London South Employment Tribunal by telephone**

RECONSIDERATION JUDGMENT

The rejection of the claim against Mr C Cavallari is reconsidered and set aside.

REASONS

1. On 16 May 2019 the claimant was notified by the Tribunal that her claims against Mr C Cavallari was rejected as she had not complied with rule 10(1)(c) of the Employment Tribunal Rules of Procedure 2013, namely her claim form did not contain the required early conciliation number. On 24 May 2019 the claimant informed the Tribunal that that error had been rectified and supplied details of an early conciliation number obtained from ACAS on the same date. She applied for a reconsideration of the rejection.
2. Having heard submissions from Counsel for the claimant, and pursuant to rule 13(1)(b) & (4), I consider that the original rejection was correct but the defect has been rectified and the claim against Mr Cavallari, the third respondent, shall be treated as presented on 24 May 2019.
