 - b. the amendments required to the Second Direction to enable the transfer back from the Trust of certain statutory functions and services to facilitate the Authority entering into the Collaboration Agreement to enable the operation of the Regional Adoption Agency.
3. Pursuant to the First Direction, the Secretary of State remains satisfied that the Authority is still failing to perform to an adequate standard, some or all of the functions to which section 497A of the 1996 Act is applied by section 50 of the Children Act 2004 ("children's social care functions"), namely:
 - a. social services functions, as defined in the Local Authority Social Services Act 1970, so far as those functions relate to children;
 - b. the functions conferred on the Authority under sections 23C to 24D of the Children Act 1989 (so far as not falling within paragraph a. above); and
 - c. the functions conferred on the Authority under section 10, of the Children Act 2004.
4. The Secretary of State had previously appointed Malcolm Newsam as the Commissioner, in accordance with, and for the purposes of, the terms of reference set out in the Annex to the First Direction.
5. In issuing the Second Direction, the Secretary of State acknowledged that he carefully considered:
 - a. The 2018 Ofsted report, which found again that children's services are inadequate. The sub-judgements for children who need help and protection, children looked after and requiring permanence, and leadership, management and governance were also 'inadequate'.
 - b. The 2015 Ofsted report, which found that children's services are 'inadequate'. The sub-judgements for children who need help and protection, and leadership, management and governance were also 'inadequate'; and
 - c. The Commissioner's report, of 4 July 2016, which highlighted the continued failure to achieve progress, which identified that the Authority is unlikely on its own to deliver the improvement needed, and which recommended that services are removed from the Authority's control for a period of time.
6. Pursuant to the Second Direction, the Authority established the Trust as a company limited by guarantee (company no 10620524), known as the Sandwell Children's Trust, which is responsible for discharging the Authority's children's

social care functions on its behalf in accordance with the terms of the Services Agreement entered into by the Authority and the Trust on 28 March 2018.

7. The Secretary of State remains satisfied and considers it expedient that in accordance with his powers under section 497A(4) and (4B) of the Education Act 1996, to direct the Authority as set out below in order to ensure that all of the Authority's children's social care functions are performed to an adequate standard.
8. The Secretary of State remains of the view that the most appropriate means of securing that the Authority's relevant functions, as specified in the Schedules to this Third Direction, are performed to the required standard is by:
 - a. the Trust continuing to exercise the specified relevant functions on behalf of the Authority; and
 - b. the transfer of some of these specified relevant functions back to the Authority to be discharged by the Regional Adoption Agency in accordance with the terms of the Collaboration Agreement.

NOW THEREFORE:

9. Pursuant to his powers under section 497A(4) and (4B) of the 1996 Act, the Secretary of State directs that the Authority shall do the following:
 - a. secure that:
 - (i) the children's social care functions set out in Schedule 1 to this Third Direction are performed by the Trust on behalf of the Authority;
 - (ii) the children's social care functions which are set out in Schedule 2 to this Third Direction are performed by the Regional Adoption Agency;
 - (iii) the children's social care functions which are set out in Schedule 3 are performed by the Trust and the Authority; and
 - (iv) the children's social care functions which are set out in Schedule 4 are performed by both the Trust (on behalf of the Authority) and the Regional Adoption Agency.
 - b. amend the Services Agreement with effect from 1 April 2019 to implement the discharge of the children's social care functions by the Trust in accordance with the terms of this Third Direction and comply with its terms from the date of entering into it;
 - c. comply with any instructions of the Secretary of State, or his representatives, in relation to:

- (i) ensuring that the Authority’s children’s social care functions are performed to an adequate standard;
 - (ii) terms of the Service Agreement that require the Secretary of State’s consent;
 - (iii) the operation of this Third Direction;
- d. develop the Trust’s improvement plan that will deliver appropriate and sustainable improvement. The plan should cover the areas identified in the Ofsted report of January 2018 as well as recommendations made through Ofsted monitoring visits.
- e. To ensure there is clear evidence of progression:
- (i) the content of the improvement plan and a record of progress against it must be kept up to date on a monthly basis and submitted to the Department;
 - (ii) the Trust must ensure there is an improvement board with an independent chair in place to oversee implementation of the improvement plan and report to the improvement board on progress against the objectives in the plan, to a timetable agreed with the Department. It can commission updates from partners in order to do this;
 - (iii) reports to the improvement board should include data, analysis and recommendations supported by evidence of impact of improvements on the quality of practice and experience of children and families;
 - (iv) the Trust should highlight those objectives which are slow to progress and highlight where contributions need to be strengthened;
 - (v) the views of frontline staff and of children and young people will be taken into consideration in the development of practice and standards.

10. In this Third Direction, a reference to a function under a particular section, part or chapter of any primary legislation (“Act”) includes:

- a. subsequent amendments, modifications, enactments or re-enactments to or of the particular section, part or chapter of that Act;

- b. schedules brought into force by virtue of the particular section, part or chapter of that Act; and
 - c. regulations or orders made under the particular section, part or chapter of that Act.
11. If a particular section, part or chapter of any Act is repealed, to any extent, then the function in question shall cease to apply and neither the Regional Adoption Agency, the Trust nor the Authority shall be required to perform that function (to the extent of the repeal).
12. If a particular section, part or chapter of any Act listed in the Schedules to this Third Direction is to come into force, then the function in question shall not apply, and neither the Regional Adoption Agency, the Trust nor the Authority shall be required to perform that function, until such time as, and to the extent that, the relevant provision enters into force.
13. The headings to the statutory provisions set out in the Schedules to this Third Direction in parentheses are for illustrative purposes only and do not form part of this Third Direction.
14. In consequence of this revised direction, the Secretary of State for Education revokes the Second Direction issued to the Council.
15. This Third Direction will remain in force until it is revoked by the Secretary of State.

Signed on behalf of the Secretary of State for Education

A Senior Civil Servant in the Department for Education
