

EMPLOYMENT TRIBUNALS

Claimant: Mr R Davda

Respondent: Institute and Faculty of Actuaries

JUDGMENT

The claimant's application dated 27 December 2019 for reconsideration of the judgment sent to the parties on 12 December 2019 is refused.

REASONS

There is no reasonable prospect of the original decision being varied or revoked. The claimant is repeating arguments he did or could have put forward at the hearing. As regards the 'new evidence', this could have been pursued and obtained prior to the hearing or, if thought appropriate, a witness order could have been sought from the tribunal. There needs to be some finality in litigation.
