Dear [REDACTED]

PROVISION OF REQUESTED INFORMATION

Thank you for your request for information regarding TB Slaughter Figures which we received on 30 August 2018. Your request has been handled under the Freedom of Information Act 2000 (FOI).

The information you requested and our response is detailed below:

"I've been looking at the TB slaughter figures on your website and wondered if it was possible to get a breakdown of the GB totals for dairy cows only. Ideally we would get the monthly GB figures split by age group, but for dairy only."

APHA asked for clarity on your initial request of which you responded on 10 September 2018, "I'd like monthly data from 1st April 2015 through to the latest available. Having totals for the GB dairy herd will be fine, without the need to break it down by age group".

Please see [APPENDIX 1 - This](#) covers the time period from 1 April 2015 to 30 June 2018 and shown in months and years. The figures provided are for the total number of [animals](#) slaughtered from dairy herds.

Information disclosed in response to this FOI request is releasable to the public. In keeping with the spirit and effect of the FOI and the government's Transparency Agenda, this letter and the information disclosed to you may be placed on GOV.UK, together with any related information that will provide a key to its wider context. No information identifying you will be placed on the GOV.UK website.

I attach an Annex which explains the copyright that applies to the information being released to you and contact details should you be unhappy with the service you have received.

If you have any queries about this letter, please contact the Access to Information Team at the email address below or postal address at the top of this letter.

Yours sincerely
