Dear [REDACTED]

Please see below our responses to the two outstanding questions from your EIR request of the 2 January, regarding the M20 bridge of the 2 January.

- 1. It was reported in 2017 that Highways England were intending to consider launching an investigation once the Kent Police probe was completed. Did Highways England decide to do so, and if so what is the status (ongoing, completed etc)?**

Highways England did not carry out an investigation, as we were involved in Kent Police's investigation, which covered the same grounds.

- 2. If such an investigation has been concluded, I would like to see a copy of the resulting report. If not, I would like to see copies of any preliminary reports.**

Please see above.

If you are unhappy with the way we have handled your request you may ask for an internal review within 2 months of the date of this response for Freedom of Information requests and within 40 days for Environmental Information Regulations requests. Our internal review process is available at:
