

EMPLOYMENT TRIBUNALS

Claimant: Mrs B Kozinka

Respondent: Next Distribution Ltd

Heard at: Sheffield **On:** 6 June 2019

Before: Employment Judge Rostant

Appearances

For the claimant: In person

For the respondent: Mr I Blackwell, solicitor

JUDGMENT

- (1) All complaints contained in the claimant's first claim form (1811576/2018) *except* a claim under S47E and S48 Employment Rights Act 1996 (detriment for having made a flexible working request) were struck out as at 7 May by reason of the claimant's failure to comply with the Unless order of 15 April.
- (2) The claim under S47E was struck out because it was brought out of time and it was not appropriate to allow the claimant to amend her claim to include it.
- (3) It follows that the only matters to proceed to hearing will be the complaints in the claimant's second claim form (see separate Case Management Order).
