1. Do you consider that Acnecide Face Gel and Acnecide Face Wash should be available as General Sale List (GSL) medicines?

Yes

Please provide any comments or evidence to support your response:

At the moment I order Acnecide online as the price in a high street pharmacy can be quite high. If Acnecide was made available in more shops the price might go down.

2. Do you have any specific comments on the leaflets or the labels provided in the public reclassification report for Acnecide Face Gel and Acnecide Face Wash?

3. Do you have any other comments on the reclassification?

4. The MHRA may publish consultation responses. Do you want your response to remain confidential?

No

*If partially, please indicate which parts you wish to remain confidential. In line with the Freedom of Information Act 2000, if we receive a request for disclosure of the information, we will take full account of your explanation, but we cannot give an assurance that confidentiality can be maintained in all circumstances. Responses to consultation will not normally be released under FOI until the regulatory process is complete.

Responses can be continued onto a separate page if required. This form should be returned by email (reclassification@mhra.gov.uk) to arrive by **30 May 2019**. Contributions received after that date cannot be included in the exercise.
