Claimant

Respondent

Miss J Gabbidon

v Swissport GB Limited

Heard at: Leeds

On: 10 May 2019

Before: Employment Judge JM Wade

Appearance:

For the Claimant: no attendance

For the Respondent: no attendance

JUDGMENT

The claimant's complaints of unlawful deductions from wages (including sick pay) and unpaid holiday pay are dismissed.

REASONS

On 7 March 2019 the Tribunal sent to the parties a judgment dismissing the claimant's unfair dismissal complaint, a notice of hearing for today's hearing of wages complaints, and case management orders. The respondent has provided full copies of the claimant's payslips. On 3 May 2019 the Tribunal wrote to the claimant to say she must provide an explanation for non compliance by 8 May 2019 and indicate pursuit of her claim. No response from the claimant is on the Tribunal file and no party attended today. I have concluded from the information on the file, summarised here, that the claimant is not actively pursuing her claims and for that reason they must be dismissed.
