Date:
22 July 2019

Dear [REDACTED]

Thank you for your email to the Ministry of Defence (MOD) of 4 July 2019, which has been handled in accordance with the Freedom of Information (FOI) Act 2000. You asked:

Can you confirm the decommissioning date for the Air Traffic Control Radar at RAF Leeming is still February 2021?

On current plans, March 2022 has been set as the decommissioning date for the Air Traffic Control Radar at RAF Leeming. This is a change in the date that was provided on 28 November 2017 to your colleague Julie Aitken

If you are not satisfied or you wish to complain about any aspect of the handling of your request, then you should contact us in the first instance at the address above. If informal resolution is not possible and you are still dissatisfied then you may apply for an independent internal review by contacting the Information Rights Compliance team, Ground Floor, MOD Main Building, Whitehall, SW1A 2HB (e-mail CIO-FOI-IR@mod.uk). Please note that any request for an internal review must be made within 40 working days of the date on which the attempt to reach informal resolution has come to an end.

If you remain dissatisfied following an internal review, you may take your complaint to the Information Commissioner under the provisions of Section 50 of the Freedom of Information Act. Please note that the Information Commissioner will not normally investigate your case until the MOD internal review process has been completed. Further details of the role and powers of the Information Commissioner can be found on the Commissioner's website, <http://www.ico.org.uk>.

Yours sincerely

Defence Equipment & Support
