

EMPLOYMENT TRIBUNALS

Claimant: Mr. P Higham

Respondent: Salford City Council

JUDGMENT

The claimant's application dated 22 March 2019 for reconsideration of the judgment sent to the parties on 11 March 2019 is refused.

REASONS

There is no reasonable prospect of the original decision being varied or revoked.

1. The claimant seeks to re-argue the case that he put to me at the hearing.
2. He notes that the payment referred to in paragraph 12 of the judgment was his severance payment and not his first pension payment. This has no bearing on the out of time judgment he seeks to have reconsidered.
3. The claimant's main point seems to be a statement that he was too ill to take legal action both physically and mentally thus making it not reasonably practicable for the claims to be presented in time.
4. The judgment sets out the medical evidence presented by the claimant and it does not support the claimant's contention that he was too ill to bring his claims at the appropriate time.
