

EMPLOYMENT TRIBUNALS

Claimant: Mr. J. Torres

Respondent: Tulip Fresh Meats Limited

Heard at: Bristol

On: 3 September 2019

Before: Employment Judge MBE Harper

JUDGMENT

1. It was reasonably practicable for the claims of unfair dismissal and public interest dismissal and detriment to have been presented within time. The Tribunal does not have jurisdiction to hear them.
2. The claim of race discrimination was filed out of time and it is not just and equitable to extend the time for presentation so that the Tribunal does not have jurisdiction to hear it.
