reporting Period, on the basis that:

- (a) a Cancellation shall count as 1;
- (b) a Partial Cancellation shall count as 0.5;
- (c) any Cancellations or Partial Cancellations during that Reporting Period which were caused by:
 - (i) the Franchisee's implementation of a Service Recovery Plan during that Reporting Period; or
 - (ii) the occurrence or continuing effect of a Force Majeure Event,
 shall, if the Franchisee has complied with paragraph 4.4 of this Schedule 7.1, be disregarded in determining such total number of Cancellations and Partial Cancellations; and

C is the total number of Passenger Services scheduled to be operated in the Enforcement Plan of the Day for that No Breach Reporting Period, disregarding, if the Franchisee has complied with paragraph 4.4 of this Schedule 7.1, any Cancellations or Partial Cancellations during that Reporting Period which were caused by:

- (a) the Franchisee's implementation of a Service Recovery Plan during that No Breach Reporting Period; or

Cancellation Calculations during the Breach Reporting Periods

2.2B For each Breach Reporting Period the Secretary of State shall calculate the Franchisee's performance against the Cancellations Benchmark in accordance with the following formula:

$$\frac{A + D}{n}$$

Where:

A is ascertained as follows:

$$\frac{B}{C} \times 100$$

Where:

B is the total number of Cancellations or Partial Cancellations of Passenger Services scheduled to be operated in the Enforcement Plan of the Day for that Breach Reporting Period, on the basis that:

- (a) a Cancellation shall count as 1;
- (b) a Partial Cancellation shall count as 0.5;
- (c) any Cancellations or Partial Cancellations during that Reporting Period which were caused by:
 - (i) the Franchisee's implementation of a Service Recovery Plan during that Reporting Period; or
 - (ii) the occurrence or continuing effect of a Force Majeure Event, shall, if the Franchisee has complied with paragraph 4.4 of this Schedule 7.1, be disregarded in determining such total number of Cancellations and Partial Cancellations; and

C is the total number of Passenger Services scheduled to be operated in the Enforcement Plan of the Day for that Breach Reporting Period, disregarding, if the Franchisee has complied with paragraph 4.4 of this Schedule 7.1, any Cancellations or Partial Cancellations during that Reporting Period which were caused by:

- (a) the Franchisee's implementation of a Service Recovery Plan during that Breach Reporting Period; or
- (b) the occurrence or continuing effect of a Force Majeure Event.

D is the sum of the values of A in each of the Reporting Periods in the first Franchisee Year immediately preceding that Breach Reporting Period; and

n is the number of Reporting Periods that have elapsed since the Start Date.

Cancellation Calculations during the Subsequent Reporting Periods

2.2C For each Reporting Period (other than the No Breach Reporting Periods and the Breach Reporting Periods for which the provisions of paragraphs 2.2A and 2.2B shall apply respectively), the Secretary of State shall calculate a moving annual average of the Franchisee's performance against the Cancellations Benchmark in accordance with the following formula:

$$\frac{A + D}{13}$$

where:

A is ascertained as follows:

$$\frac{B}{C} \times 100$$

where:

B is the total number of Cancellations or Partial Cancellations of Passenger Services scheduled to be operated in the Enforcement Plan of the Day for that Reporting Period, on the basis that:

- (a) each Cancellation shall count as 1;
- (b) each Partial Cancellation shall count as 0.5; and
- (c) any Cancellations or Partial Cancellations during that Reporting Period which were caused by:
 - (i) the Franchisee's implementation of a Service Recovery Plan during that Reporting Period; or
 - (ii) the occurrence or continuing effect of a Force Majeure Event,

shall, if the Franchisee has complied with paragraph 4.4 of this Schedule 7.1, be disregarded in determining such total number of Cancellations and Partial Cancellations;

(ii) for TOC Minute Delay Performance Sum, £2,566,486 x RPI (where RPI has the meaning given to it in paragraph 3.2(a)); and

- (c) to be incurred as expenditure by the Franchisee by way of Short Formation Performance Sum shall, in respect of any Franchisee Year, be limited to £2,053,189 x RPI (where RPI has the meaning given to it in paragraph 3.2(a)).

The Secretary of State shall be entitled to set off any liability for payment under this Schedule 7.1 against any sum owed to it by the Franchisee under this Schedule 7.1.

3.7 Where following calculation of the Cancellations Performance Sum, the TOC Minute Delay Performance Sum and/or the Short Formation Performance Sum, the Franchisee is required to incur expenditure, the Franchisee shall incur expenditure equal to the amount of the Cancellations Performance Sum, the TOC Minute Delay Performance Sum and/or the Short Formation Performance Sum due from the Franchisee in order to secure:

- (a) where the Franchisee is obliged to incur expenditure equal to the amount of the Cancellations Performance Sum, an improvement in the Franchisee's performance against the Annual Cancellations Benchmark so that such level is equal to or less (that is, better) than the Annual Target Performance Level for the Annual Cancellations Benchmark;
- (b) where the Franchisee is obliged to incur expenditure equal to the amount of the TOC Minute Delay Performance Sum, an improvement in the Franchisee's performance against the Annual TOC Minute Delay Benchmark so that such level is equal to or less (that is better) than the Annual Target Performance Level for the Annual TOC Minute Delay Benchmark; and/or
- (c) where the Franchisee is obliged to incur expenditure equal to the amount of the Short Formation Performance Sum, an improvement in the Franchisee's performance against the Annual Short Formation Benchmark so that such level is equal to the Annual Target Performance Level for the Annual Short Formation Benchmark,

or, in each case, as the Secretary of State may otherwise direct (the "**Required Performance Improvement**").

- 3.8 Without limiting paragraph 3.7, on each occasion that the Franchisee becomes obliged to incur expenditure equal to the amount of the Cancellations Performance Sum, the TOC Minute Delay Performance Sum and/or the Short Formation Performance Sum to secure a Required Performance Improvement, the Franchisee shall produce an action plan which is consistent with its obligations under paragraph 3.7 and in compliance with the following provisions:
- (a) the Franchisee shall (1) produce, (2) obtain the Secretary of State's approval of, and (3) commence the implementation of the action plan within three months after the notification of the results of calculations in accordance with paragraph 2.16;
 - (b) the action plan will contain specific tangible action points and indicate in the case of each action point:
 - (i) how that action will contribute to achieving the Required Performance Improvement;
 - (ii) where the action is to be implemented;
 - (iii) when the action is to be commenced and by when it is to be implemented provided always that where any action is expressed to be ongoing the plan shall include specific review dates; and
 - (iv) how performance of the action is to be measured; and
 - (c) the action plan will identify the amount of the Cancellations Performance Sum, the TOC Minute Delay Performance Sum and/or the Short Formation Performance Sum associated with each action.
- 3.9 The Franchisee shall, except to the extent otherwise agreed by the Secretary of State in advance, implement each action plan referred to in paragraph 3.8 in accordance with its terms.
- 3.10 It is acknowledged by the Franchisee that the approval or lack of approval by the Secretary of State of each action plan as contemplated in paragraph 3.8(a) shall not relieve the Franchisee of its obligations under this Schedule 7.1 or any other provisions of the Franchise Agreement.
- 3.11 Each Cancellations Performance Sum and TOC Minute Delay Performance Sum calculated pursuant to paragraphs 3.2 and 3.3 (respectively) in respect of any Franchisee Year payable

by the Secretary of State to the Franchisee shall, subject to paragraph 3.12, be paid by way of adjustment to Franchise Payments on the Performance Sum Adjustment Date.

3.12 Upon the termination of this Franchise Agreement:

- (a) the Franchisee shall pay to the Secretary of State, by way of adjustment to Franchise Payments, an amount equivalent to the amount of any Cancellations Performance Sum, TOC Minute Delay Performance Sum and/or Short Formation Performance Sum due from the Franchisee and which it has not yet incurred as at the end of the Franchise Period; and
- (b) the Secretary of State shall pay to the Franchisee, by way of adjustment to Franchise Payments, an amount equivalent to the amount of any Cancellation Performance Sum and/or TOC Minute Delay Performance Sum payable by the Secretary of State in respect of the final Franchisee Year.

4. **Consequences for Poor Performance**

4.1 The Franchisee shall procure that in each Reporting Period (other than the No Breach Reporting Periods and the Breach Reporting Periods) the moving annual average of:

- (a) Cancellations and Partial Cancellations (calculated in accordance with paragraph 2.2) is neither equal to nor worse than the Breach Performance Levels and the Default Performance Levels specified in the cells relating to each such Reporting Period in the Cancellations Benchmark Table;
- (b) the Minutes Delay occurring in respect of the Passenger Services which are attributable to the Franchisee (including in accordance with paragraph 2.9) per 1000 Train Miles actually operated (calculated in accordance with paragraph 2.5) is neither equal to nor worse than the Breach Performance Levels and the Default Performance Levels specified in the cells relating to such Reporting Period in the TOC Minute Delay Benchmark Table; and
- (c) the Franchisee's performance (calculated in accordance with paragraph 2.12) is neither equal to nor worse than the Breach Performance Levels and the Default Performance Levels specified in the cells relating to such Reporting Period in the Short Formation Benchmark Table.

4.2 Without limiting the provisions of paragraph 4.3 and paragraph 3, if in any Reporting Period (other than a No Breach Reporting Period) the Franchisee's performance as calculated pursuant to paragraphs 2.2B, 2.2C, 2.6B, 2.6C, 2.12B or 2.12C is equal to or worse than):

- (a) in respect of any Breach Reporting Period, the Breach Period Performance Level relating to each Benchmark; or
- (b) in respect of any other Reporting Period (other than a No Breach Reporting Period and a Breach Reporting Period), the Breach Performance Level relating to each Benchmark,

then a contravention shall occur and the Secretary of State may serve a Remedial Plan Notice in accordance with the provisions of paragraph 1 of Schedule 10.1 (Remedial Plans and Remedial Agreements). For the purposes of paragraph 1.4(c) of Schedule 10.1 (Remedial Plan and Remedial Agreements) the steps to be proposed by the Franchisee pursuant to that paragraph are those which ensure that the Franchisee's performance against the relevant Benchmark will be equal to or better than the Target Performance Level relating to such Benchmark.

4.3 Certain consequences of the Franchisee's performance exceeding (that is, equalling or being worse than) the Breach Performance Levels and Default Performance Levels relating to each Benchmark are set out in Schedule 10 (Remedies, Termination and Expiry).

Submission of Records Relating to the Implementation of a Service Recovery Plan

- 4.4 The Franchisee shall, within eight weeks of the end of each Reporting Period for which a Service Recovery Plan has been implemented (or such other period as may be agreed by the Secretary of State), submit to the Secretary of State all the comprehensive records (as more particularly described in the relevant paragraph of the Service Recovery Plan) which relate to the implementation of such Service Recovery Plan during that Reporting Period.

5. **Determination of the Annual Benchmarks for Franchisee Years that are shorter than 13 Reporting Periods**

- 5.1 Where a Franchisee Year is shorter than 13 Reporting Periods the Secretary of State will perform the following calculations for the purposes of determining the Annual Cancellations Benchmark, the Annual TOC Minute Delay Benchmark, the Annual Short Formation Benchmark, the Annual CaSL Target Performance Level and the Annual PPM Target Performance Level relating to that Franchisee Year:

- (a) in respect of the Annual Cancellations Benchmark for that Franchisee Year:

$$\frac{\sum A}{B}$$

- (ii) for the Annual Target Performance Level, the sum of the Minutes Delay attributable to the Franchisee as comprised in the data relevant for each of the Reporting Periods in that Franchisee Year, such Minutes Delay data being the data which was used for the purposes of determining the Annual Target Performance Level in respect of a full Franchisee Year as more particularly set out in the document in agreed terms marked **ABD**; or
- (iii) for the Annual Floor Performance Level, the sum of the Minutes Delay attributable to the Franchisee as comprised in the data relevant for each of the Reporting Periods in that Franchisee Year, such Minutes Delay data being the data which was used for the purposes of determining the Annual Floor Performance Level in respect of a full Franchisee Year as more particularly set out in the document in agreed terms marked **ABD**; and

AB is ascertained as follows:

$$\frac{B}{1000}$$

where:

B is:

- (i) for the Annual Cap Performance Level, the sum of the Train Mileage as comprised in the data relevant for each of the Reporting Periods in that Franchisee Year, such Train Mileage data being the data which was used for the purposes of determining the Annual Cap Performance Level in respect of a full Franchisee Year as more particularly set out in the document in agreed terms marked **ABD**; or

6. Network Rail Claim

- 6.1 The Franchisee shall not include in any claim for compensation from Network Rail under Schedule 8 of the Track Access Agreement any amounts to compensate the Franchisee for any loss suffered or costs incurred as a result of the Franchisee:

SCHEDULE 7.2**National Rail Passenger Surveys and Customer and Communities Improvement Fund****1. Conduct of National Rail Passenger Surveys**

1.1 The Franchisee agrees with the Secretary of State that:

- (a) the Passengers' Council may measure the level of passenger satisfaction with the Franchise Services through National Rail Passenger Surveys;
- (b) the Passengers' Council shall determine how, when (normally twice per annum) and where National Rail Passenger Surveys are to be carried out;
- (c) the Franchisee shall grant access on trains or at stations to the Passengers' Council (or its representatives and agents) to carry out National Rail Passenger Surveys;
- (d) the Franchisee shall co-operate with the Passengers' Council (in such manner as the Passengers' Council may reasonably request or as the Secretary of State may reasonably direct) in order to enable the Passengers' Council to carry out National Rail Passenger Surveys; and
- (e) the Passengers' Council and/or the Secretary of State may, from time to time, publish the results of each National Rail Passenger Survey.

1.2 The Secretary of State shall ensure or shall procure that:

- (a) the findings of any National Rail Passenger Survey are made available by the Passengers' Council to the Franchisee within a reasonable period of time after the completion of each such survey and shall use all reasonable endeavours to procure that those findings are made available in a timely manner to enable the Franchisee to comply with its obligations under paragraph 1.3; and
- (b) if any such survey includes a comparison between its findings and the findings of any equivalent earlier survey, such comparison forms a reasonable basis for monitoring the trends of passenger satisfaction over time.

1.3 The Franchisee shall, as soon as reasonably practicable after such information is made available to the Franchisee in accordance with paragraph 1.2, publicise its performance against the NRPS Benchmarks by including such information in its Customer Report and displaying such information at all of the Stations and on its website.

1.4 It is agreed by the Franchisee that, subject to paragraph 1.5, the methodology to be adopted by the Passengers' Council in conducting any such National Rail Passenger Survey shall be as described in the document in the agreed terms marked **PSM** (the "**Passenger Survey Methodology**");

1.5 If:

- (a) at any time during the Franchise Term the methodology adopted in conducting any National Rail Passenger Survey is, in the reasonable opinion of the Secretary of State, materially inconsistent with the Passenger Survey Methodology; and
- (b) the Secretary of State reasonably determines that in consequence a revision to the NRPS Benchmark is required in order to hold constant the risk of the Franchisee failing to satisfy the NRPS Benchmark,

then the Secretary of State shall make such revisions to such NRPS Benchmarks as he reasonably considers appropriate to hold constant such risk.

- 1.6 If the Passengers' Council ceases to undertake National Rail Passenger Surveys then the relevant National Rail Passenger Survey for the purposes of this Schedule 7.2 shall be such other passenger survey as the Secretary of State may, after consultation with the Franchisee, reasonably determine to be appropriate in the circumstances (the "**Alternative NRPS**"). The provisions of this Schedule 7.2 shall apply in respect of any Alternative NRPS and for these purposes the Passengers' Council shall be replaced with such other entity that is responsible for conducting such Alternative NRPS.

2. **NRPS Benchmarks**

- 2.1 It is agreed by the Secretary of State and the Franchisee that, subject to paragraph 1.6, the results of the National Rail Passenger Survey(s) carried out by the Passengers' Council in any Franchisee Year shall be used to determine the Franchisee's performance against the NRPS Benchmarks for that Franchisee Year. If in any Franchisee Year the Passengers' Council has conducted:

- (a) only one National Rail Passenger Survey in that Franchisee Year then the performance of the Franchisee against the NRPS Benchmarks shall be measured against the results of such National Rail Passenger Survey; or
- (b) more than one National Rail Passenger Survey in that Franchisee Year then the performance of the Franchisee against the NRPS Benchmarks shall be measured against the average of the results of all of the National Rail Passenger Surveys conducted by the Passengers' Council in that Franchisee Year.

Performance Results/Required Remedial Actions

- 2.2 For each Franchisee Year the Secretary of State shall determine the Franchisee's performance against each NRPS Benchmark by comparing:

- (a) if only one National Rail Passenger Survey has been published by Passengers' Council in that Franchisee Year, the results of such National Rail Passenger Survey against the NRPS Benchmarks applicable in respect of that Franchisee Year; or
- (b) if more than one National Rail Passenger Survey has been published by Passengers' Council in that Franchisee Year, the average of the results of all of the National Rail Passenger Surveys published by the Passengers' Council in that Franchisee Year against the NRPS Benchmarks applicable in respect of that Franchisee Year.

For the purposes of undertaking the comparison pursuant to this paragraph 2.2, the results referred to in paragraph 2.2(a) or paragraph 2.2(b) (as the case may be) shall be rounded up to one decimal place with the midpoint (that is, 4.45) rounded upwards (that is, 4.5).

- 2.3 If, following the Secretary of State's determination pursuant to any of paragraphs 2.2(a) or 2.2(b) (as the case may be), the results show that the level of customer satisfaction in respect of any NRPS Measure is below the NRPS Benchmark for such measure then:
- (a) the Franchisee shall, unless the Secretary of State shall otherwise direct, incur Additional Expenditure in order to secure the Required Improvement; or
 - (b) if the Secretary of State so requires, a sum equivalent to the Additional Expenditure reasonably required to secure the Required Improvement shall be added to the CCIF Amount for the relevant period.
- 2.4 Without limiting paragraph 2.3, on each occasion that the Franchisee becomes obliged to incur Additional Expenditure to secure a Required Improvement, the Franchisee shall produce an action plan which is consistent with its obligations under paragraph 2.3 and in compliance with the following provisions:

- (a) the Franchisee shall (1) produce, (2) obtain the Secretary of State's approval of, and (3) commence the implementation of the action plan within three months after the date on which the results of such National Rail Passenger Survey which triggered the requirement for the Required Improvement were published or otherwise made available to the Franchisee pursuant to paragraph 1.2;
 - (b) the action plan will contain specific tangible action points and indicate in the case of each action point:
 - (i) how that action will contribute to meeting the NRPS Measure;
 - (ii) where the action is to be implemented;
 - (iii) when the action is to be commenced and by when it is to be implemented provided always that where any action is expressed to be ongoing the plan shall include specific review dates; and
 - (iv) how performance of the action is to be measured; and
 - (c) the action plan will identify the Additional Expenditure associated with each action.
- 2.5 The Franchisee shall, except to the extent otherwise agreed by the Secretary of State in advance, implement each action plan referred to in paragraph 2.4 in accordance with its terms.
- 2.6 It is acknowledged by the Franchisee that the approval or lack of approval by the Secretary of State of each action plan as contemplated in paragraph 2.4(a) shall not relieve the Franchisee of its obligations under this Schedule 7.2 or any other provisions of the Franchise Agreement.
- 2.7 Upon the termination of this Franchise Agreement the Franchisee shall pay to the Secretary of State, by way of adjustment to Franchise Payments, an amount equivalent to the amount of any Additional Expenditure that the Franchisee is committed to incur pursuant to paragraph 2.3 and which it has not yet incurred as at the end of the Franchise Period.
- 2.8 For the purposes of this Schedule 7.2:

"Additional Expenditure" means, where the Franchisee's performance is:

- (a) subject to paragraphs 2.8(d) and (e), below the NRPS Benchmark for one NRPS Measure, but equal to or more than the NRPS Benchmark for the other two NRPS Measures, £150,000;
- (b) subject to paragraphs 2.8(d) and (e), below the NRPS Benchmark for two NRPS Measures, but equal to or more than the NRPS Benchmark for the other NRPS Measure, £225,000;
- (c) subject to paragraphs 2.8(d) and (e), below the NRPS Benchmark for all three NRPS Measures, £300,000; and
- (d) for any Franchisee Year which is shorter than 13 Reporting Periods, the amounts specified in paragraphs 2.8(a) to 2.8(c) shall be reduced pro rata;
- (e) for each Franchisee Year (other than the first Franchisee Year) the Additional Expenditure applicable in relation to such Franchisee Year shall be determined as follows:

AD x RPI

where:

AD is £150,000 (where paragraph 2.8(a) above applies), £225,000 (where paragraph 2.8(b) above applies) or £300,000 (where paragraph 2.8(c) applies) as the case may be; and

RPI has the meaning given to it in Schedule 8.2 (Annual Franchise Payments); and

(f) such additional expenditure shall be additional to:

(i) any sums provided for expenditure in respect of the same or similar commitments in the Business Plan for the Franchisee Year (the "**First Expenditure Franchisee Year**") in which the obligation to incur Additional Expenditure under paragraph 2.3 first arises (the "**Existing Expenditure**"), and in any subsequent Franchisee Year, shall be in addition to the amount of the Existing Expenditure as increased by an amount equivalent to any increase in the Retail Prices Index between the beginning of the First Expenditure Franchisee Year and the beginning of that subsequent Franchisee Year; and

(ii) without limiting the preceding paragraph (f)(i), any expenditure made or to be made by the Franchisee for the purposes of complying with the provisions of Schedule 1 (Passenger Service Obligations), Schedule 4 (Persons with Disabilities and Disability Discrimination), Part 1 (List of Committed Obligations) to Schedule 6.1 (Committed Obligations and Related Provisions) and Schedule 7 (Performance Benchmarks); and

"**Required Improvement**" means an improvement in the level of customer satisfaction for the relevant NRPS Measure as measured by a National Rail Passenger Survey so that such level is equal to or higher than the related NRPS Benchmark.

3. **Customer Reports and Communities Improvement Fund**

3.1 The Franchisee shall undertake consultations with passengers, potential passengers and other users of the rail network (including in each case by undertaking consultations with: (i) persons who are protected by a Disabled People's Protection Policy; and (ii) persons with other protected characteristics within the meaning of the EA) in accordance with and shall otherwise comply with the Customer and Stakeholder Engagement Strategy.

Customer Reports

3.2 The Franchisee shall:

(a) by no later than the Start Date; and

(b) thereafter at least twice each Franchisee Year,

publish the Customer Report in such readily accessible formats as the Secretary of State may reasonably require (including in booklet or other similar hard copy formats, in electronic formats (such as on the Franchisee's website, through social media channels and by email)), in each case in accordance with the Customer and Stakeholder Engagement Strategy and the provisions of paragraph 20 of Schedule 13 (Information and Industry Initiatives).

The Secretary of State and the Franchisee acknowledge and agree that, as regards the Customer Reports to be published by the Franchisee pursuant to paragraph 3.2(b) above, the first Customer Report of each Franchisee Year shall be prepared in respect of the first six Reporting Periods of that Franchisee Year and the second Customer Report of each Franchisee Year shall be prepared in respect of the last seven Reporting Periods of that

- Franchisee Year. This pattern of Reporting shall be continued in subsequent Franchisee Years.
- 3.3 No later than 3 months prior to the start of each CCIF Period the Franchisee shall provide to the Secretary of State details of those initiatives, works or proposals (each a "**CCIF Scheme**") which the Franchisee proposes to undertake in that CCIF Period in order to resolve or mitigate issues raised with the Franchisee through the consultation referred to in paragraph 3.1. The Franchisee shall use all reasonable endeavours to propose, in respect of each CCIF Period, CCIF Schemes with an aggregate projected CCIF Scheme Shortfall of not less than the aggregate of the CCIF Amount for each Franchisee Year in the relevant CCIF Period.
- 3.4 In relation to each CCIF Scheme proposed by the Franchisee pursuant to paragraph 3.3 the Franchisee shall provide:
- (a) details of the specific issues which that CCIF Scheme is intended to resolve or mitigate (including how those issues have been identified) and how that CCIF Scheme will resolve or mitigate those issues; and
 - (b) fully worked up details of the CCIF Scheme sufficient to enable the Secretary of State to evaluate the same, including:
 - (i) a timetable for the implementation of that CCIF Scheme, setting out the proposed commencement and completion date of such CCIF Scheme and any other key dates and milestones;
 - (ii) details of the projected CCIF Scheme Cost; and
 - (iii) details of the projected CCIF Scheme Revenue.
- 3.5 The Franchisee shall provide the Secretary of State with such further information in relation to any CCIF Scheme proposed by the Franchisee pursuant to paragraph 3.3 as the Secretary of State may reasonably require.
- 3.6 A CCIF Scheme proposed by the Franchisee pursuant to paragraph 3.3 shall not be an Approved CCIF Scheme unless and until approved by the Secretary of State pursuant to this paragraph 3.6. Without limitation, the Secretary of State may withhold his approval to any proposed CCIF Scheme which:
- (a) has not been identified and/or developed in accordance with the Customer and Stakeholder Engagement Strategy;
 - (b) is not designed to resolve or mitigate issues raised with the Franchisee through the consultation referred to in paragraph 3.1;
 - (c) has a completion date falling later than the end of the relevant CCIF Period;

 - (e) the Franchisee is otherwise funded to undertake; or
 - (f) in the opinion of the Secretary of State, amounts to actions or steps which the Franchisee is otherwise obliged to take or which any competent train operator should be taking in relation to the operation of the Franchise.
- 3.7 Approved CCIF Schemes shall be included as Committed Obligations in Schedule 6.1 (Committed Obligations and Related Provisions).
- 3.8 Paragraph 3.10 will apply if:

- (a) the aggregate projected CCIF Scheme Shortfall in respect of all Approved CCIF Schemes for any CCIF Period is less than the aggregate of the CCIF Amount for each Franchisee Year in that CCIF Period; or
- (b) subject to paragraph 3.9 in any CCIF Period, in the Secretary of State's reasonable opinion, the aggregate of the actual CCIF Scheme Shortfall incurred by the Franchisee during that CCIF Period upon Approved CCIF Schemes is less than the aggregate of the CCIF Amount for each Franchisee Year in that CCIF Period,

in each case the underspend against the aggregate CCIF Amount being the **"CCIF Underspend"**.

3.9 If:

- (a) the amount of the CCIF Scheme Costs actually incurred by the Franchisee in relation to any Approved CCIF Scheme exceed the projected CCIF Scheme Costs notified to the Secretary of State pursuant to paragraph 3.4 for such Approved CCIF Scheme, then the amount of the excess shall not amount to CCIF Scheme Cost; or
- (b) in the Secretary of State's reasonable opinion, the amount of the CCIF Scheme Revenue actually earned by the Franchisee in relation to any Approved CCIF Scheme is less than the projected CCIF Scheme Revenue notified to the Secretary of State pursuant to paragraph 3.4 for such Approved CCIF Scheme then, for the purposes of paragraph 3.8(b) the actual CCIF Scheme Revenue shall be deemed to be the projected CCIF Scheme Revenue.

3.10 Where this paragraph 3.10 applies the Secretary of State may require:

- (a) all or part of the CCIF Underspend to be added to the CCIF Amount for the first Franchisee Year in the subsequent CCIF Period;
- (b) the Franchisee to propose further CCIF Schemes using all or part of the CCIF Underspend by such new deadline as the Secretary of State may specify;
- (c) the Franchisee to spend all or part of the CCIF Underspend in such manner as the Secretary of State may direct; and/or
- (d) the Franchisee to pay all or part of the CCIF Underspend to the Secretary of State,

provided that paragraph 3.10(d) shall automatically apply in respect of the last CCIF Period unless the Secretary of State specifies otherwise.

3.11 The Franchisee shall:

- (a) undertake and complete a review of its Customer and Stakeholder Engagement Strategy during each of the 4th and 7th Franchisee Years; and
- (b) provide the Secretary of State with any proposed revisions to the Customer and Stakeholder Engagement Strategy arising out of such review by no later than the end of each such Franchisee Year.

3.12 The aim of such review shall be to update the Customer and Stakeholder Engagement Strategy to reflect lessons learned in the period since the Start Date or the previous review of the Customer and Stakeholder Engagement Strategy (as applicable) and to ensure that the Customer and Stakeholder Engagement Strategy achieves effective passenger engagement. Any revisions to the Customer and Stakeholder Engagement Strategy shall require the consent of the Secretary of State (such consent not to be unreasonably withheld or delayed).

- 3.13 Any Franchise Asset arising as a result of an Approved CCIF Scheme shall be designated as a Primary Franchise Asset and shall not be de-designated as such. Any such Primary Franchise Asset which falls to be valued in accordance with the Supplemental Agreement shall be valued at nil.

(A) the Franchisee Year which commences on 1 April 2023 shall be equal to the amount specified in Column 2 of the table set out in paragraph 2 of Appendix 2 (Components of AFA and DFR) to this Schedule 8.1 for the period referred to as Year 8 (extension); and

(B) the Franchisee Year which commences on 1 April 2024 shall be equal to $A \times (B/13)$ where:

B means the number of Reporting Periods in the Franchisee Year which commences on 1 April 2024; and

RPI has the meaning given to it in the definition of Threshold Amount.

3.2 If the Annual Audited Accounts in respect of any Franchisee Year show that the Relevant Profit for that Franchisee Year exceeds the First Profit Share Threshold then, subject to paragraph 3.4, the Franchisee shall pay to the Secretary of State:

- (a) 20% of Relevant Profit in excess of the First Profit Share Threshold but less than or equal to the Second Profit Share Threshold;
- (b) 50% of Relevant Profit in excess of the Second Profit Share Threshold but less than or equal to the Third Profit Share Threshold; and
- (c) 100% of Relevant Profit in excess of the Third Profit Share Threshold.

3.3 Subject to paragraphs 3.5 and 3.6 below, payments due under paragraph 3.2 shall be paid as part of the Franchise Payment for the first Reporting Period falling 30 or more days after delivery of the Annual Audited Accounts by the Franchisee to the Secretary of State under paragraph 3.9 of Schedule 13 (Information and Industry Initiatives) or if there is no such Reporting Period, within 30 days of the date of such delivery.

3.4

- (a) If in any Franchisee Year (or any period of 12 consecutive months after the end of the Franchise Period) (the "**Current Franchisee Year**") the Franchisee receives a compensation or other settlement payment of at least £200,000 x RPI arising from a single claim or series of related claims which relate wholly or partly to costs, losses or expenses (including loss of revenue) arising in any other Franchisee Year or Franchisee Years, then the Franchisee shall notify the Secretary of State of such payment as soon as reasonably practicable and for the purposes of this paragraph 3 and notwithstanding its other terms:

- (i) the payment which relates to such other Franchisee Year shall be attributed to that other Franchisee Year and not treated as received in the Current Franchisee Year;
 - (ii) where and to the extent any payments under this paragraph 3 in respect of any other Franchisee Year would have been made or would have been higher had that amount actually been received in that other Franchisee Year, the Franchisee shall pay a reconciliation amount to the Secretary of State within 30 days after delivery of the Annual Audited Accounts that relate to the Current Franchisee Year by the Franchisee to the Secretary of State under paragraph 3.9 of Schedule 13 (Information and Industry Initiatives) or, if there is no further requirement on the Franchisee to deliver Annual Audited Accounts following the end of the Franchise Period, within 30 days of the Franchisee receiving the relevant payment; and
 - (iii) RPI has the meaning given to it in Schedule 8.2 (Annual Franchise Payments).
 - (b) Where the Secretary of State reasonably considers that in calculating Relevant Profit any particular item or transaction has not been accounted for on a reasonable basis (including where the accounting treatment looks to the form rather than the substance, of the item or transaction) he shall be entitled to require it to be accounted for on such other basis as he may reasonably determine and notify to the Franchisee provided that the Secretary of State shall not be entitled pursuant to this paragraph to alter the accounting policies of the Franchisee from those set out in the Record of Assumptions and applied through the Financial Model.
 - (c) Without prejudice to paragraph 3.4(a) where the Annual Audited Accounts in relation to any previous Franchisee Year are subject to adjustment or restatement the Secretary of State shall have a discretion to require the recalculation of Relevant Profit for the relevant Franchisee Year and to require that the Franchisee shall pay to the Secretary of State the amount which is the difference between the profit share actually paid to the Secretary of State pursuant to paragraph 3.2 and the amount that would have been paid had the Relevant Profit been originally calculated on the basis that such adjustment or revision was included in the Annual Audited Accounts. Any payment due to the Secretary of State shall be paid by the Franchisee within 30 days of the Secretary of State notifying the Franchisee that he requires a payment to be made pursuant to this paragraph.
- 3.5 The Franchisee shall, within 10 days after delivery of any Annual Audited Accounts under paragraph 3.9 of Schedule 13 (Information and Industry Initiatives), deliver to the Secretary of State a report identifying:
- (a) the amount of total profit and the adjustments made in the calculation of Relevant Profit pursuant to this paragraph 3;
 - (b) any items falling under paragraph 3.4(a), including details of the allocation across Franchisee Years of such items; and
 - (c) any adjustments or restatements made in relation to the Annual Audited Accounts in respect of any previous Franchisee Year,

and shall provide such additional information, records or documents as the Secretary of State may reasonably require in relation to such matters (including an unqualified written report from the Franchisee's auditors addressed to the Secretary of State which confirms that any such report gives a true and fair view of the matters contained within it including the amount of total profit and the adjustments made in the calculation of Relevant Profit).

- 3.6 Any profit share payment pursuant to paragraph 3.2 to be made in respect of the final Franchisee Year shall be determined in accordance with this paragraph 3 but shall be paid within 30 days of the Secretary of State giving written notice to the Franchisee of the amount of such profit share payment.
- 3.7 If the Franchisee fails to provide the Annual Audited Accounts for the final Franchisee Year within four Reporting Periods of the expiry of the final Franchisee Year pursuant to paragraph 3.9 of Schedule 13 (Information and Industry Initiatives), the Secretary of State shall be entitled (but not obliged) to determine any Profit Share Adjustment in accordance with this paragraph 3 but by reference to any relevant information available to the Secretary of State at the time of such determination, including any information contained in the latest cumulative, year-to-date Management Accounts or in the Annual Management Accounts.

SCHEDULE 8.3**Miscellaneous Payment Provisions**

The Secretary of State, in his discretion, may at any time decide to reimburse or ameliorate net losses of the Franchisee arising from Industrial Action (however caused and of whatever nature) in circumstances where the Franchisee has demonstrated to the satisfaction of the Secretary of State that it has taken all reasonable steps to avoid the Industrial Action and that, Industrial Action having nevertheless occurred, the Franchisee has taken all reasonable steps to mitigate its effects.

SCHEDULE 8.4**Track Access Adjustments and Station Charge Adjustments****1. Track Access Adjustments**

- 1.1 The Track Access Adjustment to be made in respect of any Reporting Period shall be determined in accordance with the following formula:

$$TAA = (GCA - W) \times \frac{RPD}{FYD}$$

where:

- TAA means the Track Access Adjustment to be made in that Reporting Period;
- GCA is the value of "GC" for the Franchisee Year in which the Reporting Period falls under Part 3A of Schedule 7 of the Track Access Agreement;
- W is the value of "Wt" for the Franchisee Year in which the Reporting Period falls under Part 2 of Schedule 7 of the Track Access Agreement;
- RPD means the number of days in that Reporting Period; and
- FYD means the number of days in the Franchisee Year in which that Reporting Period falls,

except that, where a Reporting Period falls during two Franchisee Years, TAA shall be determined as if the references to Reporting Period were to each of the two periods within such Reporting Period which fall wholly within one of such Franchisee Years and the Track Access Adjustment to be made in that Reporting Period shall reflect the sum of TAA as determined for each such period.

- 1.2 The Franchisee shall notify the Secretary of State upon becoming aware that any Track Access Adjustment is to be made and shall supply such information as the Secretary of State may require in relation thereto. The Franchisee shall exercise its rights under the Track Access Agreement in such manner and take such other action as the Secretary of State may reasonably require in connection with any related payment thereunder (including in relation to any agreement of the amount of any such payment and including submitting any relevant dispute to any relevant dispute resolution procedures). The Franchisee shall not, without the consent of the Secretary of State, agree or propose to agree a value for "Wt" or "GC" under Parts 2 or 3A of Schedule 7 of the Track Access Agreement.
- 1.3 The Franchisee shall provide such evidence of payment as the Secretary of State may require (including any certificates) for the purpose of determining the value of "W" and "GCA" under paragraph 1.1.
- 1.4 If no value is ascertained for "W" or "GCA" prior to the date on which the Franchise Payment for the relevant Reporting Period is determined, then a Track Access Adjustment shall only be determined to the extent such values can be ascertained at such time and, when such values are subsequently ascertained, adjustment shall be made to reflect the full Track Access Adjustment for such Reporting Period.
- 1.5 The values of "W" and "GCA" when used in the computation in paragraph 1.1 shall be taken to exclude any input Value Added Tax which is recoverable in respect of the payments they represent by the Franchisee under Sections 24 to 26 of the Value Added Tax Act 1994.
- 1.6 References in this paragraph 1 to "Wt" and "GC" and Parts 2 and 3A of Schedule 7 of the Track Access Agreement shall be deemed also to be references to such other provisions,

and such other algebra under any such other provisions, of any Track Access Agreement as the Secretary of State may reasonably consider have an equivalent effect, or are intended to fulfil the same function, as "Wt" or "GC" and Parts 2 or 3A of Schedule 7 of the Track Access Agreement to which the Franchisee is a party on the Start Date.

2. **Station Charge Adjustment**

- 2.1 The Station Charge Adjustment to be made in respect of any Reporting Period shall be the aggregate of the Individual Station Charge Adjustments as determined in accordance with the following formula for each Station and each other Franchisee Access Station:

$$ISCA = L \times \frac{RPD}{FYD}$$

where:

ISCA means the Individual Station Charge Adjustment for the relevant station for that Reporting Period;

L is the value of "Lt" for the Franchisee Year in which the Reporting Period falls under:

(a) if the relevant station is not an Independent Station, Condition F11.2 of the Station Access Conditions entitled "National Station Access Conditions 2013 (England and Wales) (incorporating amendments with effect from 1 April 2014)" relating to such station; or

(b) if the relevant station is an Independent Station, Condition 42.3 of the Independent Station Access Conditions relating to that Independent Station,

in each case, to the extent that value represents an amount payable to or by Network Rail or any other relevant Facility Owner by or to the Franchisee on its own behalf under the relevant Access Agreement (excluding any amount payable to Network Rail by the Franchisee in its capacity as Facility Owner of a station on behalf of a beneficiary which is party to an Access Agreement in respect of a Station);

RPD means the number of days in that Reporting Period; and

FYD means the number of days in the Franchisee Year in which that Reporting Period falls except that, where a Reporting Period falls during two Franchisee Years, the Station Charge Adjustment shall be determined as if the references to Reporting Period were to each of the two periods within such Reporting Period which fall wholly within one of such Franchisee Years and the Station Charge Adjustment for such Reporting Period shall be the sum of the Station Charge Adjustment as determined for each such period.

- 2.2 The Franchisee shall notify the Secretary of State upon becoming aware that any Station Charge Adjustment is to be made and shall supply such information as the Secretary of State may require in relation thereto. The Franchisee shall exercise such rights as it may have under any Access Agreement in such manner and take such other action as the Secretary of State may reasonably require in connection with any related payment thereunder (including in relation to any agreement of the amount of any such payment and including submitting any relevant dispute to any relevant dispute resolution procedures). The Franchisee shall not, without the consent of the Secretary of State, agree or propose to agree a value for "Lt" under any relevant Access Agreement.

- 2.3 The Franchisee shall provide such evidence of payment as the Secretary of State may require (including any certificates) for the purpose of determining the value of "L" under paragraph 2.1.

- 2.4 If no value is ascertained for "L" prior to the date on which the Franchise Payment for the relevant Reporting Period is determined, then a Station Charge Adjustment shall only be determined to the extent such values can be ascertained at such time and, when such values are subsequently ascertained, an adjustment shall be made to reflect the full Station Charge Adjustment for such Reporting Period.
- 2.5 The value of "L" when used in the computation in paragraph 2.2 shall be taken to exclude any input Value Added Tax which is recoverable in respect of the payments they represent by the Franchisee under Sections 24 to 26 of the Value Added Tax Act 1994.
- 2.6 For the purposes of this paragraph 2, "**Independent Station**" shall mean, at any time, any station of which Network Rail is the Facility Owner at that time.
- 2.7 References in this paragraph 2 to "Lt", Condition F11.2 of the Station Access Conditions entitled "National Station Access Conditions 2013 (England and Wales) (incorporating amendments with effect from 1 April 2014)" and Condition 42.3 of the Independent Station Access Conditions shall be deemed also to be references to such other provisions, and such other algebra under any such other provisions, of any relevant station access conditions as the Secretary of State may reasonably consider have an equivalent effect, or are intended to fulfil the same function as, "Lt" and Condition F11.2 of the Station Access Conditions entitled "National Station Access Conditions 2013 (England and Wales) (incorporating amendments with effect from 1 April 2014)" and Condition 42.3 of the Independent Station Access Conditions which are in effect on the Start Date.

SCHEDULE 9.1

Financial and Other Consequences of Change

1. Purpose and Application of Schedule

1.1 This Schedule 9.1 sets out:

- (a) the circumstances in which the occurrence of a Change will result in an adjustment to the Franchise Payments, the Benchmarks and/or the Annual Benchmarks and wherever in Schedule 9 reference is made to "adjustment to Franchise Payments" such reference shall be construed to include (unless the context otherwise requires):
 - (i) the restatement of the values of FPST, SPST and TPST as specified in respect of each Franchisee Year in paragraphs 1, 2 and 3 (respectively) of Appendix 1 to Schedule 8.1 (Franchise Payments) ("**Profit Share Components**"); and
 - (ii) the restatement of the values of AFA and DFR as specified in respect of each Franchisee Year in paragraphs 1 and 2 (respectively) of Appendix 2 to Schedule 8.1 ("**AFA/DFR Components**");
- (b) the process by which that adjustment to the Franchise Payments and/or the Benchmarks and/or the Annual Benchmarks will be determined and effected; and
- (c) provisions dealing with the responsibility for costs incurred by the Franchisee in connection with any audit of the Run of the Financial Model and its results.

1.2 Schedule 9.2 (Identity of the Financial Model etc.) contains provisions dealing with the Financial Model which are relevant to the operation of this Schedule 9.1.

1.3 This Schedule 9.1 shall apply in relation to a Change where:

- (a) there are good reasons for considering that that Change will be a Qualifying Change or, with other Changes, part of an Aggregated Qualifying Change; and
- (b) the required notice(s) has/have been given in accordance with paragraph 1.4 (or the parties have agreed that this Schedule 9.1 will apply and there should be a Run of the Financial Model and/or a review of the Benchmarks and/or the Annual Benchmarks even though the required notices have not been given).

1.4 The notice requirements are that:

- (a) subject to paragraph 1.4(b), a party must have notified the other that it considers that the Change will be a Qualifying Change and that it requires a Run of the Financial Model and/or a review of the Benchmarks and/or the Annual Benchmarks in respect of that Change:
 - (i) within 6 months of the notification or agreement of that Change if it is a Variation pursuant to paragraph 1.1 of Schedule 9.5 (Variations to the Franchise Agreement and Incentivising Beneficial Changes); or
 - (ii) within 6 months of becoming aware of it, if it is any other type of Change; and

- (b) in the case of an Aggregated Qualifying Change, a party must have notified the other:
 - (i) after an individual Change occurs, within the time limits stated in paragraphs 1.4(a)(i) or 1.4(a)(ii), that it reserves the right to count that Change towards an Aggregated Qualifying Change; and
 - (ii) within 6 months of the occurrence of the last Change which that party considers will trigger an Aggregated Qualifying Change, that the party requires a Run of the Financial Model and/or a review of the Benchmarks and/or the Annual Benchmarks in respect of the Changes comprised in that Aggregated Qualifying Change. The notice must identify each of the Changes included in the Aggregated Qualifying Change.
- 1.5 References in the remainder of this Schedule 9.1 and in Schedule 9.2 (Identity of the Financial Model etc.) to a "**Change**" are to a Change in respect of which the requirements in paragraph 1.3 have been satisfied.
- 1.6 Appendix 1 (Summary Flow Chart) to this Schedule 9.1 contains a flow chart summary of the process described in this Schedule 9.1. This is for guidance only and if there are any inconsistencies between this flow chart and any other of the contents of Schedule 9 (Changes), the latter shall apply.
- 2. Timescales**
- 2.1 Where this Schedule 9.1 applies, any resulting restatement of the Annual Franchise Payment Components, the Profit Share Components, the AFA/DFR Components and the Benchmarks and/or the Annual Benchmarks (as applicable) shall be made in accordance with this Schedule 9.1:
- (a) where it is reasonably practicable to do so, at least three Reporting Periods prior to the Change; or
 - (b) where the timescale in paragraph 2.1(a) is not reasonably practicable, as soon as reasonably practicable after that.
- 2.2 If paragraph 2.1(b) applies and it is not reasonably practicable for the restatement of the Annual Franchise Payment Components, the Profit Share Components and the AFA/DFR Components to be made before the Change occurs, then paragraph 9 (Estimated Revisions) shall apply.
- 3. How any adjustments to Franchise Payments will be established**
- 3.1 The adjustments, if any, to the Franchise Payments to be made in respect of any Change shall be established by:
- (a) establishing those Model Changes and/or Revised Inputs required to take account of the Change; then
 - (b) applying those Model Changes and/or Revised Inputs to the Financial Model before performing a Run of the Financial Model to generate the New Results; then
 - (c) restating the Annual Franchise Payment Components, the Profit Share Components and the AFA/DFR Components by, in each case, substituting the New Results for the Old Results (so that, to the extent that the New Results and the Old Results are different, this will result in an adjustment to the Franchise Payments),
- in each case, subject to and in accordance with the terms more particularly described in this Schedule 9.1.

4. **How Model Changes and/or Revised Inputs will be established**

- 4.1 The parties shall agree or the Secretary of State shall reasonably determine the Revised Inputs and (if any) the Model Changes.
- 4.2 "Revised Inputs" means:
- (a) the data that the Financial Model utilised in order to produce the Old Results, as such data is recorded in the Financial Model released by the Secretary of State pursuant to either of paragraphs 2.1(d) or 2.2 of Schedule 9.2 (Identity of the Financial Model etc.) for the purposes of the Run of the Financial Model; but
 - (b) amended, whether by way of increase, reduction or other alterations to such data, (if at all) only as the parties may agree or the Secretary of State may reasonably determine is required by the provisions of Appendix 2 (Agreement or Determination of Revised Inputs) to this Schedule 9.1 in respect of a Change.
- 4.3 "**Model Changes**" means any changes that the parties may agree or the Secretary of State may reasonably determine are required to the Financial Model and/or the Operational Model, as released by the Secretary of State pursuant to either of paragraphs 2.1(d) or 2.2 of Schedule 9.2 (Identity of the Financial Model etc.), for the purposes of the Run of the Financial Model, as a consequence of and in order to give effect to the Revised Inputs.
- 4.4 The Secretary of State shall provide a written statement of the Revised Inputs and any Model Changes to the Franchisee for the purposes of paragraph 7 promptly after they have been agreed or determined.

5. **Changes to Benchmarks and/or Annual Benchmarks**

- 5.1 This paragraph 5 shall apply if either party has given notice to the other that it considers that a Change has or will have, in that party's reasonable opinion, a material effect on the risk of the Franchisee failing to satisfy the requirements of any Benchmark and/or Annual Benchmark (whether in terms of increasing or reducing that risk).
- 5.2 Any notice referred to in paragraph 5.1 shall be given as soon as reasonably practicable and in any event before the parties have agreed or the Secretary of State has reasonably determined the Revised Inputs in respect of the Change.
- 5.3 Where this paragraph 5 applies, the relevant Benchmarks and/or Annual Benchmarks shall be revised to the extent that such revision is reasonably considered to be necessary to hold constant the risk of the Franchisee failing to satisfy the requirements of that Benchmark and/or Annual Benchmarks. The parties shall agree or the Secretary of State shall reasonably determine any such revision(s).
- 5.4 For the purposes of any revision to the Benchmarks and/or Annual Benchmarks under this paragraph 5, regard may be had to:
- (a) any assumptions in the Record of Assumptions; and/or
 - (b) the contents of an Operational Model; and/or
 - (c) any other information,
- to the extent they are relevant to the consideration of whether a revision is reasonably considered to be appropriate to take account of the Change.

6. **Run of the Financial Model following agreement or determination of the Revised Inputs and Model Changes**

- 6.1 When the Revised Inputs and Model Changes (if any) are agreed or determined there shall be a Run of the Financial Model.

- 6.2 The Run of the Financial Model shall be performed after making any Model Changes and utilising the Revised Inputs and shall be performed by:
- (a) the Franchisee promptly on receiving notification of the Revised Inputs and any Model Changes from the Secretary of State pursuant to paragraph 4.4 or within such period of time as the Secretary of State shall reasonably determine; or
 - (b) the Secretary of State if the Franchisee fails to do so. In these circumstances, the Franchisee shall reimburse to the Secretary of State the Secretary of State's costs of performing the Run of the Financial Model.
- 6.3 The party that performs the Run of the Financial Model pursuant to paragraph 6.2 shall provide the non performing party with a reasonable opportunity to be in attendance and shall promptly notify such other party of the New Results.
- 6.4 Where there is more than one Change, Runs of the Financial Model in respect of such Changes shall (unless otherwise agreed or the Secretary of State reasonably determines) be undertaken in the order in which such Changes occur. For this purpose, the order of occurrence will be determined by reference to the earliest date from which the Franchise Payments are reasonably expected to require adjustment as a result of the restatement of the Annual Franchise Payment Components triggered by a Change. This will be as agreed between the parties or in the absence of agreement be reasonably determined by the Secretary of State.
7. **Certification or Audit of the New Results**
- 7.1 The Secretary of State, as soon as reasonably practicable after receiving or generating the New Results pursuant to paragraph 6.3, shall either:
- (a) certify to the Franchisee his approval of the New Results; or
 - (b) notify the Franchisee that he requires the Run of the Financial Model and its results to be audited by an independent auditor appointed by the Secretary of State with the approval (not to be unreasonably withheld) of the Franchisee.
- 7.2 For the purposes of paragraph 7.1(b), the requirement for an audit is one that requires the auditor either to certify:
- (a) that the New Results have been produced by applying the Revised Inputs (as provided to the Franchisee by the Secretary of State pursuant to paragraph 4.4) to the Financial Model after making the Model Changes (as provided to the Franchisee by the Secretary of State pursuant to paragraph 4.4); or
 - (b) the New Results themselves, by itself applying the Revised Inputs (as provided to the Franchisee by the Secretary of State pursuant to paragraph 4.4) to the Financial Model after making the Model Changes (as provided to the Franchisee by the Secretary of State pursuant to paragraph 4.4).
- 7.3 The parties shall procure that any auditor is, as soon as reasonably practicable after his appointment, able to discharge the audit requirements.
- 7.4 The results as certified by the Secretary of State pursuant to paragraph 7.1 or by the auditor pursuant to paragraph 7.2 shall be final and binding on the parties, except in the case of manifest error.
- 7.5 The Secretary of State may stipulate (on or before the date on which the Secretary of State approves or the auditor certifies the results of the Run of the Financial Model) in respect of a Change that the restated Annual Franchise Payment Components are to apply for a limited period of time only (the "**Initial Period**"), with provision thereafter, if appropriate, for a further Run of the Financial Model with new Revised Inputs and/or Model Changes based on information available at that time.

8. Restatement of the Annual Franchise Payment Components, the Profit Share Components, the AFA/DFR Components, the Benchmarks and/or Annual Benchmarks

8.1 When the New Results have been certified by the Secretary of State or the auditor in accordance with paragraph 7 then:

- (a) if:
 - (i) there is any difference between the Old Results and the New Results; and
 - (ii) the New Results are such that the Change:
 - (1) meets the criteria for a Qualifying Change; or
 - (2) with other Changes meets the criteria for an Aggregated Qualifying Change,

the Annual Franchise Payment Components, the Profit Share Components and the AFA/DFR Components shall be restated in the amounts of the New Results; and
- (b) if any changes to the Benchmarks and/or Annual Benchmarks have been agreed or determined in accordance with paragraph 5, the Benchmarks and/or Annual Benchmarks shall be restated to give effect to those changes.

8.2 Subject to paragraph 8.3, the restatement of the Annual Franchise Payment Components, the Profit Share Components and the AFA/DFR Components shall have effect on and from the date on which the Secretary of State or the auditor certifies the results of the Run of the Financial Model.

8.3 If and to the extent that:

- (a) the application of the New Results in respect of the then current or any earlier Franchisee Year would result in any change to the amount of any payments already made between the Secretary of State and the Franchisee; and
- (b) that change in payments is not already taken into account in any Reconciliation Amount payable pursuant to paragraph 9.11,

then a reconciliation payment shall be paid by the Franchisee or the Secretary of State (as the case may be). The payment shall be made on the first Payment Date which falls more than seven days after agreement or determination of the amount of the reconciliation payment required (or if there is no such Payment Date, within 14 days after such agreement or determination).

9. Estimated Revisions

9.1 This paragraph 9 applies where there is or is to be a Change before there is a Run of the Financial Model in respect of it. It provides a mechanism for interim adjustments in Franchise Payments pending the final agreement or determination of those adjustments under this Schedule 9.1.

9.2 Where this paragraph 9 applies, the Secretary of State shall make the Estimated Revisions described in paragraph 9.3:

- (a) if the Franchisee requests the Secretary of State to do so at the same time as requesting a Run of the Financial Model in respect of the Change under paragraph 1.4; or
- (b) if the Secretary of State otherwise agrees or chooses (in his discretion) to do so.

- 9.3 The estimated revisions are the Secretary of State's estimates of the New Results which will apply once the process in paragraphs 4 - 8 of this Schedule 9.1 has been completed in respect of the Change (the "**Estimated Revisions**"). For the avoidance of doubt, Revised Inputs are not made in order to generate or take account of the Estimated Revisions.
- 9.4 The estimates referred to in paragraph 9.3 will be such estimates as the Secretary of State, acting reasonably, makes having regard to the time and the information available to him at the time the estimates fall to be made, provided always that it is acknowledged that:
- (a) the purpose of the estimates is to enable provision to be made in respect of adjustments to the Annual Franchise Payment Components, the Profit Share Components and the AFA/DFR Components before full information about the Change is available and/or full consideration of the nature and extent of Revised Inputs and/or Model Changes has been undertaken;
 - (b) it may not be reasonably practicable in all circumstances for the Secretary of State to take into account in such an estimate all actual or potential impacts of a Change. Where the Secretary of State is aware that there are any such actual or potential impacts which he has not taken into account, he shall notify the Franchisee of them when notifying the Estimated Revisions pursuant to paragraph 9.2; and
 - (c) the Secretary of State shall be entitled to adjust any Estimated Revision notified pursuant to paragraph 9.2 to the extent he reasonably considers appropriate if at any time:
 - (i) the Secretary of State becomes aware of any new or revised information which would, if it had been available to him at the time he made his original estimate, have resulted in him making a different Estimated Revision; and
 - (ii) it is reasonable to revise the Estimated Revision having regard to the likely period of delay prior to the Run of the Financial Model in respect of the relevant Change.
- 9.5 In the circumstances described in paragraph 9.2 and paragraph 9.4(c), the Annual Franchise Payment Components, the Profit Share Components and the AFA/DFR Components shall be restated in the amounts and values of the Estimated Revisions, and Franchise Payments shall be paid accordingly until the Run of the Financial Model has taken place and its results have been put into effect.
- 9.6 The Secretary of State shall use all reasonable endeavours to notify the Franchisee of the Estimated Revisions required by paragraph 9.2 at least two Reporting Periods before he considers the Change is likely to occur. If, having exercised all reasonable endeavours, the Secretary of State cannot provide two Reporting Periods' notice, he shall provide such notification as soon as reasonably practicable afterwards.
- 9.7 The restatement of the Annual Franchise Payment Components, the Profit Share Components and the AFA/DFR Components referred to in paragraph 9.5 shall have effect on and from:
- (a) the date on which the Secretary of State notifies the Franchisee of the Estimated Revisions; or
 - (b) such other date as the Secretary of State, acting reasonably, may notify the Franchisee as the date on which the Secretary of State considers the Estimated Revisions should reasonably take effect, consistent with the matters taken into account by the Secretary of State in estimating the Estimated Revisions.
- 9.8 No estimate made by the Secretary of State pursuant to this paragraph 9 shall prejudice the Secretary of State's subsequent determination of any Revised Input or Model Change pursuant to paragraph 4.

- 9.9 Subject to paragraph 9.10, where adjustments to Franchise Payments (including for these purposes any profit share payments pursuant to paragraph 3 of Schedule 8.1 (Franchise Payments)) have resulted from the operation of paragraph 9.5. then, as soon as reasonably practicable after the certification of the New Results following the related Run of the Financial Model, the parties shall agree or the Secretary of State shall reasonably determine the difference (the "**Reconciliation Amount**") between:
- (a) the total amount of Franchise Payments (including for these purposes the profit share payments pursuant to paragraph 3 of Schedule 8.1 (Franchise Payments)) paid or to be paid to which adjustments have been made pursuant to the operation of paragraph 9.5; and
 - (b) the total amount of the Franchise Payments (including for these purposes the profit share payments pursuant to paragraph 3 of Schedule 8.1 (Franchise Payments)), as determined by that Run of the Financial Model, in respect of the same period as the period over which the adjusted Franchise Payments (including for these purposes the profit share payments) referred to in paragraph 9.9(a) have been paid or are to be paid.
- 9.10 If a Change is agreed or determined not to be a Qualifying Change or not to be part of an Aggregated Qualifying Change with or without any Run of the Financial Model having been performed, the Reconciliation Amount shall be the total amount of the adjustments to Franchise Payments (including profit share payments referred to in paragraph 9.9) which have resulted from the operation of paragraph 9.5.
- 9.11 The Reconciliation Amount shall be paid:
- (a) by the Franchisee to the Secretary of State where the Estimated Revisions resulted in:
 - (i) an overpayment of Franchise Payments by the Secretary of State to the Franchisee; or
 - (ii) an underpayment of Franchise Payments and/or profit share payments pursuant to paragraph 3 of Schedule 8.1 (Franchise Payments),
 by the Franchisee to the Secretary of State compared with:
 - (iii) the amount of the Franchise Payments (including for these purposes the profit share payments pursuant to paragraph 3 of Schedule 8.1 (Franchise Payments)), described in paragraph 9.9(b); or
 - (iv) where paragraph 9.10 applies, the amount of the unrestated Franchise Payments (including for these purposes the profit share payments pursuant to paragraph 3 of Schedule 8.1 (Franchise Payments)), over the same period; and
 - (b) by the Secretary of State to the Franchisee where the Estimated Revisions resulted in:
 - (i) an underpayment of Franchise Payments by the Secretary of State to the Franchisee; or
 - (ii) an overpayment of Franchise Payments and/or profit share payments pursuant to paragraph 3 of Schedule 8.1 (Franchise Payments),
 by the Franchisee to the Secretary of State compared with:

- (iii) the amount of the Franchise Payments (including for these purposes the profit share payments pursuant to paragraph 3 of Schedule 8.1 (Franchise Payments)) described in paragraph 9.9(b); or
- (iv) where paragraph 9.10 applies, the amount of the unrestated Franchise Payments (including for these purposes the profit share payments pursuant to paragraph 3 of Schedule 8.1 (Franchise Payments)) over the same period,

in either case, such payment shall be made on the first Payment Date which falls more than 7 days after agreement or determination (or if none, within 14 days after such agreement or determination).

10. **Information**

The Franchisee shall promptly, having regard to the other timescales anticipated in this Schedule 9.1, provide to the Secretary of State such information as the Secretary of State may request for the purpose of enabling the Secretary of State to exercise his rights and comply with his obligations pursuant to this Schedule 9.1.

11. **Costs**

11.1 This paragraph deals with the costs incurred by the Franchisee in connection with any audit required by the Secretary of State pursuant to paragraph 7.

11.2 The costs of any audit required under paragraph 7.1(b) shall be met by the Secretary of State subject to the following:

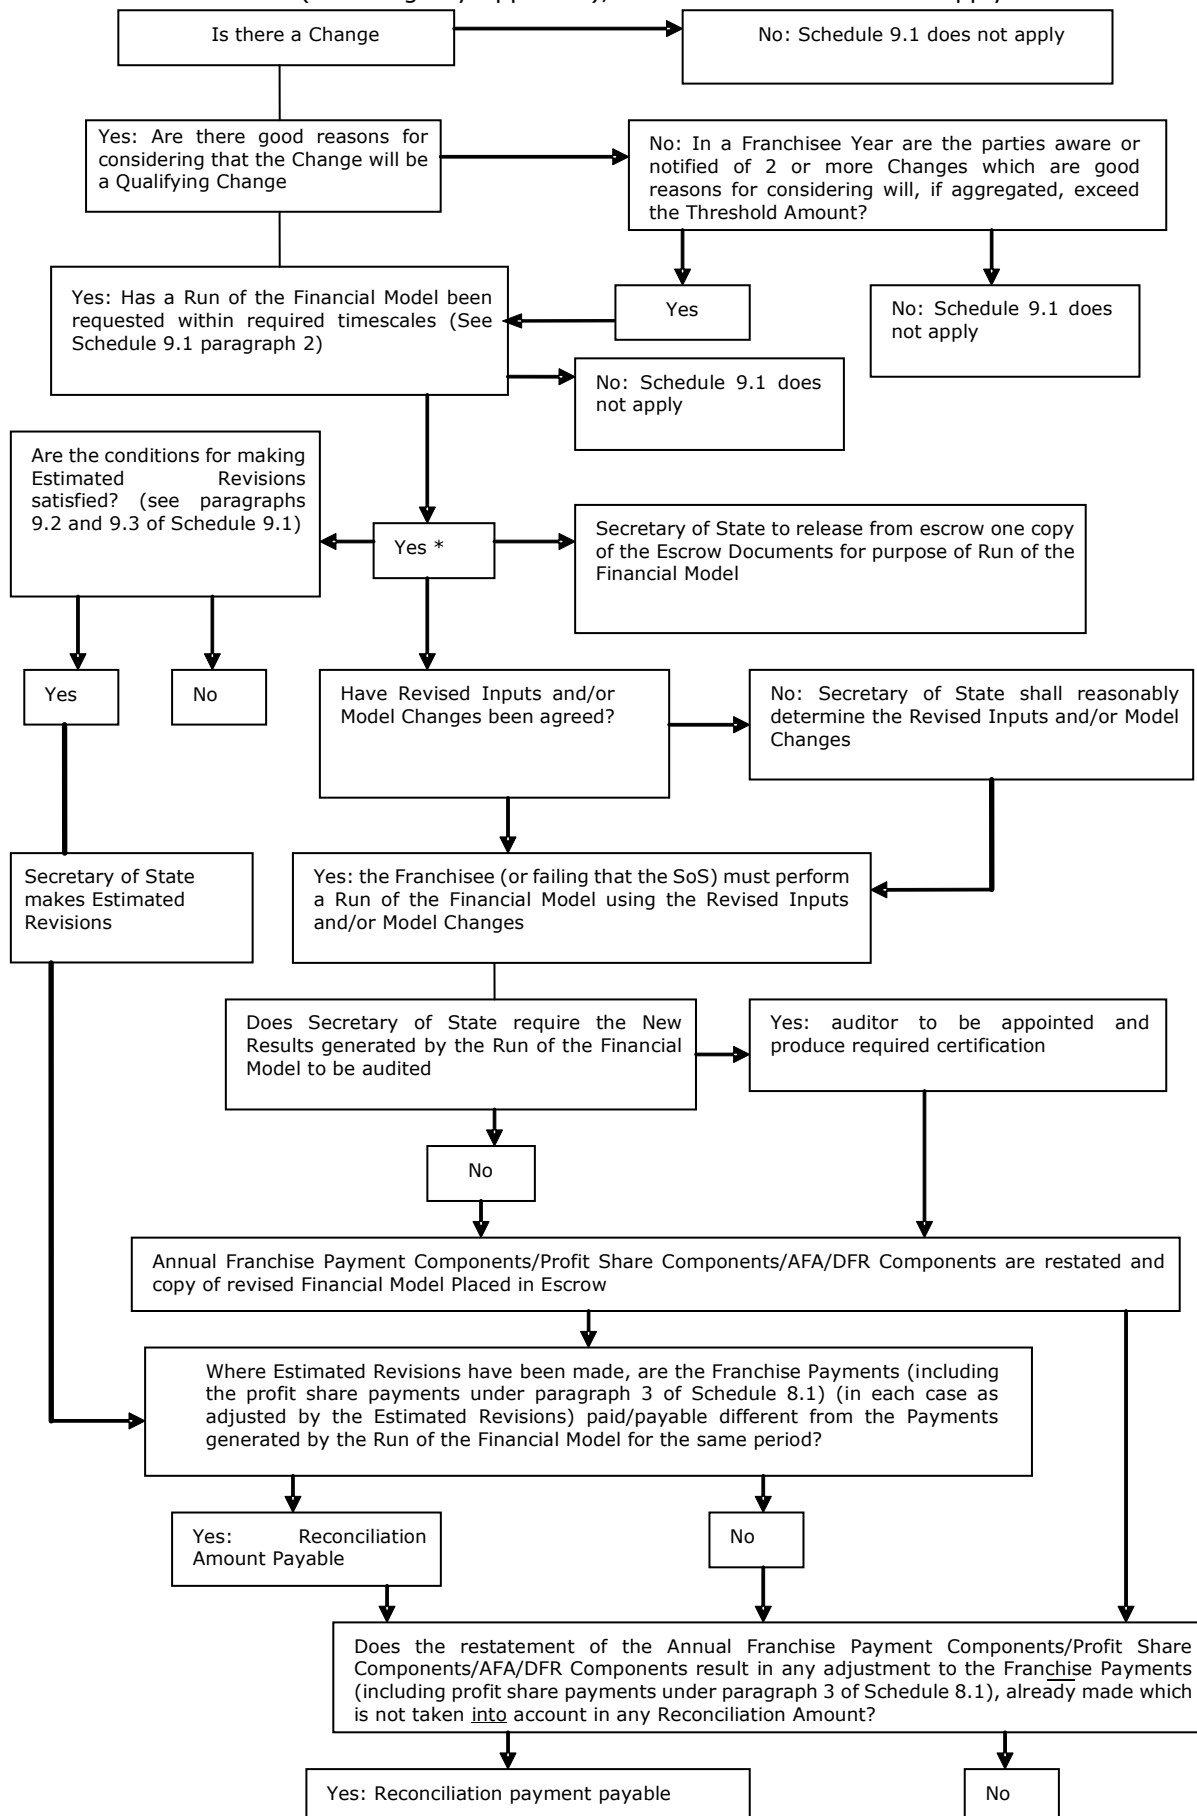

- (a) the costs of the audit shall be met entirely by the Franchisee:
 - (i) not used; and
 - (ii) in the case of a Change falling within any of the following sub-paragraphs within the definition of Change:
 - (A) an event set out in any Secretary of State Risk Assumption specified in Schedule 9.3 (Secretary of State Risk Assumptions) or any of the events specified in paragraphs 3.1, 3.3 or 4.9 of Schedule 9.4 (Specified Infrastructure Related Change); and
 - (B) a Charge Variation.
- (b) where paragraph 11.2(a) does not apply, the Secretary of State shall only be responsible for the reasonable costs of the Franchisee in connection with the audit, and the Franchisee shall comply with the Secretary of State's reasonable directions in connection with the audit which may include a requirement for a competitive tender for the appointment of the auditor.

This summary is for guidance only. If there are any inconsistencies with the other contents of Schedule 9.1 or 9.2 (including any Appendix), those other contents shall apply.

APPENDIX 2 TO SCHEDULE 9.1**Agreement or Determination of Revised Inputs**

1. The parties shall agree or the Secretary of State shall reasonably determine the Revised Inputs that are required in respect of a Change:
 - (a) on the basis of the general adjustments and/or assumptions referred to in paragraph 2;
 - (b) on the basis of the assumptions in the Record of Assumptions as added to and/or amended (if at all) in accordance with paragraph 3;
 - (c) so as to provide for Traction Electricity Charges in accordance with paragraph 4;
 - (d) so as to provide for profit in accordance with paragraph 5;
 - (e) so as to give effect to the provisions of paragraph 6 in relation to indexation; and
 - (f) so as to give effect to the provisions of paragraph 8 in relation to Cancellations Performance Sum and TOC Minute Delay Performance Sum,

provided that if there is any inconsistency between the assumptions in the Record of Assumptions described in paragraph (b) above and any other of the requirements of this paragraph 1, those other requirements shall prevail, unless the Secretary of State (acting reasonably) otherwise elects.
2. **General Adjustments/Assumptions**
 - 2.1 Revised Inputs are to be agreed between the parties or reasonably determined by the Secretary of State on the basis that:
 - (a) any increase in costs relating to a Change; and/or
 - (b) any reduction in revenues relating to a Change,

that is attributable to any activities, actions or omissions of the Franchisee which are not permitted under, or would otherwise constitute a contravention of, the terms of the Franchise Agreement, is to be disregarded.
 - 2.2 Revised Inputs are to be agreed between the parties or reasonably determined by the Secretary of State on the basis that:
 - (a) any reduction in costs relating to a Change; and/or
 - (b) any increase in revenues relating to a Change,

that is attributable to any activities, actions or omissions of the Franchisee which are not permitted under, or would otherwise constitute a contravention of, the terms of the Franchise Agreement, is to be taken into account.
 - 2.3 Revised Inputs are also to be agreed between the parties or reasonably determined by the Secretary of State on the basis that:
 - (a) the Franchisee will use all reasonable endeavours to:
 - (i) reduce any costs that may arise or income that may be foregone; and

- (ii) increase any revenue that may arise and avoid any cost that may be avoided,

- (b) as a consequence of a Change; and

any requirement for borrowing in respect of Capital Expenditure by the Franchisee is dealt with in accordance with paragraph 2 of Schedule 9.5 (Variations to the Franchise Agreement and Incentivising Beneficial Changes).

- 2.4 Where and as directed to do so by the Secretary of State (acting reasonably) the Franchisee shall undertake one or more competitive tendering exercises for the purposes of ascertaining the likely level of any costs relating to a Change which are relevant to a Revised Input.

3. **Assumptions in the Record of Assumptions**

- 3.1 The parties shall (unless to do so would be contrary to paragraph 2) agree or the Secretary of State shall reasonably determine Revised Inputs that are in accordance with the assumptions that are contained in the Record of Assumptions, as added to or modified pursuant to paragraph 3.2 or paragraph 3.3.

- 3.2 Where the Secretary of State reasonably considers that the assumptions contained in the Record of Assumptions are ambiguous or that additional assumptions are required in relation to circumstances not dealt with by the assumptions in the Record of Assumptions, the parties shall agree or the Secretary of State shall reasonably determine the assumptions or additional assumptions to be utilised for this purpose.

- 3.3 Where the Secretary of State reasonably considers that:

- (a) a Change is likely to result in an increase in either or both of the costs of the Franchisee and the revenues of the Franchisee; and
- (b) an assumption relevant to the Change contained in the Record of Assumptions does not accord with what would be achievable by, or experienced by, an economic and efficient franchisee,

then the parties shall agree or the Secretary of State shall reasonably determine a modification to the assumption so that, as modified, it does accord with what would be achievable by, or experienced by, an economic and efficient franchisee.

4. **Traction Electricity Charges**

- 4.1 This paragraph 4 applies only in relation to Charge Variations.

- 4.2 In agreeing or determining Revised Inputs, no adjustment shall be made in respect of a Charge Variation to the extent that Charge Variation relates, directly or indirectly and however it may be effected, to the Traction Electricity Charge payable by the Franchisee pursuant to any Track Access Agreement. For this purpose (and subject to clause 1.1(l) of this Agreement), the Traction Electricity Charge is the component of the Track Charges (as defined in the Track Access Agreement) identified as such in any Track Access Agreement or any similar arrangement under which the Franchisee pays for traction current consumed by rolling stock vehicles operated by or on behalf of the Franchisee.

5. **Revised Input for Profit**

- 5.1

- (a) Where a Change is forecast to result in an increase to the Franchisee's revenue in a Franchisee Year, the parties shall agree or the Secretary of State shall reasonably determine Revised Inputs in relation to profit that provide for an increase in the amount of profit in any Franchisee Year equal to the percentage

agreed profit margin of the forecast increase in revenue for that Franchisee Year as set out below:

Franchisee Year	Percentage Agreed Profit Margin (%)¹⁴²
Year 1	
Year 2	
Year 3	
Year 4	
Year 5	
Year 6	
Year 7	
Year 8 (extension)	
Year 9 (extension)	

; and/or

- (b) Where a Change is forecast to result in a reduction in the Franchisee's revenue in a Franchisee Year, the parties shall agree or the Secretary of State shall reasonably determine Revised Inputs in relation to profit that provide for a decrease in the amount of profit in any Franchisee Year equal to the lower of:

- (i) the percentage specified in paragraph 5.1(a); or
- (ii) the average profit margin in the current Business Plan for the remaining Franchise Term,

of the forecast reduction in revenue for that Franchisee Year.

5.2 In agreeing or determining Revised Inputs in relation to profit in respect of any Change, the parties or the Secretary of State shall effect such change (if any) in the amount attributable to profit in paragraph 5.1 as they agree or the Secretary of State reasonably determines to reflect:

- (a) the risk for the Franchisee in continuing to operate the Franchise on the terms of the Franchise Agreement after and as a result of the Change; and
- (b) the likelihood of:
 - (i) material benefit from such Change arising after expiry of the Franchise Term; and

¹⁴² Date of redaction 16/06/2016 - where text has been omitted from the document, this is because the Director General Rail or Secretary of State has decided to exclude the text in accordance with the provisions within the Freedom of Information Act 2000.

- (ii) material detriment from such Change arising prior to the expiry of the Franchise Term.

5.3 In agreeing or determining Revised Inputs for the purposes of any Protected Proposal, the parties or the Secretary of State shall effect such change (if any) to the amount attributable to profit as they agree or the Secretary of State reasonably determines:

- (a) fairly rewards the Franchisee for proposing the Protected Proposal; and
- (b) reasonably incentivises the Franchisee to propose further Protected Proposals

by sharing with the Franchisee a reasonable amount of the additional profit that is expected to arise from implementing the Protected Proposal.

5.4 The Annex (Incentivising Long Term Investment) to this Appendix 2 sets out the Secretary of State's guidance on how he approaches incentivising long term investment. Nothing in this Annex is intended to limit or be limited by, the provisions of paragraph 2.2 of Schedule 14.4 (Designation of Franchisee Assets).

6. **Indexation**

In agreeing or determining Revised Inputs, the parties shall apply the following principles in connection with indexation. For each relevant item of data in the Financial Model in respect of which a Revised Input is agreed or determined to be required:

- (a) the parties shall agree or the Secretary of State shall reasonably determine, having regard to the particular facts of the Change, the base date at which that item is priced; and
- (b) that item shall be deflated by reference to the original base date and index (if any) relevant to that item in the Financial Model.

7. **Efficiency Benefit Share**

No Revised Inputs shall be made to reflect:

- (a) any amount payable by or to the Franchisee in respect of Efficiency Benefit Share Mechanism; or
- (b) any change in the basis on which Efficiency Benefit Share Mechanism is calculated or is to be paid (including any change which may require amounts in respect of Efficiency Benefit Share Mechanism to be payable by as well as payable to the Franchisee).

8. **Cancellations Performance Sum and TOC Minute Delay Performance Sum**

In agreeing or determining Revised Inputs, no adjustment shall be made to the Financial Model to reflect any change in the amount of the Cancellations Performance Sum or the TOC Minute Delay Performance payable by the Secretary of State or to be incurred by the Franchisee arising from the exercise by the Secretary of State of his rights pursuant to paragraph 1.7 of Schedule 7.1 (Performance Benchmarks). For example if prior to such exercise the Franchisee would have been entitled to receive a Cancellations Performance Sum of £100 for a particular level of performance against the Annual Cancellations Benchmark and after such exercise the Franchisee would only be entitled to receive a Cancellations Performance Sum of £50 for achieving the same level of performance, no adjustment shall be made to the Financial Model to reflect this.

ANNEX TO APPENDIX 2 TO SCHEDULE 9.1**Incentivising Long Term Investment**

This Appendix sets out the Secretary of State's guidance on how he approaches incentivising long term investment.

1. The Secretary of State wishes to encourage the Franchisee to:
 - (a) improve the efficiency;
 - (b) reduce the cost; and
 - (c) enhance the revenue earning potential of the delivery of services to passengers, from the commencement of the Franchise, through the Franchise Term and into the successor franchises.
2. It is recognised however that the Franchise Term may be perceived to be a barrier to undertaking investment or change programmes where:
 - (a) the time scale for implementation limits the benefit to the Franchisee; or
 - (b) the business case for such investment or change has a payback period longer than the Franchise Term.
3. In this context investment or change may be considered to encompass:
 - (a) capital investments undertaken solely by the Franchisee;
 - (b) capital investments undertaken by the Franchisee in association with others;
 - (c) total or partial substitution of certain train services by bus services where an enhanced service level could be provided for reduced cost or where the provision of bus services improves the overall capacity of the network or delivers other benefits;
 - (d) changes in working practices of the Franchisee's employees;
 - (e) changes in the contracted roles and responsibilities between the Franchisee and its major suppliers; and
 - (f) operational changes.
4. Accordingly, the Franchisee is encouraged to propose schemes that seek to achieve the objectives set out in paragraph 1 for consideration by the Secretary of State during the Franchise Term.
5. In considering the Franchisee's proposals for any investment or change proposed to be undertaken, the Secretary of State will recognise:
 - (a) the capital cost and proposed payment profile;
 - (b) legitimate costs of the Franchisee in developing, procuring, delivering and project managing the project;
 - (c) the life of any capital assets and the duration of the benefits stream arising;
 - (d) the remaining Franchise Term and the projected payback period;

- (e) the benefits associated with undertaking the investment early rather than waiting until the Franchise is re-let;
 - (f) the risks of cost overrun or under performance of the projected benefits;
 - (g) a profit element for undertaking the project commensurate with the risks of the proposed project; and
 - (h) alternative benefit sharing arrangements which could be based on:
 - (i) a capital lump sum when the expenditure is incurred;
 - (ii) an enhanced Franchise Payment over the Franchise Term;
 - (iii) a balloon payment on expiry of the Franchise which allocates a proportion of future benefits to the Franchisee;
 - (iv) an ongoing payment if the benefits materialise after the Franchise Term; and/or
 - (v) any combination of any of paragraphs 5(h)(i) to 5(h)(iv) inclusive.
6. In evaluating the Franchisee's proposals for any investment or change proposed to be undertaken and to enable best value for money to be obtained from third party financiers, the Secretary of State shall also give consideration to the appropriateness of the provision, by the Secretary of State, of an undertaking (or other form of comfort) pursuant to Section 54 of the Act.

SCHEDULE 9.2

Identity of the Financial Model etc.

1. **Franchisee's Obligations**

- 1.1 The Franchisee shall deliver two copies of each of the Financial Model, the Operational Model and the Record of Assumptions (each such copy in electronic format on CD-ROM) together with hard format copies of the output template of the Financial Model in the format set out in the document in agreed terms marked **FF** (the **Escrow Documents**) to the Secretary of State in the agreed form, accompanied by a notice that the Escrow Documents are to be Placed in Escrow.
- 1.2 The Franchisee shall deliver the Escrow Documents in accordance with paragraph 1.1 of this Schedule 9.2:
 - (a) on the date of the Franchise Agreement;
 - (b) within seven days of the Start Date, but updated only as strictly necessary for any elapsed time between the actual Start Date and the date assumed to be the Start Date in the Initial Business Plan; and
 - (c) within seven days of any approval or audit of a Run of the Financial Model as provided for in paragraph 7 of Schedule 9.1 (Financial and Other Consequences of Change), but updated with the Revised Inputs and any Model Changes.
- 1.3 The Franchisee shall deliver with each such deposit of the Escrow Documents all of the following information to the extent that it is relevant:
 - (a) details of the Escrow Documents deposited (including full filename and version details, any details required to access the Escrow Documents including media type, backup command/software used, compression used, archive hardware and operating system details);
 - (b) the names and contact details of persons who are able to provide support in relation to accessing and interpreting the Escrow Documents; and
 - (c) if required by the Secretary of State, a certificate from independent auditors approved by the Secretary of State, confirming that the deposited version of the Escrow Documents is in the agreed form in accordance with paragraph 1.1 or (as the case may be) is in accordance with paragraphs 1.2(b) or 1.2(c).

2. **Secretary of State's Obligations**

- 2.1 The Secretary of State shall:
 - (a) within three days following receipt, acknowledge receipt to the Franchisee of any version of the Escrow Documents delivered to him for the purposes of being Placed in Escrow;
 - (b) save as provided under paragraph 2.1(c), store each copy of the Escrow Documents in a different physical location from any other copy of each such document and use all reasonable endeavours to ensure that each copy of the Escrow Documents is at all times kept in a safe and secure environment. In so doing the Secretary of State shall be deemed to have Placed in Escrow the Escrow Documents for the purposes of the Franchise Agreement;
 - (c) notify the Franchisee if he becomes aware at any time during the term of the Franchise Agreement that any copy of the Escrow Documents or part thereof stored in a particular location has been lost, damaged or destroyed. In such an

event, the Secretary of State shall be permitted to create a new copy of the Escrow Documents or part thereof from the other copy Placed in Escrow and shall within seven days notify the Franchisee accordingly and afford it the right to make reasonable inspections in order to satisfy itself that a "complete and accurate" copy has been made. Following the making of such a new copy of the Escrow Documents, the Secretary of State shall retain all copies of the Escrow Documents in accordance with paragraph 2.1(b);

- (d) within seven days of receipt of a notice from the Franchisee stating that the Escrow Documents are required for the purposes of a Run of the Financial Model in relation to any Change, or should the Secretary of State himself so decide that the Escrow Documents are required by the Franchisee or by the Secretary of State for such purposes release one copy of the Escrow Documents accordingly and retain one copy of the Escrow Documents in escrow in accordance with paragraph 2.1(b);
- (e) maintain a record of any release of any copy of any version of the Escrow Documents made, including details of any version released and the date of release as well as the identity of the person to whom the Escrow Documents are released;
- (f) have no obligation or responsibility to any person whatsoever to determine the existence, relevance, completeness, accuracy, effectiveness or any other aspect of the Escrow Documents; and
- (g) not be liable for any loss, damage or destruction caused to the Franchisee arising from any loss of, damage to or destruction of the Escrow Documents.

2.2 If the Franchisee fails to perform a Run of the Financial Model pursuant to paragraph 6.2(a) of Schedule 9.1 (Financial and Other Consequences of Change) or fails to return the copy of the Escrow Documents released pursuant to paragraph 2.1(d):

- (a) such failure to perform or to return the released copy to the Secretary of State shall be a contravention of the Franchise Agreement;
- (b) the Secretary of State may release the other copy of the Escrow Documents Placed in Escrow and take a copy thereof (the "**Replacement Copy**") in order that the Secretary of State may perform a Run of the Financial Model pursuant to paragraph 6.2(a) of Schedule 9.1 (Financial and other Consequences of Change);
- (c) once copied, the second copy of the Escrow Documents released pursuant to this paragraph 2.2 shall be Placed in Escrow; and
- (d) once the Run of the Financial Model has been approved or audited as provided for in paragraph 7 of Schedule 9.1 (Financial and Other Consequences of Change), two copies of the Replacement Copy shall also be Placed in Escrow.

Nothing in this Schedule 9.2 shall prevent the Secretary of State or the Franchisee each retaining for their working use one or more copies of any of the Escrow Documents Placed in Escrow provided that no such working copy shall (unless otherwise explicitly agreed by the parties) be regarded as a copy released from Escrow for the purposes of this Schedule 9.2 or any Run of the Financial Model.

3. **Errors in Escrow Documents**

3.1 Any feature of the Escrow Documents which is in the reasonable opinion of the Secretary of State an error will be addressed as follows:

- (a) if rectification of such an error would (as the case may be) over the Franchise Term result in a net increase in the amount of Franchise Payments payable by the Secretary of State to the Franchisee or a net decrease in the amount of

Franchise Payments payable by the Franchisee to the Secretary of State then such error shall be rectified provided that there shall not be a restatement of the values of the Annual Franchise Payment Components, the Profit Share Components and the AFA/DFR Components;

- (b) if rectification of such an error would (as the case may be) over the Franchise Term result in a net decrease in the amount of Franchise Payments payable by the Secretary of State to the Franchisee or a net increase in the amount of Franchise Payments payable by the Franchisee to the Secretary of State then such error shall be rectified and the values of the Annual Franchise Payment Components, the Profit Share Components and the AFA/DFR Components shall be restated where appropriate;
- (c) a record of the error shall be noted in the Record of Assumptions and, if applicable, the Financial Model; and
- (d) as soon as reasonably practicable after the date of the rectification of the error, the Franchisee shall (unless otherwise agreed by the Secretary of State) deliver to the Secretary of State a certificate from independent auditors approved by the Secretary of State confirming that the error has been rectified as required by this paragraph 3 and is now in the agreed form in accordance with paragraphs 1.1, 1.2(b) or 1.2(c) as the case may be.

SCHEDULE 9.3**Secretary of State Risk Assumptions****1. ERTMS**

It shall be a Change if there is a material change to the actual implementation plans (including the relevant timescales for the delivery of such plans) adopted by Network Rail in respect of the ERTMS Programme when compared to the plans as specified in the Proposed ERTMS Implementation Plan and, as a result, after taking into account any compensation that the Franchisee is entitled to claim whether under Schedule 4 of the Track Access Agreement, Condition G.2 of the Network Code or otherwise (and for these purposes it shall be assumed that the Track Access Agreement complies with the provisions of paragraph 3.4 of Schedule 6.2 (TransPennine Express Franchise Specific Provisions)), the Franchisee is financially better off than would otherwise have been the case.

2. Recalibration of the Fixed Track Access Charges/Access Charge Supplement as a consequence of the Remapping Proposals

2.1 A Change shall occur if as a direct consequence of the remapping of the passenger services referred to in paragraph 14.1 of Schedule 6.2 (TransPennine Express Franchise Specific Provisions) (the "**Proposed Start Date Remapping**") and/or the remapping arrangements described in paragraph 14.2 of Schedule 6.2 (the Proposed Start Date Remapping and the remapping arrangements referred to in paragraph 14.2 of Schedule 6.2 together to be known as the "**Remapping Proposals**") there is a difference between:

- (a) the Assumed Fixed Track Charges and the Actual Fixed Track Charges; and/or
- (b) the Assumed Access Charge Supplement and the Actual Access Charge Supplement.

2.2 For the purposes of this paragraph 2:

- (a) "**Assumed Fixed Track Charges**" means the Fixed Track Charges assumed by the Franchisee in its Financial Model and Record of Assumptions applicable as at the Start Date as being payable to Network Rail under the Track Access Agreement applicable as at the Start Date. The Assumed Fixed Track Charge to be as shown in input row 34 (I-Infrastructure worksheet) of the Financial Model and paragraph 7.2.1.1 of the Record of Assumptions.
- (b) "**Actual Fixed Track Charges**" means the amount of the Fixed Track Charges payable by the Franchisee to Network Rail under the Track Access Agreement following the recalibration of such charges as a consequence of any of the Remapping Proposals;
- (c) "**Assumed Access Charge Supplement**" means the amount of the access charge supplement for restriction of use as specified in part 5 of schedule 4 of the Track Access Agreement assumed by the Franchisee in its Financial Model and Record of Assumptions applicable as at the Start Date as being payable to Network Rail under the Track Access Agreement applicable as at the Start Date. The Assumed Access Charge Supplement to be as shown in input row 373 (I-Infrastructure worksheet) of the Financial Model and paragraph 7.2.3.2.1 of the Record of Assumptions.
- (d) "**Actual Access Charge Supplement**" means the amount of the access charge supplement for restriction of use specified in part 5 of schedule 4 of the Track Access Agreement payable by the Franchisee to Network Rail under the Track Access Agreement following the recalibration of such charges as a consequence of any of the Remapping Proposals;

- (e) **"Fixed Track Charge"** has the meaning given to it in the Track Access Agreement; and
- (f) the provisions of this paragraph 2 set out the mechanisms which the parties have agreed to give effect to their intention based on the ORR's Track Access passenger model contract as at the date of the Franchise Agreement and without limiting clause 1.1(l) of this Franchise Agreement any relevant Change shall take into account this commercial intention.

3. **Proposed Start Date Remapping Does not Occur**

3.1 A Change shall occur if as at the Start Date the Proposed Start Date Remapping (as such term is defined in paragraph 2.1) has not occurred with the effect that the Franchisee:

- (a) remains the designated employer in respect of those franchise employees that would have transferred to the Northern Franchisee by the Start Date by operation of law if the Proposed Start Date Remapping had occurred at the Start Date; and/or
- (b) retains at the Start Date any of the property, rights and liabilities relating to the Proposed Start Date Remapping which would have transferred to the Northern Franchisee by the Start Date if the Proposed Start Date Remapping had occurred at the Start Date.

SCHEDULE 9.4

Specified Infrastructure Related Change

1. Definitions

- 1.1 In this Schedule 9.4 unless the context otherwise requires, the following words and expressions have the following meanings:

"Base Assumption" means as the context requires an assumption specified in Part A of the IAD;

"Bidder Assumption" means as the context requires an assumption specified in Part C of the IAD;

"Infrastructure Issues Action Programme" has the meaning given to it in paragraph 4.4(b) of this Schedule 9.4;

"IAD" means the document in agreed terms marked **"IAD"** as it may subsequently be amended or restated in accordance with paragraphs 4.4(a) or 4.5 of this Schedule 9.4. Each amendment and restatement of the document shall be updated as necessary to state:

- (a) in Part A the then applicable Base Assumptions as any of them may be amended following any Change pursuant to paragraph 4.9 of this Schedule 9.4;
- (b) in Part B the then applicable Working Assumptions;
- (c) in Part C the then applicable Bidder Assumptions;

"IAD Review" has the meaning given to it in paragraph 4.1 of this Schedule 9.4;

"Infrastructure Review Date" means the date falling six months after the Start Date and every six months thereafter together with any additional interim dates as may be agreed between the parties; and

"Working Assumption" means as the context requires an assumption specified in Part B of the IAD.

2. Background and commercial principles

The Secretary of State and the Franchisee acknowledge and agree that:

- (a) one or more of the Working Assumptions or Bidder Assumptions may cease to be correct in circumstances which involve complex and interrelated infrastructure and rolling stock change, the consequences of which may require mitigating action to be taken during the Franchise Term;
- (b) one of the reasons that the Franchisee has been appointed by the Secretary of State to operate the Franchise Services is that it is a skilled and experienced train operator with the ability to manage these circumstances in a way that is, so far as is reasonably practicable, consistent with the efficient and effective delivery of railway infrastructure and rolling stock projects in accordance with planned timescales and budgets;
- (c) there are risk areas that are within the control of the Franchisee but it is also the case that successful delivery of infrastructure projects is materially dependent on third parties (including Network Rail) and other external factors which the Franchisee has limited or no ability to control;

- (d) accordingly in this Schedule 9.4 (Specified Infrastructure Related Change) and the relevant provisions of Schedule 6.2 (TransPennine Express Franchise Specific Provisions) the parties have sought to allocate risk between them and establish a process for mitigating risks that materialise or are likely to materialise on a reasonable and good faith basis in accordance with the following general principles:
- (i) regular and effective reporting by the Franchisee;
 - (ii) regular and effective discussion and engagement between the parties leading to appropriate decision making;
 - (iii) effective risk management and the taking of appropriate risk mitigation actions on a timely basis;
 - (iv) review of, and where appropriate adjustment to, agreed risk mitigation actions in response to developing circumstances; and
 - (v) the use of rail industry regulated compensation mechanisms under Access Agreements and the Network Code in appropriate circumstances and the provision of appropriate Change adjustments under the Franchise Agreement whilst at the same time avoiding any multiple compensation to the Franchisee in relation to the same losses or excessive compensation including where applicable by way of retrospective adjustment through Franchise Payments or otherwise where it subsequently becomes apparent that the Franchisee has received multiple compensation in relation to the same loss or excessive compensation.

3. **Change to Base Assumptions**

3.1 Subject to paragraph 3.2 below it shall be a Change if:

- (a) any infrastructure output that is the subject of a Base Assumption first becomes available for use in delivering the Passenger Services on a date that is later than the date specified in that Base Assumption or to a lesser specification in a way that materially adversely affects the Passenger Services;
- (b) either of the Ordsall Chord Funded Authorisations or the Preston to Manchester Funded Authorisations are not available on the specified date and this materially adversely affects the Passenger Services.

3.2 If there is a Change pursuant to paragraph 3.1 and the Secretary of State reasonably determines that this is caused by any unreasonable action or inaction of the Franchisee or the Franchisee not acting in accordance with its obligations pursuant to clause 5.1 of the Franchise Agreement the Secretary of State shall have the right to require that:

- (a) where the Franchisee is wholly and exclusively responsible for such circumstances arising there shall be no Change; or
- (b) where the Franchisee is partly responsible for such circumstances arising if there is a Qualifying Change then the impacts of relevant actions or inactions of the Franchisee, or its not acting in accordance with its obligations pursuant to clause 5.1 of the Franchise Agreement, shall not be taken into account in such Qualifying Change to the extent that to do so would be to compensate the Franchisee in relation to adverse impacts for which it was responsible

It is agreed that if the Base Assumption in relation to the Ordsall Chord Funded Authorisations or the Preston to Manchester Funded Authorisations is not correct and the Secretary of State acting reasonably concludes that the Franchisee failed to fully and effectively co-operate with the reasonable requirements of Network Rail to secure relevant authorisations including in particular by making available relevant electric multiple units

and electric locomotives with crews for reasonable testing purposes then the Secretary of State shall have the right to require that there shall be no Change or that any Qualifying Change shall not compensate the Franchisee to the extent that any delay to the Ordsall Chord Funded Authorisations or the Preston to Manchester Funded Authorisations can be considered to be a consequence of the Franchisee failing to so fully and effectively co-operate with Network Rail.

- 3.3 Where there is a Change pursuant to paragraph 3.1 there will be a further Change when the relevant infrastructure output is available for use in delivering the Passenger Services or when the Ordsall Chord Funded Authorisations or the Preston to Manchester Funded Authorisations (as the case may be) are obtained.
- 3.4 It is agreed by the parties that where there is one or more Qualifying Changes pursuant to paragraph 3.1, 3.3 and/or 4.9 and there is an interrelationship between that Qualifying Change and any other such Qualifying Change then:
- (a) Model Changes and Revised Inputs shall be established and applied to the Financial Model, Runs of the Financial Model shall be performed and any Estimated Revisions shall be made in an appropriately co-ordinated way to take proper account of such interrelationships; and
 - (b) the Franchisee shall not be entitled to recover more than once in relation to the same loss suffered by it.
- 3.5 In assessing whether any matters under this Schedule 9.4 give rise to a Change which is a Qualifying Change it shall be permissible in relation to any Base Assumption to take into account all actions in an Infrastructure Issues Action Programme relating to such Base Assumption, triggers of such Base Assumption and amendments to such Base Assumption.

4. **Infrastructure Issue Reviews**

- 4.1 Not less than three nor more than six weeks prior to each Infrastructure Issues Review Date (and otherwise in accordance with such timescales as the parties may agree in relation to any interim Infrastructure Issues Review Date) the Franchisee shall deliver to the Secretary of State a written review of each of the Working Assumptions in Part B of the IAD and the Bidder Assumptions in Part C of the IAD including its latest forecast for achievement of the Working Assumptions and or Bidder Assumptions based on the reasonable knowledge of the Franchisee with appropriate supporting information (the "**IAD Review**"). The IAD Review shall identify in relation to each Working Assumption in Part B of the IAD and Bidder Assumption in Part C of the IAD:
- (a) whether the Franchisee remains reasonably confident that the Working Assumption or Bidder Assumption will be met; and
 - (b) if the Franchisee does not remain reasonably confident that the Working Assumption or Bidder Assumption will be met:
 - (i) whether there are any steps which may be taken by the Franchisee to increase to a reasonable level its confidence that the Working Assumption or Bidder Assumption will be met, with an assessment of the relevant implications of such steps;
 - (ii) where it is reasonably able to provide the same, its forecast for when the Working Assumption is likely to be met, identifying any material concerns or conditions and any changes from any forecast previously provided;
 - (iii) what a revised Working Assumption should reasonably be in order for the Franchisee to be reasonably confident that it will be met, with reasons and supporting information (to the extent reasonably available to the Franchisee) including (where in relation to a Working Assumption only an amendment to the relevant existing

Base Assumption or Working Assumption is proposed) an estimate by the Franchisee of the nature and extent of any Change which would be involved in amending and restating the relevant Base Assumption to reflect such revised Working Assumption; and

- (iv) how likely it is that any such forecast or revised Working Assumption or Bidder Assumption will require further revision in future and what the probable parameters of such further revision are expected to be with reasons and supporting information (taking into account the information reasonably available to the Franchisee at the time),

it being acknowledged that the Franchisee shall be permitted to weight its review towards Working Assumptions and/or or Bidder Assumption which are falling due first or in respect of which there are material concerns or which in its reasonable opinion require attention or which the Secretary of State otherwise requests are given priority attention in the relevant IAD Review, as the case may be.

The IAD Review shall also include:

- (x) a report on progress against any Infrastructure Issues Action Programme already established under paragraph 4.4 and not then completed;
- (y) identification (taking into account the information reasonably available to the Franchisee at the time) of any changes or anticipated changes to the forecasts or assumptions on which actions in the Infrastructure Issues Action Programme have been based or other developments which it considers should be taken into account; and
- (z) any proposals for an Infrastructure Issues Action Programme to be established or (where one already exists) revised, together with an estimate by the Franchisee of the nature and extent of any Change which would be involved in amending and restating the Infrastructure Issues Action Programme.

4.2 Where in the context of carrying out any IAD Review from time to time the Franchisee believes that any matter relevant to a Working Assumption or Bidder Assumption will be delayed beyond the end of the Franchise Term (as it may be extended pursuant to paragraph 2 of Schedule 18 (Additional Reporting Periods)) the Franchisee shall provide its reasonable and informed view (based on the information reasonably available to it) of the likely implications of this for the Successor Operator and the Secretary of State. The Franchisee shall actively engage with Network Rail and other relevant parties for the purpose of ensuring each IAD Review is as accurate as reasonably practicable under the circumstances.

4.3 The Franchisee shall:

- (a) provide such additional information as the Secretary of State shall reasonably request in relation to the contents of each IAD Review; and
- (b) meet with the Secretary of State to discuss the contents of each IAD Review.

4.4 The Secretary of State and the Franchisee shall use reasonable endeavours to agree within two months of an Infrastructure Issues Review Date (or by such other date as the parties may agree):

- (a) an amended and restated IAD including updating, as appropriate, each of the Working Assumptions and Bidder Assumption by reference to the then prevailing circumstances and taking proper account of the interrelationships between them;

- (b) as appropriate, a programme of actions ("**Infrastructure Issues Action Programme**") intended to mitigate the impacts of any forecasts for or material changes to any of the Working Assumptions taking into account the interrelationships between them, the importance attached to ensuring that relevant outputs are delivered in accordance with relevant programmes and the overriding duties of the Secretary of State in relation to the proper expenditure of public monies. The Infrastructure Issues Action Programme shall record any material forecasts or assumptions on which proposed mitigations are based in order to help identify aspects of the mitigation which may require review if those forecasts or assumptions prove incorrect or are otherwise subject to change.
- 4.5 Following each Infrastructure Issues Review Date after the first Infrastructure Issues Review Date any then existing Infrastructure Issues Action Programme shall be amended and restated to take account of any latest or updated forecasts, changes to Working Assumptions and the latest programme with effect from the date that a further Infrastructure Issues Action Programme is agreed or reasonably determined by the Secretary of State.
 - 4.6 In the event that the Secretary of State and the Franchisee fail to agree an amended or restated IAD or Infrastructure Issues Action Programme the Secretary of State shall have the right to reasonably determine them (or to determine that no amendments shall be made, or no Infrastructure Issues Action Programme shall be put in place as the case may be). Where the Secretary of State declines to include within an Infrastructure Issues Action Programme any action proposed by the Franchisee, the failure of the Franchisee to take that action shall not be regarded as a failure on the part of the Franchisee to act reasonably to mitigate any Qualifying Change pursuant to paragraph 3.1.
 - 4.7 It shall be a term of the Franchise Agreement that the Franchisee shall use all reasonable endeavours to comply with any Infrastructure Issues Action Programme.
 - 4.8 In connection with the establishment of any amended and restated IAD and/or any Infrastructure Issues Action Programme the Franchisee and the Secretary of State acting reasonably shall consider and to the extent possible reach agreement upon the likelihood that any Change will occur pursuant to paragraph 3.1.
 - 4.9 Following consideration by him pursuant to paragraph 4.8 and discussion with the Franchisee (and without prejudice to the occurrence of a Change at the latest when the relevant facts are not in accordance with the relevant Base Assumption) the Secretary of State shall have the right (but not the obligation) to require that a Change shall have occurred in consequence of any Base Assumption being different to any revised Working Assumption in relation to the corresponding infrastructure output contained in Part B of the amended and restated IAD.

In such circumstances:

- (a) the Secretary of State and the Franchisee shall agree or (in the absence of agreement) the Secretary of State shall reasonably determine an adjusted Base Assumption to be included in the amended and restated IAD;
- (b) the difference between the relevant Base Assumption as it existed before the amended and restated IAD and the relevant adjusted Base Assumption included in the amended and restated IAD shall be a Change;
- (c) the Change provisions of paragraph 3.1 shall remain in force on the basis that (subject to any further application of this paragraph 4.9) any Change pursuant to paragraph 3.1 shall be assessed when the relevant actual position is known by reference to the adjusted Base Assumptions included in Part A of the amended and restated IAD; and
- (d) this process may be repeated on subsequent IAD Reviews.

- 4.10 Where the Franchisee is required to implement an Infrastructure Issues Action Programme or any revised Infrastructure Issues Action Programme and the relevant impacts of such implementation are not addressed in any Change pursuant to paragraphs 3.1 and 4.9 or otherwise then the requirement for the Franchisee to implement an Infrastructure Issues Action Programme (or the revision to that programme) shall be a Change and the provisions of paragraph 9 "Estimated Revisions" of Schedule 9.1 (Financial and Other Consequences of Change) shall apply where appropriate. If the implementation of an Infrastructure Issues Action Programme gives rise to any other Change (for example in consequence of a change to the Train Service Requirement) leading to there being more than one Qualifying Change it is agreed that Model Changes and Revised Inputs shall be established and applied to the Financial Model and Runs of the Financial Model shall be performed in a co-ordinated way to take proper account of relevant interdependencies.
- 4.11 Where the Secretary of State reasonably determines that the requirement to implement an Infrastructure Issues Action Programme is caused by any unreasonable action or inaction of the Franchisee or the Franchisee not acting in accordance with its obligations pursuant to clause 5.1 of the Franchise Agreement the Secretary of State shall have the right to require that:
- (a) where the Franchisee is wholly and exclusively responsible for such circumstances arising there is no Change; or
 - (b) where the Franchisee is partly responsible for such circumstances arising, then if there is any Qualifying Change the impacts of relevant actions or inactions of the Franchisee, or its not acting in accordance with its obligations pursuant to clause 5.1 of the Franchise Agreement, shall not be taken into account in such Qualifying Change to the extent that to do so would be to compensate the Franchisee in relation to adverse impacts that it was responsible for.
- 4.12 The Franchisee and the Secretary of State acknowledge and agree that any revised Working Assumptions or Bidder Assumptions in an amended and restated IAD may include dates that fall outside of the Franchise Term or only fall within the Franchise Term if the Secretary of State exercises his rights pursuant to paragraph 2 of Schedule 18 (Additional Reporting Periods) to extend the Franchise Term by up to 26 Reporting Periods. It is acknowledged that this will not lead to the Franchisee acquiring any liability arising after the end of the Franchise Term.
- 4.13 It is acknowledged that circumstances may arise on short notice with a short term impact between Infrastructure Review Dates which increase the likelihood of a Change occurring pursuant to paragraph 3.1 or which are otherwise related to the Working Assumptions and may lead to adverse impacts on the delivery of the Franchise Services. In such cases the parties will expeditiously discuss such circumstances and possible mitigations. The Secretary of State and the Franchisee may following such discussions agree mitigating actions and, where appropriate, related financial adjustments. Proper account shall be taken of any such mitigating actions and related financial adjustments in subsequent Infrastructure Issues Action Programmes and Changes pursuant to paragraphs 3.1, 4.9 or 4.10 but (unless the Secretary of State agrees to the contrary) no mitigating actions or related financial adjustments shall be taken into account in relation to Bidder Assumptions.
5. **Use of rail industry compensation mechanisms and rights of the Secretary of State in relation to multiple or excessive compensation in relation to relevant losses**
- 5.1 The Secretary of State and the Franchisee acknowledge that railway industry procedures including Station Change and Network Change are designed to compensate train operators fairly in relation to rail infrastructure disruption and changes and agree that the Franchisee should pursue any relevant rights to obtain compensation in a reasonable way so that, where relevant, any Qualifying Change pursuant to this Schedule 9.4 (Specified Infrastructure Related Change) shall assume that the Franchisee has been or will be paid such compensation.
- 5.2 The Franchisee shall notify the Secretary of State as soon as reasonably practicable if it becomes aware of circumstances which mean that it has been, may have been or is likely to be compensated more than once or excessively in relation to the same adverse financial

impact in connection with any matter pertaining to a Working Assumption or Bidder Assumption. For these purposes a compensation claim properly made under railway industry procedures including Station Change and Network Change shall not be regarded as excessive but without prejudice to the rights of the Secretary of State if the Franchisee has in consequence of such a claim received multiple compensation with regard to the same loss. Such notification shall identify the relevant circumstances and quantify the potential excess compensation. If requested by the Secretary of State the Franchisee shall provide such further information in relation to relevant circumstances as the Secretary of State may reasonably require.

- 5.3 Where the Secretary of State believes that the Franchisee has been or may be compensated more than once or excessively in relation to the same adverse financial impact in respect of any matter pertaining to any Working Assumption or Bidder Assumption the Secretary of State shall, except where the circumstances have been notified to the Secretary of State by the Franchisee pursuant to paragraph 5.1 above, identify the relevant circumstances and quantify the potential excess compensation. Where the circumstances have been notified to the Secretary of State by the Franchisee pursuant to paragraph 5.1 above, the Secretary of State shall confirm that he agrees with the Franchisee's view of the circumstances and the amount of the potential excess compensation or notify the Franchisee of any different view that he may have and his reasons for having such a different view.
- 5.4 The Franchisee shall be entitled to make representations to the Secretary of State in relation to any Secretary of State notification pursuant to paragraph 5.3 above. The parties shall discuss any representations made in good faith with the intention of agreeing whether or not there has been any excess compensation of the Franchisee and, if so, how much the relevant amount is. In the event that agreement cannot be reached within twenty Weekdays the Secretary of State shall have the right to reasonably determine whether there has been excess compensation and, if so, the amount of such excess compensation.
- 5.5 Where the amount of any excess compensation of the Franchisee is agreed or reasonably determined there shall be an adjustment to the Franchise Payment due in relation to the Reporting Period after that in which relevant agreement was reached or the Secretary of State made his determination or, where agreement or determination occurs after the end of the Franchise Period, by way of a direct payment from the Franchisee to the Secretary of State. Such adjustment shall be of an amount equal to the amount of excess compensation received by the Franchisee as agreed or reasonably determined by the Secretary of State and not otherwise repaid by the Franchisee.

SCHEDULE 9.5**Variations to the Franchise Agreement and Incentivising Beneficial Changes**

1. **Variations to the Franchise Agreement and Incentivising Beneficial Changes**
 - 1.1 The terms of the Franchise Agreement may be varied as follows but not otherwise:
 - (a) by the Secretary of State as contemplated where relevant in the Invitation to Tender in relation to:
 - (i) any aspect of the Franchise Services; and/or
 - (ii) any provision of the Franchise Agreement other than those provisions specified in paragraph 1.2,
 by service of a notice on the Franchisee referring to this paragraph 1.1(a) and setting out the variation to the terms of the Franchise Agreement;
 - (b) by the Secretary of State with regard to the Start Date and the Expiry Date pursuant to paragraph 1.10; and
 - (c) in relation to any other provision of the Franchise Agreement, by agreement in writing between the parties to that effect,
 (each a "**Variation**").
 - 1.2 Without prejudice to the Secretary of State's rights under paragraph 1.1(a) and 1.1(b), the terms of each of:
 - (a) clause 4 (Term) of this Agreement (but without prejudice to the right of the Secretary of State to amend the Start Date and the Expiry Date to a later date pursuant to paragraph 1.10);
 - (b) Schedules 8 (Payments), 9 (Changes), 10 (Remedies, Termination and Expiry), 12 (Financial Obligations and Covenants), 14 (Preservation of Assets), 18 (Additional Reporting Periods) and Schedule 19 (Other Provisions); and
 - (c) the definitions set out at clause 2 (Definitions) of this Agreement insofar as such affect the respective rights and obligations of the Secretary of State and the Franchisee pursuant to the provisions referred to at (a) and (b) above,
 shall not be varied at any time other than in accordance with the terms of the Franchise Agreement or with the agreement of the parties.
 - 1.3 The Secretary of State shall, to the extent reasonably practicable, allow the Franchisee a reasonable opportunity to make representations to the Secretary of State concerning any Variation to be made in accordance with paragraph 1.1(a), prior to making any such Variation.
 - 1.4 The Secretary of State may:
 - (a) issue, revise and withdraw from time to time procedures that he requires to be followed for the purposes of orderly consideration of Variations. This will include for the purpose of establishing in relation to any Change whether it is a Qualifying Change; and

- (b) require the Franchisee to provide any information that the Secretary of State reasonably requires for this purpose (including in relation to prospective change to profit, costs and revenue as a consequence of proceeding with the Variation).
- 1.5 Procedures issued pursuant to paragraph 1.4 may provide for indicative iterations of Runs of the Financial Model in relation to one or more Changes that the Secretary of State is considering and may also provide for any number of Changes to be grouped together as a single Change for the purposes of agreeing or determining Revised Inputs and then performing a Run of the Financial Model.
- 1.6 Procedures issued pursuant to paragraph 1.4 shall have contractual effect between the parties in accordance with their terms.
- 1.7 The Franchisee may notify the Secretary of State of any proposal for a Variation by notice setting out the proposed method of implementing such Variation including:
 - (a) the timescale for doing so;
 - (b) the effect (if any) on the timing of the performance of its other obligations under the Franchise Agreement;
 - (c) the impact of effecting the proposed Variation on the provision of the Franchise Services and the Franchisee's proposals as to how to minimise such impact; and
 - (d) the financial consequences of implementing the Variation proposed by the Franchisee in terms of the Revised Inputs that the Franchisee considers the Variation would require.
- 1.8 Where the Franchisee proposes a Variation in sufficient detail for it to be apparent that its implementation is likely to result in an increase in the overall profitability of the Franchisee through costs saving measures (a "**Protected Proposal**"), the Secretary of State may not proceed with the Protected Proposal or seek to implement the substance of it by proposing a Variation of his own without complying with the provisions of paragraph 5 of Appendix 2 (Agreement or Determination of Revised Inputs) to Schedule 9.1 (Financial and Other Consequences of Change).
- 1.9
 - (a) The Franchisee and the Secretary of State acknowledge that the Franchisee may during the Franchise Term identify actions that could be taken by the Franchisee to achieve savings and improved financial performance and that such actions may if implemented give rise to a Change under the terms of this Agreement which, if it is a Qualifying Change, will give a financial benefit to the Secretary of State. It is further acknowledged that it is appropriate for the Franchisee to seek to identify such actions for the purposes of improving the cost effective delivery of railway passenger services.
 - (b) To incentivise the Franchisee to seek to identify such actions it is agreed that the Franchisee may approach the Secretary of State with a proposal to take an action that would constitute a Change on the basis that if such a Change occurred and was a Qualifying Change in agreeing or determining Revised Inputs the parties or the Secretary of State would affect such change (if any) to the amount attributable to profit as they agree or the Secretary of State reasonably determines:
 - (i) fairly rewards the Franchisee for proposing the Change; and
 - (ii) reasonably incentivises the Franchisee to propose further Changes that achieve savings and/or improved financial performance by sharing with the Franchisee a reasonable amount of the additional profit that is expected to arise from implementing the relevant Change.

- (c) The Secretary of State shall have an unfettered discretion as to whether or not to agree such a proposal but if he does so agree and a Qualifying Change in consequence occurs then in agreeing or determining Revised Inputs the provisions referred to in paragraph 1.9(b) above shall apply.

1.10

- (a) The Secretary of State shall have the right on or before 1 March 2016 to serve notice on the Franchisee that the Start Date shall be a date later than 0200 on 1 April 2016. Such amended Start Date shall be 0200 on the first day of a Reporting Period and the latest such date that the Start Date can be amended to is 0200 on 1 October 2016. The Secretary of State may in such notice also require that the Expiry Date is amended to a later date such date being 0200 on the first day of a Reporting Period and the same number of Reporting Periods after the unamended Expiry Date as the number of Reporting Periods that the amended Start Date is after the unamended Start Date.
- (b) Where the Secretary of State exercises his rights pursuant to paragraph 1.10 (a) to amend the Start Date or the Expiry Date he shall be entitled to make such other amendments to the terms of this Franchise Agreement as are reasonably consequential upon such amendments.

2. Capital Expenditure

Capital Expenditure Threshold

- 2.1 The Franchisee shall notify the Secretary of State promptly if it reasonably expects that a Change to which paragraph 1 relates would require it to incur, singly or in aggregate with other Changes from time to time, Capital Expenditure in excess of one per cent of its annual Turnover as disclosed by its latest available Annual Audited Accounts and, when so notified, the Secretary of State shall either:
 - (a) withdraw (or direct the Franchisee to withdraw) the Change;
 - (b) undertake to meet the excess through additional funding as and when such Capital Expenditure is incurred; or
 - (c) direct the Franchisee to use all reasonable endeavours to borrow or otherwise raise the money required to fund any Change on commercial terms and at rates which are consistent with market conditions at the time, unless borrowing or otherwise raising such money would result in the Franchisee failing to comply with the financial covenants contained in Schedule 12 (Financial Obligations and Covenants).

Franchisee to Seek Finance

- 2.2 If the Secretary of State elects to require the Franchisee to use all reasonable endeavours as described in paragraph 2.1(c) then the Franchisee shall:
 - (a) seek finance from a representative range of lending institutions and other financial institutions including those which at that time provide finance to the Franchisee, the Guarantor or the Parent;
 - (b) if it is unable to raise funding, provide the Secretary of State with all information the Secretary of State may reasonably require in relation to the efforts made by the Franchisee and the reasons for a failure to raise additional finance;
 - (c) so far as it is able (having used all reasonable efforts to do so), the Franchisee shall provide to the Secretary of State letters from lenders and financiers it has approached for finance stating their reasons for refusing to provide it and if the Secretary of State so requires, arrange and attend meetings with them for the Secretary of State to discuss those reasons; and

- (d) if funding is not available, or is not available on terms that the Secretary of State considers to be commercial terms or at rates which are consistent with market conditions at that time the Secretary of State may:
 - (i) withdraw the Change; or
 - (ii) undertake to fund the Capital Expenditure as and when such Capital Expenditure is incurred.

Treatment of Borrowings in Revised Inputs

- 2.3 In calculating the Revised Inputs for the purposes of any Change referred to in this paragraph 2, the Franchisee shall account for the Capital Expenditure in accordance with GAAP, taking into account the basis on which such Capital Expenditure has been financed.

Meaning of Capital Expenditure

- 2.4 The expression "**Capital Expenditure**" when used in this Schedule 9.5 refers to the nature of the expenditure incurred by the Franchisee and, accordingly, does not include expenditure incurred under operating leases.

Schedule 10.1: Remedial Plans and Remedial Agreements

Schedule 10.2: Termination and Expiry

Schedule 10.3: Events of Default and Termination Events

Schedule 10.4: Force Majeure

SCHEDULE 10.1**Remedial Plans and Remedial Agreements****1. Remedies for Contraventions of the Franchise Agreement**

- 1.1 If the Secretary of State is satisfied that the Franchisee is contravening or is likely to contravene any term of the Franchise Agreement he may serve a notice on the Franchisee requiring it to propose such steps as the Franchisee considers appropriate for the purpose of securing or facilitating compliance with the term in question (a "**Remedial Plan Notice**").

Contents of Remedial Plan Notices

- 1.2 Each Remedial Plan Notice shall specify the following:

 - (b) the time period within which the Secretary of State requires the Franchisee to provide an appropriate plan for the purpose of facilitating or securing compliance with any Relevant Term (a "**Remedial Plan**").

Contents of Remedial Plans

- 1.3 If the Secretary of State issues a Remedial Plan Notice, the Franchisee shall submit a Remedial Plan to the Secretary of State within the period specified in such Remedial Plan Notice.

- (a) the Relevant Term which has caused a Remedial Plan to be required;
 - (b) an explanation of the reasons for the contravention or likely contravention of the Relevant Term;
 - (c) the steps proposed for the purposes of securing or facilitating compliance with the Relevant Term; and
 - (d) the time period within which the Franchisee proposes to implement those steps.

Remedial Agreements

- 1.5 If the Secretary of State is satisfied that the matters referred to in paragraph 1.4(c) and (d) are appropriate (with or without further modification as the parties may agree) he may require the Franchisee to enter into a supplemental agreement (the "**Remedial Agreement**") with the Secretary of State to implement those matters.
- 1.6 It is a term of the Franchise Agreement that the Franchisee (at its own cost) complies with the Remedial Agreement in accordance with its terms.

Effect of Force Majeure Event

- 1.7 Without prejudice to the operation of paragraph 3.2 of Schedule 10.4 (Force Majeure), the following provisions shall apply in relation to Force Majeure Events affecting performance of a Remedial Agreement:

- (a) the Franchisee shall give written notice to the Secretary of State promptly after it becomes aware (and in any event within 24 hours after becoming aware) of the occurrence or likely occurrence of a Force Majeure Event which will or is likely to affect the Franchisee's ability to comply with a Remedial Agreement within the period specified therein;
- (b) each notice submitted in accordance with paragraph 1.7(a) shall state the extent or likely extent of the relevant Force Majeure Event and, in the case of a Force Majeure Event which has not occurred at such time, the reasons why the Franchisee considers it likely to occur;
- (c) the Franchisee shall use, and shall continue to use, all reasonable endeavours to avoid or reduce the effect or likely effect of any Force Majeure Event on its ability to comply with any Remedial Agreement; and
- (d) subject to the Franchisee having complied with its obligations under paragraphs 1.7(a) to 1.7(c) (inclusive) the Franchisee shall be entitled to a reasonable extension of the remedial period applicable to a Remedial Agreement in order to take account of the effect of a Force Majeure Event which has occurred on the Franchisee's ability to comply with any Remedial Agreement.

Occurrence of a Contravention

- 1.8 Following the occurrence of a contravention of the Franchise Agreement, the Secretary of State may at his option (but shall not be obliged to) commence or increase the level and/or frequency of monitoring (whether by inspection, audit or otherwise) of the Franchisee's performance of any relevant obligations until such time as the Franchisee demonstrates, to the Secretary of State's reasonable satisfaction, that it is capable of performing and will perform such obligations as required by the Franchise Agreement.
- 1.9 The Franchisee shall co-operate fully with the Secretary of State in relation to the monitoring referred to in paragraph 1.8.
- 1.10 The results of such monitoring will be reviewed at each Franchise Performance Meeting held pursuant to Schedule 11 (Agreement Management Provisions).
- 1.11 The Franchisee shall compensate the Secretary of State for all reasonable costs incurred by the Secretary of State in carrying out such monitoring.

SCHEDULE 10.2

Termination and Expiry

1. Termination Notices

1.1 The Secretary of State may, on and at any time after the occurrence of:

Financial Obligations and Covenants

Schedule 12: Financial Obligations and Covenants

Appendix 1 to Schedule 12: Form of Performance Bond

Appendix 2 to Schedule 12: Form of Season Ticket Bond

SCHEDULE 12

Financial Obligations and Covenants

1. **Obligations**

Except to the extent that the Secretary of State may otherwise agree from time to time, the Franchisee shall not:

- (a) incur any liability or financial indebtedness except in the ordinary course of providing and operating the Franchise Services;
- (b) make any loan or grant any credit, or have or permit to subsist any loan or any credit, to any person (other than the deposit of cash with a Bank as permitted under paragraph 1(d) or to an employee in the ordinary course of its business);
- (c) create or permit to subsist any Security Interest over any of its assets or property or give any guarantee or indemnity to or for the benefit of any person or otherwise assume liability or become obliged (actually or contingently) in respect of any obligation of any other person, in each case other than in the ordinary course of the business of providing and operating the Franchise Services; or
- (d) create or acquire any subsidiary or make or have any investment in any other entity, except for the deposit of cash with a Bank.

2. **Financial Ratios**

- (b) the ratio of its Forecast Modified Revenue to its Forecast Operating Costs for the next 13 Reporting Periods (or, where there are less than 13 Reporting Periods remaining in the Franchise Term, for all such remaining Reporting Periods) will equal or exceed the ratio of 1.050:1; and

for the purposes of this paragraph 2 "**Preceding 13 Reporting Periods**" means the Reporting Period just ended and the preceding 12 Reporting Periods of the Franchise Term.

2.2 If:

- (a) in respect of any Reporting Period, the Franchisee fails pursuant to paragraph 3.3(b) of Schedule 13 (Information and Industry Initiatives) to provide a statement of calculation of performance against the covenants set out in paragraph 2.1(b) for each of the next 13 Reporting Periods (or, where there are less than 13 Reporting Periods remaining in the Franchise Term, for all such remaining Reporting Periods) following any such Reporting Period; or
- (b) the Secretary of State reasonably considers that any particular item of Forecast Modified Revenue or Forecast Operating Cost used for the purposes of determining the Franchisee's performance against the covenants set out in paragraph 2.1(b) has not been accounted for on a reasonable basis (including where the accounting treatment looks to the form rather than the substance),

then the Secretary of State may:

- (i) in the circumstances referred to in paragraph 2.2(a) above reasonably determine the ratio of the Forecast Modified Revenue and Forecast Operating Cost on the basis of information available to him; or
 - (ii) in the circumstances referred to in paragraph 2.2(b) above require any such particular item of Forecast Modified Revenue or Forecast Operating Cost to be adjusted in a manner which is fair and reasonable and, so far as reasonably determinable, on the basis on which such particular item of Forecast Modified Revenue or Forecast Operating Cost should have been accounted for by the Franchisee as reasonably determined by the Secretary of State,
- in either case after having exercised his rights under paragraph 3.13 of Schedule 13 (Information and Industry Initiatives) to the extent that he considers appropriate in the circumstances for the purpose of making any such reasonable determination.

3. **Breach of Financial Ratios**

3.1 The Franchisee shall not during any Lock-up Period, do any of the following without the Secretary of State's consent:

Amount of Replacement Performance Bond

4.4 The value of any Replacement Performance Bond shall be as follows:

and, for the purpose of this paragraph 4.4, RPI shall be the quotient of the Retail Prices Index for the month for which the Retail Prices Index has most recently been determined on the date on which the Franchisee is to replace the Performance Bond divided by the Retail Prices Index for the month in which the Performance Bond that is being replaced was required to be delivered to the Secretary of State.

- (c) Nothing in paragraph (b) shall oblige the Secretary of State to account to the Franchisee for the proceeds of such Performance Bond in the circumstances described in paragraphs 4.5(a)(iii), (v) or (vi) until such time as the Franchisee has procured a replacement Performance Bond which complies with the requirements of paragraph 4.

Characteristics of Performance Bond Provider

- 4.6 In determining whether a Bond Provider under any replacement Performance Bond is acceptable, the Secretary of State may exercise his discretion and shall not be obliged to accept a Bond Provider accepted under any previous Performance Bond.

Provision of more than one Performance Bond

- 4.8 The Franchisee shall be permitted subject to the prior consent of the Secretary of State (such consent not to be unreasonably withheld or delayed) to meet its obligations to provide a valid and effective Performance Bond by providing up to three valid and effective Performance Bonds, the aggregate value of which at all times is equal to the value determined under paragraph 4.4. With the exception of the value of each individual Performance Bond the provisions of the Franchise Agreement in relation to the Performance Bond shall be deemed to apply separately in relation to each such Performance Bond. Where more than one Performance Bond is provided the Secretary of State shall have a discretion as to whether to make a demand under some or all of such Performance Bonds and the extent to which he accounts for the proceeds of each such Performance Bond in accordance with the provisions of paragraph 4.5(b).

5. Season Ticket Bond

Provision of Season Ticket Bond

- 5.1 The Franchisee shall procure that, for each Franchisee Year throughout the Franchise Term and during the relevant call period specified in clauses 4 and 5 of the Season Ticket Bond, there shall be in place a valid and effective Season Ticket Bond substantially in the form of Appendix 2 (Form of Season Ticket Bond) to this Schedule 12.

Provision of Replacement Season Ticket Bond

- 5.2 No later than one Reporting Period before the expiry of each Bond Year, the Franchisee shall provide to the Secretary of State (or procure that the Secretary of State receives) a Season Ticket Bond for the following Bond Year:

 - (c) in an amount determined in accordance with paragraph 5.3.

Amount of Season Ticket Bond

- 5.3 The amount of any Season Ticket Bond shall vary for each Reporting Period during the Bond Year to which the Season Ticket Bond relates in accordance with the following formula:

$$STBA = STL \times \frac{((RPI \times 100) + k)}{100} \times Z$$

where:

- STBA equals the amount of the Season Ticket Bond in the relevant Reporting Period;
- STL equals, in respect of such Reporting Period:
 - (a) the maximum amount which would be payable by the Franchisee in respect of Season Ticket Fares under and in accordance with a Supplemental Agreement and paragraph 3.3 of Schedule 15.4 (Provisions Applying on and after Termination) and the rights and liabilities of the Franchisee relating to an obligation of carriage under the terms of any Season Ticket Fares which were

transferred under a Transfer Scheme relating to that Supplemental Agreement to a Successor Operator at that time; and

- (b) the Stored Credit Balance which would be held by the Franchisee

if the Franchise Agreement were to terminate on any day during the Reporting Period (the "**Relevant Reporting Period**") falling 13 Reporting Periods before such Reporting Period,

RPI equals the quotient of the Retail Prices Index for the month for which the Retail Prices Index has most recently been determined at the time the Franchisee is required under paragraph 5.4 to provide its estimate of the amount of the relevant Season Ticket Bond divided by the Retail Prices Index for the month falling 12 months before such month;

k has the value attributed to it in Schedule 5 (Fares) for the Fare Year in which the Reporting Period in the relevant Bond Year falls; and

Z equals +1 or, if the Relevant Reporting Period falls 26 Reporting Periods before such Reporting Period, an amount equal to:

$$\frac{(RPI \times 100) + k}{100}$$

where RPI and k are determined for the 12 months and the Fare Year preceding the 12 months and the Fare Year for which RPI and k are respectively determined above.

- 5.4 The Franchisee shall supply to the Secretary of State, not later than three Reporting Periods before the end of each Bond Year, its estimate of the amount of the Season Ticket Bond for each Reporting Period during the following Bond Year and shall supply such details as the Secretary of State may request in connection therewith.
- 5.5 The Franchisee and the Secretary of State shall endeavour to agree the amount of such Season Ticket Bond by no later than two Reporting Periods before the end of each Bond Year. If the parties are unable to agree the amount of the Season Ticket Bond in respect of any Reporting Period during the following Bond Year, the matter shall be resolved in accordance with the Dispute Resolution Rules.
- 5.6 If the amount of the Season Ticket Bond for each Reporting Period during a Bond Year has not been agreed two Reporting Periods before the end of the preceding Bond Year, then, until the amount is agreed or determined in accordance with the Dispute Resolution Rules, the amount thereof shall be the amount determined by the Secretary of State.

- 5.7 The Secretary of State and the Franchisee may agree to increase or reduce the amount covered or required to be covered under a Season Ticket Bond from time to time.

Demands under the Season Ticket Bond

5.8

- (a) The Season Ticket Bond shall be on terms that it is payable without further enquiry by the Bond Provider to the Secretary of State in full in London on first written demand by the Secretary of State on the Bond Provider, certifying as to any one or more of the following:
- (i) that the Franchise Agreement has terminated or expired;
 - (ii) that a railway administration order has been made in relation to the Franchisee pursuant to Sections 60 to 62 of the Act; or

 - (B) under paragraph 2.12(c) of Schedule 10.3 (Events of Default and Termination Events),
 has occurred (whether or not the Franchise Agreement is, or is to be, terminated as a result thereof).
- (b) If the Secretary of State makes a demand under the Season Ticket Bond, he shall account to the Franchisee for the proceeds of such Season Ticket Bond remaining following settlement of all liabilities or obligations of the Franchisee in respect of any Season Ticket Fares and/or Stored Credit Balance that may be transferred or is transferred whether under a Transfer Scheme (or otherwise) to a Successor Operator.

Characteristics of Season Ticket Bond Provider

- 5.9 In determining whether a Bond Provider under any replacement Season Ticket Bond is acceptable, the Secretary of State may exercise his discretion and shall not be obliged to accept a Bond Provider accepted under any previous Season Ticket Bond.
- 5.10 The Franchisee shall provide such information relating to any Bond Provider or proposed Bond Provider as the Secretary of State may require from time to time.
- 5.11 The Secretary of State agrees that, subject to receipt of a Season Ticket Bond in an amount determined in accordance with paragraph 5.3 in respect of any Bond Year, he shall release the relevant Bond Provider from any liability under the Season Ticket Bond provided in relation to the preceding Bond Year on the expiry of such Bond Year, provided that no Event of Default has occurred and is unremedied or continuing.

Meaning of Reporting Period

- 5.12 References in this paragraph 5 to a Reporting Period shall be construed, where the Franchisee so requests and the Secretary of State consents (such consent not to be unreasonably withheld), to be references to each consecutive seven-day period (or such other period as may be agreed) during such Reporting Period. The Franchisee may only make such a request in respect of a maximum of two Reporting Periods in each Bond Year and only where the amount of the Season Ticket Bond over any such period would, in the reasonable opinion of the Franchisee, differ materially if determined by reference to such seven-day periods.

Such schedule shall cover such aspects of asset condition as the Secretary of State may reasonably require. If the parties are unable to agree the content of such schedule of condition, either party may refer the dispute for resolution in accordance with the Dispute Resolution Rules. then the Franchisee shall pay to the relevant Successor Operator such amount as may be agreed between the Franchisee and such Successor Operator, as being the reasonable cost (including any Value Added Tax for which credit is not available under Sections 25 and 26 of the Value Added Tax Act 1994) of covering such Marks or otherwise removing all indications of or reference to the Marks in a manner reasonably acceptable to the Secretary of State. If such period cannot be agreed, the Franchisee shall submit such dispute for resolution in accordance with such dispute resolution procedures as the Secretary of State may require.
- (f) The Secretary of State shall determine at or around the end of the Franchise Period, and after consultation with the Franchisee, the maximum liability of the Franchisee under paragraph 2.2(c) and the maximum length of licence or undertaking under paragraph 2.2(e).
- (g) The provisions of paragraphs 2.2(a) to (f) shall not apply to the extent that the relevant asset is not to be used by a Successor Operator in the provision of services similar to the Franchise Services. The Secretary of State shall notify the Franchisee as soon as he becomes aware of whether or not any such asset is to be so used.

- (e) On the final Investment Asset Request Date the Franchisee shall in addition to the list referred to in paragraph 2.2(a) also provide an additional list in two parts confirming:
- (i) in part 1 of such additional list which Investment Assets that have already been designated as such should be designated as Primary Franchise Assets and not be capable of de-designation as such without the prior agreement of the Franchisee and which Investment Assets should not be capable of being designated as Primary Franchise Assets without the prior agreement of the Franchisee and the Secretary of State; and
 - (ii) in part 2 of such additional list which Franchise Assets which the Franchisee is proposing should be designated as Investment Assets should be designated as Primary Franchise Assets and not be capable of de-designation as such without the prior agreement of the Franchisee and which should not be capable of being designated as Primary Franchise Assets without the prior agreement of the Franchisee and the Secretary of State in both cases only if such Franchise Assets are designated as Investment Assets in accordance with paragraphs 2.2(a) to 2.2(c).
- (f) The Secretary of State shall comply with the requirement of the Franchisee set out in the list referred to in paragraph 2(e)(i) above. The Secretary of State shall comply with the requirements of the Franchisee in the list referred to in paragraph 2(e)(ii) above in relation to any Franchise Assets on such list which are actually designated by the Secretary of State as Investment Assets in accordance with paragraphs 2.2(a) to 2.2(c) but not otherwise. This paragraph is without prejudice to the other rights of the Secretary of State to designate Franchise Assets as Primary Franchise Assets.

3. **Designation of Additional Primary Franchise Assets**

Subject to paragraph 2.2(f) the Secretary of State may at any time and from time to time during the Franchise Period, by serving notice on the Franchisee, designate any or all of the Franchise Assets as Primary Franchise Assets. Such designation shall take effect from the delivery of such notice and may refer to all or certain categories of property, rights or liabilities. Any such notice shall specify the reasons for such designation. On or before designation of any Franchise Asset as a Primary Franchise Asset, the Secretary of State may agree not to subsequently de-designate such Primary Franchise Asset without the prior written consent of the Franchisee. If the Secretary of State so agrees, the notice

designating the relevant Franchise Asset as a Primary Franchise Asset shall state that the Secretary of State shall not de-designate such Primary Franchise Asset without the prior written consent of the Franchisee.

4. Designation during last 12 Months of Franchise Period

If the Secretary of State designates a Franchise Asset as a Primary Franchise Asset under paragraph 3 at any time during the last 12 months of the Franchise Period then, within 28 days of such designation, the Secretary of State may de-designate such Primary Franchise Asset by serving notice on the Franchisee provided that, in relation to any Primary Franchise Asset in respect of which the Secretary of State agreed pursuant to paragraph 3 that he would not de designate without the prior written consent of the Franchisee, such consent has been obtained. Such de-designation shall take effect upon delivery of such notice.

5. Designation of Key Contracts as Primary Franchise Assets

The Secretary of State shall, subject to paragraphs 1.2(b) and 7, be entitled to designate any Key Contract as a Primary Franchise Asset at any time during the Franchise Period by serving notice on the Franchisee. Such designation shall take effect from delivery of such notice.

6. Designation of Fares and Discount Cards

The Secretary of State may designate any Fare or Discount Card as a Primary Franchise Asset at any time during the Franchise Period by serving a notice on the Franchisee. Such designation shall take effect from delivery of such notice.

7. Rights and Liabilities

The Secretary of State, in designating the rights and liabilities of the Franchisee (whether under a particular contract or other arrangement) as a Primary Franchise Asset may, in his discretion, elect to designate some but not all of the rights and liabilities under a particular contract or other arrangement, or to designate only those rights and liabilities arising after or otherwise relating to a period after a particular time (including the period after the expiry of the Franchise Period) or to those relating only to the Franchise Services or a particular part thereof.

8. Disputes over Designation

- 8.1 The Franchisee may object in writing to the Secretary of State to any designation pursuant to paragraph 3 or 4.
- 8.2 Such objection may be made solely on the grounds that the designation of the relevant property, rights or liabilities specified in the objection is not, in the Franchisee's opinion, reasonably necessary to secure the continued provision of the Franchise Services by a Successor Operator on the expiry of the Franchise Period on a basis reasonably acceptable to the Secretary of State or to facilitate the transfer to such Successor Operator of the provision of the Franchise Services at such time.
- 8.3 Any such objection may only be made within 28 days of a designation made more than 12 months prior to the end of the Franchise Period or 14 days of a designation made during the last 12 months of the Franchise Period.
- 8.4 The Secretary of State shall respond to any such objection as soon as reasonably practicable and shall take account of any representations made by the Franchisee regarding the use of the relevant Primary Franchise Asset otherwise than in the provision and operation of the Franchise Services.
- 8.5 If the Franchisee's objection cannot be resolved by agreement within a period of 14 days from the date of submission of that objection, the Franchisee may refer the dispute for resolution in accordance with the Dispute Resolution Rules.

8.6 Any body duly appointed to resolve such dispute shall determine whether or not the designation of the relevant property, rights or liabilities was reasonably necessary for securing that the Franchise Services may continue to be provided by a Successor Operator on the expiry of the Franchise Period on a basis reasonably acceptable to the Secretary of State or otherwise facilitating the transfer of the provision of the Franchise Services at such time, and accordingly whether or not they should cease to be so designated.

8.7 If any dispute as to any designation pursuant to paragraph 3 remains outstanding on the expiry of the Franchise Period, then such dispute shall be deemed to cease immediately before the expiry of the Franchise Period and the relevant Franchise Assets shall continue to be designated as Primary Franchise Assets on and after the expiry of the Franchise Period.

9. **Provision of Information to the Secretary of State**

9.1 The Franchisee shall provide such information as the Secretary of State may reasonably require in order to satisfy the Secretary of State that any Franchise Assets which are to be designated as Primary Franchise Assets after the Start Date under this Schedule 14.4 will at the time of such designation be vested in the Franchisee. Such information may include details of any Security Interests over such property, rights and liabilities.

9.2 The Franchisee shall further provide such information as to the property, rights and liabilities of the Franchisee as the Secretary of State may reasonably require in connection with the designation of Primary Franchise Assets. Such information shall be supplied to the Secretary of State within such timescale as the Secretary of State may reasonably require.

10. **De-Designation of Franchise Assets and Primary Franchise Assets**

10.1 The Secretary of State and the Franchisee may agree in writing at any time during the Franchise Period that a Franchise Asset shall cease to be so designated as a Franchise Asset or that a Primary Franchise Asset shall cease to be so designated as a Primary Franchise Asset, and the relevant Franchise Asset or Primary Franchise Asset (as the case may be) shall cease to be designated upon such agreement coming into effect.

10.2 The Secretary of State may in addition at any time during the Franchise Period, by serving notice on the Franchisee, cause a Franchise Asset which is not a Primary Franchise Asset to cease to be so designated as a Franchise Asset. Such Franchise Asset shall cease to be so designated on the date specified in such notice.

10.3 The Secretary of State may in addition, at any time during the Franchise Period, by serving notice on the Franchisee, cause a particular Primary Franchise Asset to cease to be designated as such provided that, in relation to any Primary Franchise Asset in respect of which the Secretary of State agreed pursuant to paragraph 3 that he would not de designate without the prior written consent of the Franchisee, such consent has been obtained. Such Primary Franchise Asset shall cease to be so designated on the date specified in such notice. Such right may be exercised, in respect of any rights and liabilities in respect of a Fare or Discount Card, at any time and, in respect of any other Primary Franchise Asset, no later than one year prior to the expiry of the Franchise Term.

11. **Amendment of the Appendix to this Schedule 14.4**

The table in part 1 of the Appendix (List of Primary Franchise Assets) to this Schedule 14.4 shall be amended as the Secretary of State considers necessary or desirable from time to time to take account of designation and de-designation of Primary Franchise Assets pursuant to this Schedule 14.4.

12. **Spares**

The obligation of the Franchisee to maintain, preserve and protect the Operating Assets (as such term is defined in paragraph 1.1 of Schedule 14.2 (Maintenance of Operating Assets)) under Schedule 14.2 shall, in respect of Spares, include the obligation to replace any Spare which has been designated as a Primary Franchise Asset, which subsequent to its

designation ceases to be part of the stock of Spares available to the Franchisee for use in the provision of the Franchise Services, with an equivalent Spare of equal or better quality than the Spare so replaced.

13. **Provisions relating to RV Assets**

- 13.1 The provisions of paragraphs 3, 4, 7, 8 and 10 to 12 (inclusive) shall not apply in respect of any RV Asset.

De-Designation of RV Assets as Primary Franchise Assets

- 13.2 The Secretary of State may, at any time during the Franchise Period, by serving notice on the Franchisee cause a particular RV Asset designated as a Primary Franchise Asset pursuant to paragraph 2.1(h) to cease to be designated as such on the occurrence of any of the following:

- (a) such RV Asset is lost, destroyed or otherwise beyond repair after the date upon which it is designated as a Primary Franchise Asset pursuant to paragraph 1.2(h) and such RV Asset is not replaced; or
- (b) the Secretary of State and the Franchisee agree in writing at any time during the Franchise Period that such RV Asset shall cease to be so designated as a Primary Franchise Asset; or
- (c) for an RV Asset that is a Network Rail Fixture Asset the applicable Station Access Conditions or Depot Access Conditions are amended at any time after the date of designation of such RV Asset such that the Franchisee ceases to be responsible under the applicable Station Access Conditions or Depot Access Conditions (as the case may be) for the maintenance, repair and renewal of such RV Asset.

Such RV Asset shall cease to be designated as a Primary Franchise Asset with effect from the date specified in any notice served by the Secretary of State pursuant to this paragraph 13.2 and the table in Part 2 of the Appendix to this Schedule 14.4 shall be deemed to be amended and thereafter shall be amended to take account of any such de-designation.

Process for issue of a Certificate of Completion for RV Assets

13.3

- (a) Within 20 days of the date upon which an RV Asset is brought into operational use the Franchisee shall provide to the Secretary of State such information as is required by the Secretary of State for, and in the detail needed for demonstrating that such RV Asset has been brought into operational use and evidencing the actual capital cost incurred by the Franchisee on the procurement of such RV Asset including the following:
 - (i) the information described in paragraph 9, including such information as the Secretary of State may require pursuant to paragraph 9.2;
 - (ii) information which shows the actual date upon which such RV Asset was brought into operational use (including photographic evidence or any other kind of record which shows that such RV Asset has been brought into operational use);
 - (iii) in respect of an RV Asset that is a Network Rail Fixture Asset, written confirmation from Network Rail that:
 - (A) such RV Asset will be owned by the Franchise and remain the unencumbered asset of the Franchisee for the duration of the asset life of such RV Asset or the

- duration of the Franchise Period (whichever is the shorter);
- (B) the Franchisee has the responsibility under the Station Access Conditions or the Depot Access Conditions (as the case may be) applicable in relation to such Station or Depot (as the case may be) to maintain, repair and renew such RV Asset from the date upon which such RV Asset property is brought into operational use for the duration of the asset life of such RV Asset or the duration of the Franchise Period (whichever is the shorter);

- (vii) such other information as the Secretary of State may reasonably require for the purposes of satisfying himself that such RV Asset has been brought into operational use by a date that is no later than 4 years after the Start Date and verifying the actual capital costs incurred by the Franchisee on the procurement of such RV Asset.
- (b) Subject to receipt of the information required in paragraph 13.3(a) and none of the events described in paragraph 13.2 having occurred, the Secretary of State shall issue to the Franchisee a certificate of completion ("**Certificate of Completion**") which shall specify for the purposes of this Franchise Agreement the date upon which the relevant RV Asset was brought into operational use provided that nothing in this paragraph 13.3(b) shall oblige the Secretary of State to issue a Certificate of Completion in respect of any RV Asset:
- (i) if the Secretary of State, acting reasonably is not satisfied that such RV Asset will at the time of such designation be vested in the Franchisee;
- (ii) if the Secretary of State reasonably determines that such RV Asset does not satisfy the requirements of the Committed Obligation to which it relates;
- (iii) that is brought into operational use on a date that is later than the date which is 4 years after the Start Date; or

Adjustments to the Transfer Value

13.4 If:

- (a) the Franchise Agreement is extended as contemplated in paragraph 1.2 of Schedule 18 (Additional Reporting Periods) then the Secretary of State shall

adjust the RV Asset Transfer Value applicable to each RV Asset by depreciating each such RV Asset on a straight line basis from its Planned Delivery Date until the end of the Franchise Period (as extended) and so that:

- (i) the Revised RV Asset Transfer Value will be the residual value of the RV Asset following such depreciation as at the end of the Franchise Period (as extended) or, if the RV Asset has been fully depreciated on that basis at that time, nil; and
 - (ii) from the date of the extension of the Franchise Agreement Column 2 of the table in Part 2 of the Appendix to this Schedule 14.4 shall be deemed to be and shall be restated in the amounts of the Revised RV Asset Transfer Value; or
- (b) the actual capital cost incurred by the Franchisee in procuring any RV Asset is less than the amount specified in Column 5 of the table in Part 2 of the Appendix to this Schedule 14.4 in respect of any such RV Asset, then:
 - (i) the Secretary of State shall with effect from the date upon which a Certificate of Completion is issued in respect of such RV Asset adjust the RV Transfer Value applicable to such RV Asset by using the same principles as were specified in the Financial Model and Record of Assumption for the calculation of the initial RV Transfer Value except that actual capital cost for such RV Asset shall replace the capital cost specified for such RV Asset in Column 5 of the table in Part 2 of the Appendix to this Schedule 14.4 in order to calculate the Revised RV Asset Transfer Value; and
 - (ii) Column 2 of the table in part 2 of the Appendix to this Schedule 14.4 shall, from the date of any such adjustment be deemed to be restated and shall be restated in the amounts of the Revised RV Asset Transfer Value.

 - (ii) **"Revised RV Asset Transfer Values"** means each of the RV Asset Transfer Values as adjusted by the Secretary of State in accordance with the provisions of paragraph 13.4(a) or paragraph 13.4(b) (as applicable).

Maintenance Requirements for RV Assets

- 13.5 At the same time as the Franchisee provides the information required pursuant to paragraph 13.3(a) in respect of any RV Asset, the Franchisee shall submit to the Secretary of State a schedule of condition specifying the condition of such RV Asset as at the date upon which such RV Asset was brought into operational use as specified in the applicable Certificate of Completion. Such schedule of condition must be approved by the Secretary of State and shall be in respect of such aspects of an RV Asset as the Secretary of State may reasonably require. The Franchisee shall ensure that each RV Asset is maintained, preserved and protected in at least the same condition, subject to fair wear and tear, as specified in the applicable schedule of condition as approved by the Secretary of State in respect of such RV Asset pursuant to this paragraph 13.5. In respect of any RV Asset that is a Network Rail Fixture Asset the Franchisee shall ensure that any schedule of condition prepared as required by this paragraph 13.5 shall comply with the Franchisee's maintenance obligations relating to such Network Rail Fixture Asset under the applicable Station Access Conditions and/or Depot Access Conditions (as the case may be).

- 13.6 Subject to paragraph 13.7, where the Franchisee has failed to demonstrate to the reasonable satisfaction of the Secretary of State that it has complied with its maintenance obligations in paragraph 13.5 in respect of any RV Asset then the Secretary of State may by notice in writing to the Franchisee require that the RV Asset Transfer Value payable by a Successor Operator required pursuant to the Supplemental Agreement to pay to the Franchisee the RV Asset Transfer Value for such RV Asset ("**Relevant Successor Operator**") is adjusted downwards by an amount that is equal to the amount that is agreed by the Franchisee and the Relevant Successor Operator (or on failure to agree, as reasonably determined by the Secretary of State) as being the amount reasonably expected to be incurred by the Relevant Successor Operator for putting such RV Asset in the condition required pursuant to paragraph 13.5.
- 13.7 The provisions of paragraph 13.6 shall not apply in circumstances where the Franchisee and the Relevant Successor Operator agree that the Franchisee shall either:
- (a) rectify any relevant non-compliance with the requirements of paragraph 13.5 or
 - (b) indemnify the Relevant Successor Operator (the form of such indemnity to be in a form that is acceptable to the Relevant Successor Operator) against the reasonable costs of putting the relevant RV Asset in the condition required by paragraph 13.5.

as the transfer of a business as a going concern ("**TOGC**") and accordingly as neither a supply of goods nor a supply of services for the purposes of Value Added Tax.

- 6.3 If HM Revenue & Customs direct that the transfer of the Transferring Assets and Liabilities cannot be treated as a TOGC, the Transferor shall provide the Transferee with a copy of such direction within five days of receipt thereof by the Transferor.

If the aforementioned direction was issued as a result of any action or inaction of the Transferee then the Transferee shall in addition to the Value Added Tax indemnify the Transferor for any penalties and interest that may be incurred upon receipt of such evidence from HM Revenue & Customs.
- 6.5 If the Transferee considers the direction issued by HM Revenue & Customs referred to in clause 6.3 to be incorrect then, without prejudice to the Transferee's obligation under clause 6.4 to pay to the Transferor the amount of any Value Added Tax which as a result such direction may be chargeable on the transfer of the Transferring Assets and Liabilities, the Transferee may, within 30 days of receipt of such direction by the Transferor, give notice to the Transferor that it requires the Transferor to appeal such direction. Upon requesting such an appeal the Transferee agrees to indemnify the Transferor for all reasonable costs that the Transferor may incur in taking such action upon receipt of evidence of those costs. If such an appeal is successful the Transferor agrees to reimburse the Transferee for such reasonable costs and penalties and interest to the extent that those costs have been reimbursed by HM Revenue & Customs.
- 6.6 If any amount paid by the Transferee to the Transferor in respect of Value Added Tax pursuant to this Agreement is subsequently found to have been paid in error the Transferor shall issue a valid tax credit note for the appropriate sum to the Transferee and promptly repay such amount to the Transferee.
- 6.7 If any amount is payable by the Transferor to the Transferee in respect of the transfer of the Relevant Franchise Assets, Relevant Contract Liabilities, Relevant Debits and Credits and Relevant Employee Liabilities pursuant to this Agreement, clauses 6.3 to 6.6 inclusive shall apply mutatis mutandis to such payment substituting Transferor for Transferee and vice versa.
- 6.8 Not used.
- 6.9 All of the records referred to in Section 49 of the Value Added Tax Act 1994 relating to the Business (being the purchase records) shall be retained by the Transferor and the Transferor shall undertake to the Transferee to:
 - (a) preserve those records in such manner and for such periods as may be required by law; and
 - (b) give the Transferee as from the Transfer Date reasonable access during normal business hours to such records and to take copies of such records.

SCHEDULE TO THE SUPPLEMENTAL AGREEMENT

Net Asset Statement

The Net Asset Statement shall be drawn up (except to the extent otherwise agreed by the Transferor and the Transferee) in accordance with accounting principles generally accepted in the United Kingdom and such that the Transferring Assets and Liabilities are valued on the following basis:

1. Rights and liabilities relating to an obligation of carriage under the terms of any Fare shall be valued in accordance with the following formula:

$$(C - D) \times \frac{A}{B} + E$$

where:

C equals the Credit (exclusive of any Valued Added Tax) received by the Transferor in respect of the Fare provided that:

- (a) such Credit shall be deemed not to include any reduction in respect of a discount allowed to the purchaser of the Fare pursuant to the Passenger's Charter or any other passenger's charter of the Transferor;
- (b) if the Fare is a Season Ticket Fare, such Credit shall be the New Credit (as defined in the Ticketing and Settlement Agreement) relating to that Season Ticket Fare on the Transfer Date if different to the Credit that was in fact received by the Transferor in respect of such Season Ticket Fare;
- (c) such Credit shall be net of any Private Settlement Credit (as defined in the Ticketing and Settlement Agreement) arising in respect of that Fare; and
- (d) such Credit shall be deemed to exclude any Credit received by the Transferor in respect of any commission due to it in respect of the sale of such Fare (provided that for these purposes the amount of such commission shall not exceed the National Standard Rate of Commission (as defined in the Ticketing and Settlement Agreement) in respect of the Fare);

D equals the Debit (exclusive of any Value Added Tax) received by the Transferor in respect of the commission due in respect of the sale of the Fare (provided that for these purposes the amount of such commission shall not exceed the National Standard Rate of Commission (as defined in the Ticketing and Settlement Agreement) in respect of the Fare);

$\frac{A}{B}$ equals

- (a) in the case of a Season Ticket Fare, the number of journeys which the purchaser of the Fare is estimated to make from (and including) the Transfer Date to (and including) the last day on which the Fare is valid (including any extensions to its original period of validity) divided by the total number of journeys which the purchaser of the Fare is estimated to make with that Fare (as determined in each case in accordance with Schedule 28 of the Ticketing and Settlement Agreement);
- (b) in the case of any other Fare which entitles the holder thereof to make more than two journeys, the number of days for which the Fare continues to be valid after the Transfer Date (including any extensions to its original period of validity) divided by the total number of days for which such Fare is valid on issue (except to the extent that it can reasonably be estimated what proportion of the journeys which could be made on issue of the Fare have not been made prior to the Transfer Date); or

(c) in the case of any other Fare, zero; and

E equals, if $\frac{A}{B}$ is greater than zero:

the amount of any discount to which it can be reasonably estimated that the purchaser of the Fare would be entitled pursuant to the Passenger's Charter or any other passenger's charter of the Transferor on purchasing an equivalent Fare on the expiry of the relevant Fare,

and for these purposes a Credit or Debit shall be deemed to be received when the relevant Fare is Accepted for Clearing (as defined in the Ticketing and Settlement Agreement).

2. Rights and liabilities relating to an Excess Fare, Reservation or Upgrade (as such terms are defined in the Ticketing and Settlement Agreement) shall be valued at zero unless such Excess Fare, Reservation or Upgrade involves more than two journeys, in which case they shall be valued in accordance with paragraph 1 and references to Fare in paragraph 1 shall be construed accordingly.

3. Rights and liabilities under a Discount Card shall be valued in accordance with the following formula:

$$(C - D) \times \frac{A}{B}$$

where:

C equals the Credit (exclusive of any Value Added Tax) received by the Transferor in respect of the Discount Card;

D equals the Debit (exclusive of any Value Added Tax) received by the Transferor in respect of the commission due in respect of the sale of the Discount Card (provided that for these purposes the amount of such commission shall not exceed the National Standard Rate of Commission (as defined in the Ticketing and Settlement Agreement) in respect of the Discount Card); and

$\frac{A}{B}$ equals the number of days for which the Discount Card continues to be valid after the Transfer Date (including any extensions to its original period of validity) divided by the total number of days for which such Discount Card is valid on issue, or in the case of any Discount Card listed in Schedules 12 or 39 of the Ticketing and Settlement Agreement on the Start Date, zero,

and for these purposes a Credit or Debit shall be deemed to be received when the relevant Discount Card is Accepted for Clearing (as defined in the Ticketing and Settlement Agreement).

4. Relevant Debits and Credits shall be valued at the full amount of such Debits and Credits (inclusive of any Value Added Tax) but excluding any Debits and Credits arising in respect of Adjustment Amounts (as defined in the Ticketing and Settlement Agreement) which are received by the Transferee in respect of a change to the Credit which is used to value any relevant Season Ticket Fare under paragraph 1 of this Schedule to the extent such Adjustment Amounts (as defined in the Ticketing and Settlement Agreement) relate to a period after the Transfer Date.

5. Rights and liabilities in respect of any contract, lease, licence or other equivalent arrangement (excluding rights and liabilities valued under paragraphs 1 to 4) shall be valued at nil except to the extent that the relevant rights and liabilities include matters specified in the left hand column of the following table, which shall be valued on the basis specified in the right hand column of the following table:

- 2.2 For the purposes of this paragraph 2, Closed Scheme Employees means such of the employees of the Franchisee who were, immediately prior to the commencement of their employment with the Franchisee, members of either of the British Railways Superannuation Fund or the BR (1974) Pension Fund.

3. Variations in benefits, contributions and investment

- 3.1 If a Franchisee is considering making a proposal that falls within the scope of paragraphs 3.2(a) to (g) inclusive, it shall promptly consult with the Secretary of State in relation to that proposal prior to putting such a proposal to the Pensions Committee of any Franchise Section, the Trustee of the Railways Pension Scheme (the "**Trustee**"), or to any trade union. The Franchisee must otherwise consult in good time with the Secretary of State in relation to any proposal falling within the scope of paragraphs 3.2(a) to (g) inclusive.
- 3.2 Separately and in addition to complying with its obligations under paragraph 3.1, the Franchisee shall not, without the prior written consent of the Secretary of State (which may be given on such terms and subject to such conditions as the Secretary of State thinks fit):
 - (a) restructure or change the composition of the earnings of employees of the Franchisee in such a way as to increase the part of those earnings which qualifies as pensionable earnings under the rules of the Railways Pension Scheme applicable to any Franchise Section (the "**Franchise Section Rules**") or take any action (or consent to the taking of any action) which could detrimentally affect the funding of any Franchise Section, including varying or providing different or additional benefits under that Franchise Section or promising to do so, unless this change:
 - (i) is required by Law; or
 - (ii) only affects benefits payable in respect of past service of members of that Franchise Section and on or prior to the effective date of the change the Franchisee pays an additional cash payment to the Trustee which, in the opinion of the Actuary, meets in full the additional funding cost imposed on that Franchise Section; or

- (iii) would not lead to substantial changes in the funding of any Franchise Section and is the result of the normal application of the Franchise Section Rules in the ordinary day to day running of the business of the Franchise, for example, where individual employees are, from time to time promoted or transferred to higher paid or different employment which has a different composition of earnings;

 - (e) take any action (or consent to the taking of any action) which could affect the contributions payable by Participating Employers under any Franchise Section, including exercising any discretion allowed to the Franchisee as Designated Employer arising out of any actuarial valuation of a Franchise Section, and varying or providing different or additional benefits under the Franchise Sections in respect of future service, unless such action is required by Law;
 - (f) close a Franchise Section to new members; or
 - (g) take (or omit to take) any action which could result in any Franchise Section being wound up, in whole or in part.
- 3.3 The Franchisee shall consult with the Secretary of State on:
- (a) any proposal made by the Trustee to change the statement of investment principles applicable to any Franchise Section; and
 - (b) any proposal to alter the rate of contributions payable by the Franchisee or its employees under a new schedule of contributions for the Franchise Section.
- 3.4 With respect to any proposal falling within the scope of paragraph 3.3(a) or (b), the Franchisee shall also consult with the Trustee on the basis of any response it receives from the Secretary of State in relation to any such proposal.

4. **Funding liabilities**

- 4.1 The Franchisee shall pay the employer contributions required under the schedule of contributions applicable to each Franchise Section (or either of the British Railways Superannuation Fund or the BR (1974) Pension Fund in which it participates) in respect of the Franchise Term subject to the provisions of paragraph 4.2 below.
- 4.2 Where, during the Franchise Term, Franchise Services are aggregated or disaggregated by the Secretary of State (for example, as a result of remapping) and, as a consequence, a Franchise Section of which the Franchisee is the Designated Employer is required to accept a transfer in or to make a transfer out of members, the Secretary of State shall ensure that the Franchisee has no liability for any resulting deterioration immediately arising in the funding level of the Franchise Section measured in accordance with the Franchise Sections' technical provisions in Part 3 of the Pensions Act 2004, or for any amount arising under article 7(4) of the Railway Pensions (Protection and Designation of Schemes) Order 1994. Notwithstanding the above the Secretary of State shall have no liability for any future

deterioration in the funding levels of the Franchise Section linked to such transfer in or out of members.

5. **Discharge of obligations**

5.1 The Secretary of State may at any time during the Franchise Term seek information from the Trustee with a view to satisfying himself that the Franchisee and the other Participating Employers (if any) have fully discharged their respective obligations under the Railways Pension Scheme, including their obligations in respect of the payment of contributions to any Franchise Section.

5.2 The Franchisee shall, at its expense, promptly provide such information in relation to any Franchise Section, including actuarial advice and information, as the Secretary of State may from time to time request and shall authorise and consent to the Trustee doing so.

5.3 The Franchisee shall, in respect of the Franchise Term, use all reasonable endeavours to provide to the Secretary of State:

- (a) within one month of the expiry of each Franchisee Year; and
- (b) at other times as soon as practicable following a request by the Secretary of State,

a certificate signed by the Trustee in relation to the Franchise Sections stating either that the Franchisee has fully complied with its obligations under the Railways Pensions Scheme, including its obligation to contribute to the Franchise Sections or, if it has not so complied, stating the extent to which it has not done so. Where the certificate is given pursuant to paragraph 5.3(a), it shall cover the relevant Franchisee Year. Where the certificate has been given pursuant to paragraph 5.3(b), it shall cover such period as the Secretary of State shall specify.

5.4 If the Trustee does not certify under paragraph 5.3 in relation to the Franchise Sections that the Franchisee has fully complied with its obligations under the Railways Pension Scheme or if the Secretary of State otherwise reasonably considers that the Franchisee has not complied with such obligations, the Secretary of State may adjust Franchise Payments payable under Schedule 8 (Payments) by an amount which is, in his opinion, no greater than the amount of any contribution that the Franchisee has thereby failed to make or avoided making.

5.5 The Secretary of State may, under paragraph 5.4, continue to make such adjustments to Franchise Payments payable under Schedule 8 (Payments) until such time as he reasonably determines that the relevant contributions have been made in full by the Franchisee. Following that determination, any amounts so withheld by the Secretary of State shall become payable (without interest) on the next day on which a Franchise Payment becomes payable under Schedule 8 (Payments), being a day which falls no less than seven days after such determination or, if there is no such day, 14 days after the date of such determination. To the extent that the Secretary of State has not so determined within four weeks after the expiry of the Franchise Period, the Franchisee's right to receive the amount so withheld under the Franchise Agreement shall lapse and the Secretary of State shall not be obliged to pay such amount.

6. **Termination of Franchise**

The Secretary of State shall at the end of the Franchise Period ensure that the Franchisee has no liability for any deficit in the Franchise Sections (other than for contributions due and payable by the Franchisee to the Franchise Sections for any period prior to the end of the Franchise Term) and shall have no right to benefit from any surplus which may exist in the Franchise Sections. For the avoidance of doubt, this paragraph 6 shall apply where the Franchise Services are either aggregated or disaggregated (for example, as a result of remapping).

7. **Definitions**

Unless otherwise defined in the Franchise Agreement, terms used in this Schedule 16 shall have the meanings given to them in the Railways Pension Scheme.

Other Provisions

1. **Rights Cumulative**

The rights of the Secretary of State under the Franchise Agreement are cumulative, may be exercised as often as he considers appropriate and are in addition to his rights under the general Law. The exercise of such rights shall not limit the Secretary of State's right to make payment adjustments, claim damages in respect of contraventions of the Franchise Agreement or pursue any available remedies under general Law.

2. **Disputes**

Disputes under the Franchise Agreement

- 2.1 Wherever the Franchise Agreement provides that the Secretary of State may reasonably determine any matter, the Franchisee may, unless the Franchise Agreement expressly provides otherwise, dispute whether a determination made by the Secretary of State is reasonable, but the Secretary of State's determination shall prevail unless and until it is agreed or found to have been unreasonable.
- 2.2 Where either party is entitled, pursuant to the terms of the Franchise Agreement, to refer a dispute arising out of or in connection with the Franchise Agreement for resolution or determination in accordance with the Dispute Resolution Rules, then such dispute shall, unless the parties otherwise agree and subject to any duty of the Secretary of State under Section 55 of the Act, be resolved or determined by arbitration pursuant to the Dispute Resolution Rules.
- 2.3 Where, in the absence of an express provision in the Franchise Agreement entitling it to do so, either party wishes to refer a dispute arising out of or in connection with the Franchise Agreement to arbitration pursuant to the Dispute Resolution Rules, the following process shall apply
 - (a) the party seeking to refer to arbitration shall serve a written notice upon the other party stating (i) the nature and circumstances of the dispute, (ii) the relief sought including, to the extent possible, an indication of any amount(s) claimed, and (iii) why it is considered that the dispute should be resolved by way of arbitration rather than litigation;
 - (b) the other party shall respond within 20 Weekdays of service of the notice confirming whether or not referral of the dispute to arbitration is agreed. In the absence of any response, the referral to arbitration shall be deemed not to have been agreed;
 - (c) in the event that the parties agree to refer the dispute to arbitration then it shall be resolved or determined in accordance with the Dispute Resolution Rules;
 - (d) in the event that the parties do not agree to refer the dispute to arbitration then it shall be resolved or determined in accordance with Clause 8 of the Franchise Agreement; and
 - (e) nothing in this paragraph 2.3 shall preclude either party from commencing, continuing or otherwise taking any step by way of litigation in pursuit of the resolution or determination of the dispute unless an agreement is reached to refer the dispute to arbitration.
- 2.4 The arbitrator in any dispute referred for resolution or determination under the Dispute Resolution Rules shall be a suitably qualified person chosen by agreement between the parties or, in default of agreement, chosen by the Disputes Secretary from a panel of persons agreed from time to time for such purposes between the Secretary of State and

the Franchisee or, in default of agreement as to the arbitrator or as to such panel, selected on the application of any party by the President of the Law Society or the President of the Institute of Chartered Accountants in England and Wales from time to time (or such other person to whom they may delegate such selection).

Disputes under Other Agreements

- 2.5 The Franchisee shall notify the Secretary of State of any disputes to which it is a party under any Inter-Operator Scheme, Access Agreement, Property Lease or Rolling Stock Related Contract, or under any other agreement in circumstances where the relevant dispute could have an adverse effect on the Franchisee's ability to comply with its obligations under the Franchise Agreement or on the provision of the Franchise Services and which have been submitted for resolution either to the courts or to any other procedure for dispute resolution provided for under such agreements.
- 2.6 Such notification shall be made both:
- (a) at the time of such submission (and such notification shall include reasonable details of the nature of the dispute); and
 - (b) at the time of the resolution of the dispute (whether or not subject to appeal) (and such notification shall include reasonable details of the result of the dispute, any associated award and whether it is subject to appeal).
