Case Number: 3334976/2018

EMPLOYMENT TRIBUNALS

BETWEEN

Claimant and Respondent

Mr A Davies AMI Facility Management Limited

Held at: Watford On: 4 September 2019

Before: Employment Judge Smail

Appearances

Claimant: In Person

Respondent: Mr A Bansal (Solicitor)

JUDGMENT

- 1. The Claimant was procedurally unfairly dismissed by the Respondent in that it held a disciplinary hearing in the Claimant's absence when it knew he was abroad and so could not attend.
- 2. The Respondent must pay a basic award of £2,237.54 within 14 days.
- 3. No compensatory award is appropriate because there was a 100% chance the Claimant would have been dismissed at an appeal hearing in any event.
- 4. No additional holiday pay is due.
