Dear [REDACTED]

PROVISION OF REQUESTED INFORMATION

Thank you for your request for information on Egg Codes which we received on 23 May 2018. Your request has been part handled under the Freedom of Information Act 2000 (FOI).

The information you requested and our response is detailed below:

"I'd like to find a list of all the producer codes used on eggs ("egg codes"). From reading your website, it looks like these are "hen laying establishments" registered via form EMR02b?"

Please find attached the request list as Appendix 1.

Is this list currently made public anywhere? I can see some sites (eg <http://www.foodmiles.com/egg-miles.cfm>) which do a reverse lookup using the code, but I can't find the raw list anywhere."

The list has not been made public to date. However all Freedom of Information requests are subject to Publication on GOV.UK.

Information disclosed in response to this FOI request is releasable to the public. In keeping with the spirit and effect of the FOI and the government's Transparency Agenda, this letter and the information disclosed to you may be placed on GOV.UK, together with any related information that will provide a key to its wider context. No information identifying you will be placed on the GOV.UK website.

I attach an Annex which explains the copyright that applies to the information being released to you and contact details should you be unhappy with the service you have received.

If you have any queries about this letter, please contact the Access to Information Team at the email address below or postal address at the top of this letter.

Yours sincerely
