G6 Litigation Specialist Lawyer Preferences

We would like to know if you have preference for any posts within litigation (or none).

We cannot guarantee to meet preferences. It is possible that additional posts will become available in the course of the campaign, to which we may allocate successful candidates, taking preferences into account where possible.

Allocation of successful applicants to post will be in merit order, seeking to take account of preferences, overall business needs, respective skills and experience.

Any successful candidates who are not allocated to a post at the end of the exercise will be placed on a reserve list.

Successful candidates, who do not accept the post they have been allocated, will be placed on the reserve list.

The reserve list will remain in place for 6 months (from the campaign closing date). If further vacancies arise during that period we will look to fill them from the reserve list.

Please complete the table below and send this form to with your interview acceptance.
