Claimant: No representations
Respondent: Written Representations

JUDGMENT ON RECONSIDERATION

The Respondent's application for Reconsideration made on 29th July 2019 is granted and the Judgment sent to the parties on 2nd July 2019 is revoked.

REASONS

1. It is in the interests of justice to grant the Respondent's application on the basis that:
 - a. the Respondent did not receive the letter from the Tribunal enclosing the ET1 Claim Form and date for an ET3 Response to be filed and therefore have a good reason for not having presented a Response in time;
 - b. The Respondent appears to have an arguable defence to the claim and in the circumstances it would not be just to refuse the Respondent the opportunity to challenge the basis on which the claim is brought; and
 - c. The Claimant has made no objection to the Respondent's application despite that having been copied to her.

2. I have taken into account the representations from the Claimant before determining the Respondent's application.
3. The Default Judgment sent to the parties on 2nd July 2019 is therefore revoked and the Respondent has been granted an extension of time to enter their ET3 Response to 29th July 2019.
