

# EMPLOYMENT TRIBUNALS

**Claimant:** Miss R Grzondziela

**Respondents:** 1. St Barnabas and St Paul's School  
2. Mrs Carla Martini

## JUDGMENT

The claimant's application dated 17 and 20 June 2019 for reconsideration of the judgment sent to the parties on 3 June 2019 is refused.

## REASONS

1. There is no reasonable prospect of the original decision being varied or revoked, because the claimant has not provided any grounds for challenging the conclusions of the Judgment of 3 June 2019.
2. Further, the claimant relies on her poor health but this was taken into consideration in that the claimant was allowed to provide written representations on a number of occasions and given ample time to compile her written representations.
