Dear [REDACTED],

Thank you for your email of 25 August 2019 requesting the following information:

"I ([REDACTED]) recently purchased a Citroen relay van from copart used and Salvage car auction Whitburn on 19/08/2019 and didn't get a MOD 654 re-registration document the chassis number of the vehicle is VF7YC2 MFC12C36463 military registration number is GN66ODP please can you help me with this request for a replacement copy /form and would like you to treat this as a Freedom of Information Request"

I am treating your correspondence as a request for information under the Freedom of Information Act 2000.

A search for the information has now been completed within the Ministry of Defence, and I can confirm that no information in scope of your request is held.

Under Section 16 of the Act (Advice and Assistance) you may find it helpful to note the vehicle without paperwork was a civilian vehicle that was leased to the MOD. Whilst the MOD/Defence Equipment Sales Authority (DESA) can provide documents for former MOD-owned vehicles the Department is unable to provide documents for former lease hire vehicles. For background information there are two different categories of vehicles: 1. A former MOD-owned vehicle for which a MOD 654, issued by DESA, is required by the DVLA for licencing purposes and 2. A former MOD lease hire vehicle for which a MOD 654-B, issued by the lease hire company, is required for licencing purposes. I, therefore, recommend that you email the address listed below, where Babcock should be able to assist you with the necessary paperwork required (MOD 654-B) to register the vehicle with the DVLA:
