#### Notes to the accounts

(see notes 82 and 83)

All notes to the accounts must be entered on or attached to this part of the return.

**PROSPECT** 

NOTES TO THE ACCOUNTS
YEAR ENDED 31 DECEMBER 2018

#### 2 JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported for assets and liabilities as at the balance sheet date and the amounts reported for revenues and expenses during the year. However the nature of estimation means that actual outcomes could differ from those estimates.

#### **Critical Judgements**

Under HMRC rules affecting taxation of trade unions, a corporation tax liability does not arise on chargeable gains arising from the disposal of properties and investments where such gains are reinvested into other chargeable assets in the same accounting period. The Union has adopted a policy whereby such chargeable gains are all reinvested, thereby eliminating any corporation tax liability. Where the proceeds are not fully reinvested, no corporation tax liability is considered likely to arise due to the availability of sufficient excess expenditure on provident benefits. Accordingly in the opinion of the management, the revaluation of properties and investments does not give rise to a timing difference and to deferred tax liabilities.

#### Key Sources of estimation uncertainty

The cost of defined benefit pension plans is determined using actuarial valuations. The actuarial valuation involves making assumptions about discount rates, future salary increases, mortality rates and future pension increases. Due to the complexity of the valuation, the underlying assumptions and the long term nature of these plans, such estimates are subject to significant uncertainty. In determining the appropriate discount rate, management considers the interest rates of corporate bonds in the respective currency with at least AA rating, with extrapolated maturities corresponding to the expected duration of the defined benefit obligation. The underlying bonds are further reviewed for quality, and those having excessive credit spreads are removed from the population bonds on which the discount rate is based, on the basis that they do not represent high quality bonds. The mortality rate is based on publicly available mortality tables for the specific country. Future salary increases and pension increases are based on expected future inflation rates for the respective country. Further details are given in note 19.

### NOTES TO THE ACCOUNTS YEAR ENDED 31 DECEMBER 2018

#### 3 OTHER INCOME FROM MEMBERS

This comprises comprises mainly of income from settlement agreements and was previously netted off against the costs of benefits to members in previous years.

#### 17 TRANSFER OF ENGAGEMENTS BECTU

On 1 January 2017 the transfer of engagements of the Broadcasting, Entertainment, Cinematograph and Theatre Union (BECTU) to Prospect took place.

In accordance with FRS102, the transfer of engagements of BECTU to Prospect has been recognised as an acquisition in Prospect's accounts at the fair value of BECTU's net assets/liabilities as at 1 January 2017.

#### **18 CONTINGENT LIABILITIES**

The Union is involved in numerous on going legal cases on behalf of its members, the outcome of which is inevitably uncertain. Provision has been made for the estimated unbilled costs where the Union considers that they may not be totally recovered.

#### 19 STAFF PENSION SCHEMES

The Union currently operates three defined benefit pension schemes for its employees; Prospect, BECTU and Connect. The assets for all of the schmes are held in trustee administered funds separate from the Union's finances. This note sets out the pension cost information required for Prospect to meet its pension obligations as specified under FRS 102. The accounting date to which these disclosures relate is 31 December 2018.

The Prospect Pension Scheme (PPS) employs a building block approach in determining the long-term rate of return on pension plan assets. Historical markets are studied and assets with higher volatility are assumed to generate higher returns consistent with widely accepted capital market principles. The assumed long-term rate of return on each asset class is set out within this note. The overall expected rate of return on assets is then derived by aggregating the expected return for each asset class over the actual asset allocation for the Scheme at 31 December 2018.

The Connect Pension Scheme (CPS) assets are all invested in unit-linked policies. The expected return on assets is obtained by considering the expected return on risk free investments (primarily government bonds), the historic level of the risk premium associated with other asset classes and the expectations for future returns of each asset class. The expected return for each asset class was then weighted based on the underlying distribution of assets at 31 December 2018.

The last full actuarial valuation of the pension schemes was carried out using the projected unit method on 1 July 2017 for the Cónnect Scheme, which showed an actuarial deficit of £7.7M, at 31 December 2017 for the Prospect Scheme, which showed an actuarial deficit of £4.8M and 31 October 2016 for the BECTU Scheme with an actuarial deficit of £5.6M. The next full valuation is scheduled for 1 July 2020 for the Connect Scheme, 31 December 2020 for the Prospect Scheme and 31 October 2019 for the BECTU Scheme.

Included within current service costs are the following amounts relating to GMP equalisaton: PPS £96K, CPS £54K and BECTU £38K, totalling £233K (2017:£nil).

Regular employer contributions to the Prospect Scheme in 2019 are estimated to be £1.4M; £0.4M to Prospect, £0.5M to the Connect Scheme and £0.5M to the BECTU Scheme.

The union's contributions for the year were as follows:

| PPS           |               | CP.           | S             | BECT      | .n            |

There were no contributions outstanding at the year end.

#### 19 STAFF PENSION SCHEMES (continued)

The main financial assumptions used

| were:                                    | PPS  |      | CPS  | 5    | BECTU |      |  |
|--|------|------|------|------|-------|------|--|
| *  | 2018 | 2017 | 2018 | 2017 | 2018  | 2017 |  |
|  | %    | %    | %    | %    | %     | - %  |  |
| Rate of increase in pensionable salaries | 2.9  | 2.9  | 2.9  | 2.9  | 2.9   | 2.9  |  |
| Rate of increase in pensions in payments | 3.3  | 3.3  | 3.3  | 3.3  | 4.2   | 4.2  |  |
| Discount rate for scheme liabilities     | 2.9  | 2.5  | 2.9  | 2.5  | 2.9   | 2.5  |  |
| Rate of inflation                        | 3.4  | 3.4  | 3.4  | 3.4  | 3.4   | 3.4  |  |

#### Mortality assumption

The mortality assumptions are based on standard mortality tables which allow for future mortality improvements. The assumptions are that a member currently aged 65 will live on average for a further 22.2 years (PPS) and (CPS) and 22.1 years (BECTU) if they are male; and for a further 24.5 years (PPS), 24.3 years (CPS) and 24.1 if they are female.

#### Net Liabilities of the scheme

The net pension liabilities recognised in the Union's balance sheet as at 31 December 2018 is as follows:

|                              | PF       | S        |          | CPS |          | BECTU    |          | CTU Tota  |           | CPS BECTU Totals |  |

| Expiry date:                        |           |         |
|                                     |           |         |
| No later than 1 year                | 130       |         |
| Later than 1, no later than 5 years | 401       | 36      |
|                                     | 531       | 36      |
|                                     |           |         |

The lease receipts recognised as rental income during the year was £105,346 (2017: £151,000)

#### **Accounting policies**

(see notes 84 and 85)

#### **PROSPECT**

### ACCOUNTING POLICIES YEAR ENDED 31 DECEMBER 2018

The financial statements have been prepared in accordance with applicable accounting standards. The specif accounting policies adopted are set out below:

#### 1. 1 Accounting Convention

The financial statements have been prepared in accordance with FRS102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS102"). The accounts have been prepared under historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to the financial statements.

Trade Unions are governed by the Trade Union and Labour Relations (Consolidation Act) 1992 Amended. Under that Act the accounts of Trade Unions are required to give a true and fair view. Therefore, the accounts of Trade Unions are prepared under FRS102. However, as a Trade Union is not a company the Regulations that form the basis of disclosures under FRS102 have been adapted as considered necessary to ensure the accounts give a true and fair view to the members of the Trade Union.

The Union is a public benefit entity.

The financial statements have been prepared in sterling, which is the functional currency of the Union. The monetar amounts of these financial statements are rounded to the nearest thousand.

#### 1.2 Going concern

The National Executive Committee considers that there are no material uncertainties about the Union's ability to continue as a going concern.

#### 1.3 Subscriptions

Subscriptions are accounted for on an accruals basis.

#### 1.4 Rental income

Rental income is accounted for on an accruals basis and derived from properties classified within land and buildings.

#### 1.5 Expenditure

All expenditure in the accounts is inclusive of VAT where applicable.

#### 1.6 Tangible Fixed Assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost, net of depreciation and any impairment losses. At each reporting date, the Union reviews the carrying amounts of its tangible fixed assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

A small proportion of the land and buildings within tangible fixed assets are let to tenants. The Union generates income from letting agreements and hence a proportion of these properties are investment properties. However, due to the quantum of the amounts involved and the disproportionate cost and effort involved, the Union has taken the decision to not separately disclose the proportion of properties owned and let to tenants.

#### 1.7 Depreciation

Depreciation is provided on all tangible fixed assets, except freehold land, to write off the cost less estimated residual value in equal annual instalments over the estimated useful economic lives of the assets. The estimated useful economic lives are as follows:

Freehold buildings - 50 years
Furniture and fittings - 10 years
Office equipment - 4 years

Motor vehicles are depreciated to reduce the book value of the vehicles to their realisable value at the balance sheet date.

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the Income and Expenditure account.

#### 1.8 Pension Costs

The Union operates three defined benefit pension schemes, all of which require contributions to be made to separately administered funds. The cost of providing benefits under the defined benefit plans is determined separately for each plan using the projected unit credit method which attributes entitlement to benefits to the current period (to determine current service cost) and to the current and prior periods (to determine the present value of the defined benefit obligations) and is based on actuarial advice.

The net interest element is determined by multiplying the net defined benefit liability by the discount rate, at the start of the period taking into account any changes in the net defined benefit liability during the period as a result of contribution and benefit payments. The net interest is recognised in the income and expenditure accounts as pension movement.

Remeasurements, compromising actuarial gains and losses, the effect of the asset ceiling and the return on the net defined benefit liability (excluding amounts included in the net interest) are recognised immediately in other comprehensive income in the period in which they occur. Remeasurements are not reclassified to income and expenditure in subsequent periods.

The defined net benefit pension asset or liability in the balance sheet comprises the total for each plan of the present value of the defined benefit obligation (using a discount rate based on high quality corporate bonds), less the fair value of plan assets out of which the obligations are to be settled directly. Fair value is based on market price information and in the case of quoted securities is the published bid price. The value of a net pension benefit asset is limited to the amount that may be recovered either through reduced contributions or agreed refunds from the scheme.

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

#### 1.9 Corporation Tax

Corporation tax is payable on the excess of interest income, rental income and chargeable gains arising on the disposal of properties and investments over expenditure on the provident benefits and reinvested chargeable gains for the year.

Provident benefits comprise of payments as set out in the rules of the Union, which relate to death benefit and legal assistance, and a proportion of the costs of administrating the Union in relation to those benefits.

#### 1.10 Deferred Tax

Deferred tax liabilities are generally recognised for all timing differences and deferred tax assets are recognised to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable income.

Deferred tax is calculated at the tax rates that are expected to apply in the period where the liability is settled or the asset is realised. Deferred tax is charged or credited in the income and expenditure account.

The Union has adopted a reinvestment policy whereby all realised proceeds on the disposal of investments are reinvested into other chargeable assets, thereby eliminating any current tax liability and thereby the need for the recognition of a deferred tax liability. Where the proceeds are not fully invested no current tax liability is considered likely to arise due to expenditure on provident benefits exceeding any chargeable gains that might arise

#### 1.11 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held on call with banks, other short-term investments with original maturities of three months or less, and bank overdrafts.

#### 1.12 Financial instruments

Financial assets are recognised in the Union's balance sheet when the Union becomes party to the contractual provisions of the instrument.

Financial assets are classified into specified categories. The classification depends on the nature and purpose of the financial assets and is determined at the time of recognition.

#### 1.13 Basic financial assets

Basic financial assets, which include trade and other receivables and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest.

#### 1.14 Other financial assets

Other financial assets, including investments in equity instruments which are not subsidiaries, associates or joint ventures, are initially measured at fair value, which is normally the transaction price. Such assets are subsequently carried at fair value and the changes in fair value recognised in the income and expenditure account, except that investments in equity instruments that are not publically traded, and whose fair value cannot be measured reliably, are measured at cost less impairment.

#### 1.15 Impairment of financial assets

Financial assets, other than those held at fair value through income and expenditure account, are assessed for indicators of impairment at each reporting end date.

Financial assets are impaired where there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows have been affected. The impairment is recognised in the income and expenditure accounts.

#### 1.16 Basic financial liabilities

Basic financial liabilities, including trade and other payables, are initially recognised at transaction price unless the arrangement constitutes a financing transaction.

Trade payables are obligations to pay for goods or services that have been acquired in the ordinary course of the activity of the Union from suppliers. Accounts payable are classified as current liabilities if payment is due within one year or less. Trade payables are initially recognised at transaction price and derecognised when, and only when, the Union's obligations are discharged, cancelled or they expire.

#### 1.17 Branches

The transactions of the branches during the period are included in these accounts as are the net assets held directly by them at the balance sheet date.

#### 1.18 Fixed asset investments

Investments are a form of basic financial instrument and are initially recognised at their transaction value and subsequently measured at their fair value at the balance sheet date using the closing quoted market price (where applicable). The income and expenditure account includes the net gains and losses arising on the revaluation and disposals throughout the year. The Union does not acquire put options, derivatives or other complex financial instruments. The main form of financial risk faced by the Union is that of volatility in equity markets and investment markets due to wider economic conditions, the attitude of investors to investment risk, and changes in sentiment concerning equities and within particular sectors or sub sectors.

#### 1.19 Realised gains and losses

All gains and losses are recognised to the income and expenditure account as they arise. Realised gains and losses on investments are calculated as the difference between the sales proceeds and their opening carrying value or their purchase value if acquired subsequent to the first day of the financial year. Unrealised gains and losses are calculated as the difference between the fair value at the year end and their carrying value. Realised and unrealised investment gains and losses are separated between surplus on investments and change in market value in the income and expenditure account.

#### 1.20 Leases

Assets held under finance leases and hire purchase contracts are capitalised and depreciated over the period of the lease or the estimated useful economic lives of the assets whichever is shorter. The finance charges are allocated over the period of the lease in proportion to the capital outstanding and are charged to the income and expenditure account. Rentals payable under operating leases, including any lease incentives received, are charged to the income and expenditure account on a straight line basis over the term of the relevant lease.

#### Signatures to the annual return

(see notes 86 and 87)

including the accounts and balance sheet contained in the return. Please send the return with the original signatures. Copies will not be accepted.

#### Checklist for auditor's report

(see notes 90 to 96)

The checklist below is for guidance. A report is still required either set out overleaf or by way of an attached auditor's report that covers the 1992 Act requirements.

1. In the opinion of the auditors or auditor do the accounts they have audited and which are contained in this return give a true and fair view of the matters to which they relate?

(See section 36(1) and (2) of the 1992 Act and notes 92 and 93)

|    | Please explain in your report overleaf or attached.  |
|----|--|
|    |  |
|    |  |
|    |  |
|    |  |
| •  |  |
| 2. | Are the auditors or auditor of the opinion that the union has complied with section 28 of the 1992 Act and has:  |
|    | <ul> <li>kept proper accounting records with respect to its transactions and its assets and<br/>liabilities; and</li> </ul>  |
|    | <ul> <li>b. established and maintained a satisfactory system of control of its accounting records, its cash holding and all its receipts and remittances.</li> <li>(See section 36(4) of the 1992 Act set out in note 92)</li> </ul> |
|    | Please explain in your report overleaf or attached.  |
|    |  |
|    |  |
|    |  |
|    |  |
|    |  |
| 3. | Your auditors or auditor must include in their report the following wording:   |
|    | In our opinion the financial statements:   |
|    | • give a true and fair view of the matters to which they relate to.  |
|    | <ul> <li>have been prepared in accordance with the requirements of the section 28 to 36 of the Trade Union and Labour Relations (consolidation) Act 1992.</li> </ul>   |
|    |  |
|    |  |
|    |  |
|    |  |
|    |  |

N.B. When notes to the accounts are referred to in the auditor's report a copy of those notes must accompany this return.

### REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF PROSPECT (continued)

#### Matters on which we are required to report by exception

The Trade Union and Labour Relations (Consolidation) Act 1992 (Amended) requires us to report to you if, in our opinion:

- A satisfactory system of control over transactions has not been maintained; or
- · The Union has not kept proper accounting records; or
- The financial statements are not in agreement with the books of account; or
- We have not received all the information and explanations we need for our audit.

We have nothing to report in this regard.

#### Responsibilities of the National Executive Committee

As explained more fully in the Statement of Responsibilities of the National Executive Committee, the National Executive Committee is responsible for the preparation of financial statements and being satisfied that they give a true and fair view, and for such internal control as the National Executive Committee determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the National Executive Committee is responsible for assessing the Union's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the National Executive Committee either intends to liquidate the Union or to cease operations, or have no realistic alternative but to do so.

#### Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in according with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at http://www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

#### Use of our report to the members of Prospect

This report is made solely to the Union's members, as a body. Our audit work has been undertaken so that we might state to the Union's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Union and the Union's members as a body, for our audit work, for this report, or for the opinions we have formed.

HW FISHER & COMPANY Chartered Accountants Statutory Auditor

Dated: 15 April 2019

Acre House 11/15 William Road London NW1 3ER United Kingdom

#### Auditor's report (continued)

#### **PROSPECT**

### REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF PROSPECT

#### **Opinion**

We have audited the financial statements shown on pages 4-22 of Prospect ["The Union"] for the year ended 31 December 2018 which comprise the Income and Expenditure Account General Fund, the Income and Expenditure Account Political Fund, the Balance Sheet, the Combined Income and Expenditure Account, the Statement of Cash Flows and Notes to the Financial Statements, including a summary of the significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- Give a true and fair view of the state of the Union's affairs as at 31 December 2018 and of its income and expenditure for the year then ended; and
- Have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice.

#### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Union in accordance with the ethical requirements that are relevant to the audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISA's (UK) require us to report to you where:

- The National Executive Committee's use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- •The National Executive Committee has not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Union's ability to continue to adopt a going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

#### Other information

The National Executive Committee is responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditors report thereon. Our opinion of the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information we are required to report that fact.

We have nothing to report in this regard.

## Membership audit certificate made in accordance with section 24ZD of the Trade Union and Labour Relations (Consolidation) Act 1992

(See notes 97 to 103)

At the end of the reporting period preceding the one to which this audit relates was the total membership of the trade union greater than 10,000?

YES

If "YES" please complete SECTION ONE below or provide the equivalent information on a separate document to be submitted with the completed AR21.

If "NO" please complete SECTION TWO below or provide the equivalent information on a separate document to be submitted with the completed AR21

### Membership audit certificate Section one

For a trade union with more than 10,000 members, required by section 24ZB of the 1992 Act to appoint an independent assurer

In the opinion of the assurer appointed by the trade union was the union's system for compiling and maintaining its register of the names and addresses of its members satisfactory to secure, so far as is reasonably practicable, that the entries in its register were accurate and up-to-date throughout the reporting period?

YES

In the opinion of the assurer has he/she obtained the information and explanations necessary for the performance of his/her functions?

YES

If the answer to either questions 1 or 2 above is "NO" the assurer must:

- (a) set out below the assurer's reasons for stating that
- (b) provide a description of the information or explanation requested or required which has not been obtained
- state whether the assurer required that information or those explanations from the union's officers, or officers of any of its branches or sections under section 24ZE of the 1992 Act
- (d) send a copy of this certificate to the Certification Officer as soon as is reasonably practicable after it is provided to the union.

#### Membership audit certificate Section two

For a trade union with no **more than 10,000 members** at the end of the reporting period preceding the one to which this audit relates.

To the best of your knowledge and belief has the trade union during this reporting period complied with its duty to compile and maintain a register of the names and addresses of its members and secured, so far as is reasonably practicable, that the entries in the register are accurate and up-to-date?

YES

If "NO" Please explain below:
