

EMPLOYMENT TRIBUNALS

Claimant: Miss K Paczkowska

Respondent: R-Com Consulting Limited

JUDGMENT

The claimant's application dated 15 August 2019 for reconsideration of the judgment sent to the parties on 1 August 2019 is refused.

REASONS

1. There is no reasonable prospect of the original decision being varied or revoked.
2. In her lengthy application for reconsideration the claimant seeks to re-argue the case that she put to the Tribunal. By doing so the claimant is effectively making substantially the same application that she made at the hearing, which the Tribunal refused for the reasons set out in the Judgment save in respect of the one matter that was found in favour of the claimant.
3. In such circumstances it is not considered to be in the interests of justice to reconsider the Tribunal's Judgment.
