Dear [REDACTED]

M25 speed cameras

Thank you for your email to Highways England Customer Contact Centre on 24 June 2019. I have handled your request under the Freedom of Information Act 2000 for information about M25 speed cameras.

Please see below your questions and our answers:

Since Jan 2015 how much revenue has been generated by the M25 in relation to speed camera penalties?

We do not have this information as we (Highways England) are not an enforcement agency.

In total, how many allegations have been received by all public agencies regarding the M25 camera/signage system causing accidents?

The logging system we use does not hold the details you are asking for. I have, however, attached a copy of the logs regarding complaints about speed enforcement for the South East and East region which covers the M25.

If you are unhappy with the way we have handled your request you may ask for an internal review within 2 months of the date of this response for Freedom of Information requests and within 40 days for Environmental Information Regulations requests.

Our internal review process is available at:

<https://www.gov.uk/government/organisations/highways-england/about/complaints-procedure>

If you require a print copy, please phone the Information Line on 0300 123 5000; or e-mail info@highwaysengland.co.uk. You should contact me if you wish to complain.

If you are not content with the outcome of the internal review, you have the right to apply directly to the Information Commissioner for a decision. The Information Commissioner can be contacted at:

Information Commissioner's Office
Wycliffe House
Water Lane

If you have any queries about this letter, please contact me. Please remember to quote reference number FOI 100040 in any future communications.

Yours sincerely
