MADE AT NORTH SHIELDS
EMPLOYMENT JUDGE GARNON

ON 19 AUGUST 2019

JUDGMENT

The claim of unfair dismissal is struck out

REASONS

1. On 11 February 2019 I gave judgment in favour of the claimant on several claims on which she was likely to recover some or all of the sums awarded from the Secretary of State. Her unfair dismissal claim was stayed until 30 April. She agreed that claim would probably bring her no additional compensation which she stood any reasonable prospect of recovering. Despite being ordered to respond if she wished to pursue it , she has not replied and she has not withdrawn it.
2. A strike out warning was sent to her on 31 July giving her until 7 August to object . She has not replied.
