DECISION

Decision of the tribunal

- (1) The Respondent shall pay to the Applicants the sum of £300 within 28 days of the date of this decision.
- (2) An order is made under section 20C of the 1985 Act so that the Respondent may not pass any of its costs incurred in connection with the proceedings before the tribunal through the service charge.

The hearing on 3rd October 2019

- (3) Further to the hearing held on 3rd October 2019, the tribunal determined that the sum of £8,300.00 is payable by the Applicants in respect of the estimated service charges for the year 2019/2020.
- (4) Written submissions were invited from the parties as to why:
 - a. The Applicant should not be reimbursed in the sum of £300 within 28 days of the adjudication on the submissions.
 - b. That an order should not be made under section 20C of the 1985 Act so that the Respondent may not pass any of its costs incurred in connection with the proceedings before the tribunal through the service charge.

The Applicant's submissions

- (5) That the Landlord should not be entitled to pass the costs of the tribunal proceedings to the lessees because:
 - a. There had been no consultation with the lessees in relation to issuing a service charge demand for the period 2019/20;
 - b. Once the demand had been issued, the Landlord had failed to engage with the Lessees in any meaningful way in relation to the lessees' concerns; and
 - c. The lessees were successful at Tribunal in reducing the service charges.

The Respondent's submissions

- (6) By letter dated 14th November 2019, Ms Tedros confirmed that the Landlord has decided not to seek to pass any costs of the Tribunal proceedings to the lessees.

- (7) No submissions have been made in relation to the reimbursement of £300.

Reasons for the Decision

- (8) The Respondent was silent in submissions in relation to the reimbursement of fees to the Applicants and the Applicants were justified in making the application to the tribunal which resulted in a reduction in charges owed. The Respondent must therefore reimburse the Applicants with the sum of £300 within 28 days of the date of this decision.
- (9) The Respondent by their letter dated 14th November 2019 has conceded that they will not seek to pass the costs of the Tribunal proceedings to the lessees. This concession combined with the Applicants submissions persuaded the Tribunal that there should be an order is made under section 20C of the 1985 Act so that the Respondent may not pass any of its costs incurred in connection with the proceedings before the tribunal through the service charge.

Rights of appeal in relation to issues raised in this decision notice only

By rule 36(2) of the Tribunal Procedure (First-tier Tribunal) (Property Chamber) Rules 2013, the tribunal is required to notify the parties about any right of appeal they may have.

If a party wishes to appeal this decision to the Upper Tribunal (Lands Chamber), then a written application for permission must be made to the First-tier Tribunal at the regional office which has been dealing with the case.

The application for permission to appeal must arrive at the regional office within 28 days after the tribunal sends written reasons for the decision to the person making the application.

If the application is not made within the 28-day time limit, such application must include a request for an extension of time and the reason for not complying with the 28-day time limit; the tribunal will then look at such reason(s) and decide whether to allow the application for permission to appeal to proceed, despite not being within the time limit.

The application for permission to appeal must identify the decision of the tribunal to which it relates (i.e. give the date, the property and the case number), state the grounds of appeal and state the result the party making the application is seeking.

If the tribunal refuses to grant permission to appeal, a further application for permission may be made to the Upper Tribunal (Lands Chamber).
