Subject: Connectivity

To: <tenantconnectivity@culture.gov.uk>

I am the landlord of 9 flats at [REDACTED] Newquay.

Hi speed is available at [REDACTED] and [REDACTED] fore street.

In fact it is available for all of fore street.

I can see the BT box from my window full of hi speed fibre.

Open reach will not install it for me or my tenants.

I have tried High speed cornwall but they are not able to help me or my tenants.
