ANNEX IV F

LIST OF COMMITMENTS IN SERVICES SECTORS

(referred to in Articles 69, 78, 81 and 83)

CARIFORUM PARTY AND SIGNATORY CARIFORUM STATES

1. This 'List of Commitments in Services Sectors' (hereinafter referred to as the 'Schedule') is based on the UN Central Product Classification (CPC) list and the services sectoral classification list (MTN.GNS/W/120) used in GATS negotiations but also includes some service activities not covered by these classification schemes. The inclusion of two asterisks (**) indicates that the services specified constitute only a part of the total range of activities covered by the CPC concordance.
2. This Schedule is consistent with the GATS scheduling template and includes only those service activities in which the Signatory CARIFORUM States are undertaking commitments. With respect to market access and national treatment commitments, the different modes of supply are indicated by the following numbers:
 - (1) Supply from the territory of a Party into the territory of the other Party (Mode 1);
 - (2) Supply in the territory of a Party to the service consumer of the other Party (Mode 2);
 - (3) Supply through commercial presence (Mode 3);
 - (4) Supply through the presence of natural persons (Mode 4).
3. With regard to the categories of natural persons listed in Chapter 4 of Title II the following should be noted:

Key Personnel and Graduate Trainees — where there is a commitment in Mode 3 there is an automatic commitment regarding temporary entry for these categories of persons, subject to an economic needs test, unless otherwise indicated.

Contractual service suppliers (CSS) and independent professionals (IP) — commitments are undertaken only where specifically indicated in the Schedule by CSS or IP. Where a commitment on contractual service suppliers or independent professionals is included in this Schedule it is subject to the conditions stipulated in Article 83, unless otherwise stated.
4. Where there is an indication of 'None' for Mode 4 it means that there are no limitations or restrictions for all categories of natural persons except contractual service suppliers and independent professionals.
5. In those sectors in which economic needs tests (ENTs) are applied for Mode 4, the main criterion will be availability of persons with the requisite skills in the local labour market. With regard to other modes of supply, the main criteria for ENTs will be the assessment of the relevant market situation where the service is to be provided, with respect to the number of, and the impact on, existing service suppliers.
6. This Schedule includes all CARIFORUM States, except Haiti, unless otherwise stated.
7. Subject to Article 238, the commitments listed in this Schedule apply only to the relations between the Signatory CARIFORUM States on the one hand and the United Kingdom on the other and do not affect the rights and obligations of the Signatory CARIFORUM States arising from obligations under the Revised Treaty of Chaguaramas Establishing the Caribbean Community including the CARICOM Single Market and Economy, the Revised Treaty of Basseterre establishing the Organisation of Eastern Caribbean States Economic Union, or the CARICOM-Dominican Republic Free Trade Agreement.
8. This Schedule of commitments cannot be construed as offering in any way the privatisation of public undertakings nor as preventing any Signatory CARIFORUM State from regulating any sector or economic activity in order to meet national policy objectives.
9. With regard to the economic activities covered in Chapters 2 and 3 of Title II, other than public services, without prejudice to the content of the list of commitments on commercial presence and on cross-border supply in this Annex, the Signatory CARIFORUM States shall maintain the conditions of market access and national treatment in the meaning of Articles 67 and 68, and Articles 76 and 77 applicable according to their respective legislation to services, service suppliers, investors and commercial presences of the EC Party at the time of the signature of this Agreement.

10. The Schedule of commitments may not include measures relating to qualification requirements and procedures, technical standards and licensing requirements and procedures when they do not constitute a market access or a national treatment limitation within the meaning of Articles 67 and 68, and 76 and 77 of the Agreement. Those measures (e.g. need to obtain a license, need to register with the Registrar of Companies, universal service obligations, need to obtain recognition of qualifications in regulated sectors, need to pass specific examinations, including language examinations, non-discriminatory requirement that certain activities may not be carried out in environmental protected zones or areas of particular historic and artistic interest), even if not listed, apply in any case to service suppliers of the other Party.
