JUDGMENT

The Respondent's application dated **28 April 2019** for reconsideration of the judgment and reasons, sent to the parties on **15 April 2019**, striking out the Claimant's claims in the above cases, is refused.

REASONS

There is no valid ground for reconsidering the original Judgment disclosed in the application, on the basis of which it is necessary in the interests of justice to do so. The Claimant alleges that the reasoning for the original Judgment is obviously wrong and attributes it to the tribunal judge having been intimidated
