Dear [REDACTED],

Thank you for your email of 25 July 2019 requesting the following information:

"I have purchased a vehicle in an auction, which was released from MOD service, which was not supplied with the appropriate 654 paperwork, which is required by the DVLA to register the car.

Can you please help in providing a copy of the 654 paperwork.

***Make - Ford
Model - Focus Edge Estate
Chassis Number - WFOLXXGCBLET43273***

***Clarification received:
Yes the MOD registration was BU14 UZG"***

I am treating your correspondence as a request for information under the Freedom of Information Act 2000.

A search for the information has now been completed within the Ministry of Defence, and I can confirm that no information in scope of your request is held.

Under Section 16 of the Act (Advice and Assistance) you may find it helpful to note the vehicle without paperwork was a civilian vehicle that was leased to the MOD. Whilst the MOD/Defence Equipment Sales Authority (DESA) can provide documents for former MOD-owned vehicles the Department is unable to provide documents for former lease hire vehicles. For background information there are two different categories of vehicles: 1. A former MOD-owned vehicle for which a MOD 654, issued by DESA, is required by the DVLA for licencing purposes and 2. A former MOD lease hire vehicle for which a MOD 654-B, issued by the lease hire company, is required for licencing purposes. I, therefore, recommend that you email both of the addresses listed below, who should be able to assist you with the necessary paperwork required (MOD 654-B) to register the vehicle with the DVLA:
