

EMPLOYMENT TRIBUNALS

Claimant: Mr R Mayes

Respondent: Ringway Infrastructure Services Ltd

JUDGMENT

The claim is struck out.

REASONS

1. On 11 April 2019 the Claimant's application to postpone the hearing was refused. The Telephone Case Management Preliminary hearing proceeded in the Claimant's absence on the 12 April 2019.
2. The Case Management summary was sent to the parties on 17 April 2019 and a further Telephone Case Management Preliminary hearing was listed in order that the Claimant would have an opportunity to comply with the Orders.
3. The Claimant was also ordered to pay a deposit of £500.00 no later than 21 days of the Order being sent, as a condition of the case being permitted to continue to take part in the proceedings.
4. No deposit has been received to date, the claim is therefore struck out.
5. The Telephone Case Management Preliminary hearing fixed for 23 August 2019 is vacated.
