## JUDGMENT OF THE EMPLOYMENT TRIBUNAL UPON RECONSIDERATION WITHOUT A HEARING

MADE AT NORTH SHIELDS  
EMPLOYMENT JUDGE GARNON

On 1<sup>st</sup> August 2018

### JUDGMENT

Under Rules 70-72 of the Employment Tribunal Rules of Procedure 2013, (the Rules) , on reconsideration of my Judgment of 24<sup>th</sup> July 2018, I revoke it because it is necessary in the interests of justice to do so .The decision will be taken again and a case management preliminary hearing listed.

### REASONS

The respondent has applied for a reconsideration of a judgment made by me under Rule 21 where I believed no response had been presented. I am satisfied one was presented by fax which for some unknown reason did not print at the Tribunal, The claimant's representative accepts I should revoke the Rule 21 judgment.
