

EMPLOYMENT TRIBUNALS

Claimant: Ms N Bailey

Respondent: Storefix Limited

JUDGMENT

Employment Tribunals Rules of Procedure 2013 – Rule 21

1. The claim of unfair dismissal is struck out.

Reasons

On 6 August 2019 the Tribunal wrote to the claimant informing her that, under section 108 of the Employment Rights Act 1996 claims are not entitled to bring a complaint of unfair dismissal unless they were employed for two years or more except in specific circumstances which do not seem to apply in this case. The claimant was advised that an Employment Judge was proposing to strike the claim out and that she had until 20 August 2019 give reasons in writing why her complaint of unfair dismissal should not be struck out. No reasons were provided by the claimant and the unfair dismissal is struck out.
