JUDGMENT

BY CONSENT

1. The rule 21 judgment of 18 February 2019 is set aside pursuant to rule 20(4).

REASONS

1. The claim form was not received by the Second, Third or Fourth Respondent when it was originally served. An extension of time was granted by EJ Hutchinson until 5 May 2019. Responses were ultimately lodged on 21 May 2019. However, the delay between 5 and 21 May 2019 was caused by a failure of the tribunal administration to properly serve the Second, Third and Fourth Respondents. A further extension of time to 21 May 2019 was therefore granted. In light of the foregoing, by consent it was agreed that the rule 21 judgment should be set aside.
