

EMPLOYMENT TRIBUNALS

Claimant: Mrs T Penicela
Respondent: Hc One Limited

JUDGMENT

The claimant's application dated 29 October 2019 for reconsideration of the judgment sent to the parties on 18 October 2019 is refused.

REASONS

There is no reasonable prospect of the original decision being varied or revoked. In particular, the application essentially repeats the points argued by the claimant at the preliminary hearing. If and insofar as any new points are advanced, the claimant had ample opportunity to make them at the preliminary hearing (which lasted a full day) and it is inappropriate to consider them now. Further, I can see no error of law (or fact) identified, so can see no basis on which this application can succeed.
