JUDGMENT

The claimant's application dated **18th July 2019** for reconsideration of the judgment sent to the parties on **12th July 2019** is refused.

REASONS

There is no reasonable prospect of the original decision being varied or revoked, because:

The tribunal has already made all necessary findings of fact on the available evidence.

Where those findings are that the Claimant's evidence is not in fact what happened that is recorded. In context, it is also the unanimous decision of the Tribunal that this means that he has told lies. Those decisions are set out in the reasons for the judgment.
