

EMPLOYMENT TRIBUNALS

Claimant Mr V Mihailescu

Respondent: Better Life UK Limited t/a Bluebird Care Ipswich

JUDGMENT

The claimant's application dated 23 January 2019 for reconsideration of the judgment sent to the parties on 21 December 2018 is refused.

REASONS

1. There is no reasonable prospect of the original decision being varied or revoked because the matters raised in it are matters which were raised during the hearing of the claims. The tribunal has already determined these matters. The tribunal has refused the reconsideration application of the 31 March 2018 in respect of the liability decision. In the current application the claimant is seeking to again question the decision made on liability.
2. If the claimant believes that decision to be incorrect then his right is to appeal to the Employment Appeal Tribunal.
3. The judge apologises for the delay in considering this application. It came with a request for written reasons for the cost's judgment. After they were provided it appears that this reconsideration application was not then referred back to the judge.
