# Front Line Review

## Joint Statement of Co-operation

### We:

- ✓ acknowledge the findings from the Front Line Review which identify a wide range of important issues;
- ✓ understand that these issues matter greatly to, and impact upon frontline officers, including special constables, and staff;
- ✓ will work together to ensure the findings inform meaningful changes in policing to ensure all officers, including special constables, and staff are better supported, and are fully able to contribute to innovation and change.
