

# EMPLOYMENT TRIBUNALS

**Claimant:** Mr S Nicholson

**Respondent:** David Chopra

## JUDGMENT

The respondent's application dated **28 August 2019** for reconsideration of the judgment sent to the parties on **21 August 2019** is refused.

## REASONS

(1) The respondent has not made a valid application under Rule 20 for an extension of time to file a response.

(2) If his application is considered under Rule 70-72 I find it has no reasonable prospect of success because he has not provided any reply to point (c) of the Tribunal's letter of 7 September 2019. Therefore, I refuse his application for reconsideration.
