## JUDGMENT

The Respondent having served no response to the claims, and the Tribunal having previously dismissed all claims except the Claimant's claim for unpaid wages, and the Tribunal having refused to postpone today's hearing at the request of the Claimant because no good reason was given to do so, it is the judgment of the Tribunal that:

1. The claim for unlawful deduction of wages succeeds and the Respondent is ordered to pay the Claimant the sum of £204.00.
2. The Claimant is responsible for the payment of such Tax and National Insurance that is due on such sum, if any.
