Dear [REDACTED]

## PROVISION OF REQUESTED INFORMATION

Thank you for your request for information the ibTB mapping tool which we received on 05 September 2018. Your request has been handled under the Freedom of Information Act 2000 (FOI).

The information you requested and our response is detailed below:

“Is there a way of obtaining your bTB map data please, ideally with 8 or 10 digit OS Grid References in perhaps a .csv format?”

This information is I know freely available with your ibTB mapping tool and accurate grid references found by comparing your map with an application which shows OS Grid references. It would, however, be helpful if this data were to be available in the above-mentioned format.

I am not asking for any other information on breakdowns apart from that which is available with the ibTB mapping tool.”

Please find attached the data as requested in a .csv file: [APPENDIX 1](#).

Please be advised that it includes the tb2, tb10 dates, and the Easting and Northing, from which the 10 digit OS Map references can be created if required.

Information disclosed in response to this FOI request is releasable to the public. In keeping with the spirit and effect of the FOI and the government’s Transparency Agenda, this letter and the information disclosed to you may be placed on GOV.UK, together with any related information that will provide a key to its wider context. No information identifying you will be placed on the GOV.UK website.

I attach an Annex which explains the copyright that applies to the information being released to you and contact details should you be unhappy with the service you have received.
