

EMPLOYMENT TRIBUNALS

Claimant: Mrs K Brown

Respondent: Channels and Choices Kent LLP

JUDGMENT

The claim is struck out.

REASONS

The claim as not been actively pursued.

The claimant has failed to attend two preliminary hearings, without explanation. The claimant was ordered to indicate the reason for her non-attendance at the hearing on 8/5/2019 and her apparent failure to actively pursue her claim.

Since the claim form was presented on 3/11/2018 the Tribunal has had no contact from the claimant, despite leaving telephone messages and sending emails.

The respondent's strike out application of 18/7/2019 was copied to the claimant and she still has not contacted the Tribunal with her explanation.
