Action required: use new Ofqual
Logo on certificates by 1 May 2020

Ref: RO64b/2019

Using Ofqual's Logo for certificates (decisions following RO64/2019)

Dear Responsible Officer

We wrote to you on 25 March ([RO64/2019](#)) setting out a proposed timescale for the transition period by which you must use the new Ofqual Logo on certificates.

Few awarding organisations responded to this request for feedback. Most of the responses were positive.

We have decided to go ahead with the transition date we proposed.

Any qualification taken on or after **1 May 2020** will need to include the new Ofqual Logo on certificates. You are free to use the old or new Logo on certificates prior to this date. The new Logo can be downloaded from the links section of the Ofqual Portal.

A couple of awarding organisations informed us of difficulties in complying with this date: we will be in contact with those awarding organisations shortly.

Yours sincerely
