# JUDGMENT

The judgment of the Tribunal is that the claimant's claim that the respondent breached her contract, by not giving her notice of termination of employment, was presented to the tribunal out of time in circumstances where it was reasonably practicable for her to have presented the claim in time. The tribunal does not have jurisdiction to hear the breach of contract claim. The breach of contract claim is dismissed; this does not affect the claimant's claim of entitlement to redundancy money brought within the same proceedings.

Employment Judge T.V. Ryan
