Checklist for auditor's report

(see notes 40 to 44)

The checklist below is for guidance. A report is still required either set out overleaf or by way of an attached auditor's report that covers the 1992 Act requirements.

1. In the opinion of the auditors or auditor do the accounts they have audited and which are contained in this return give a true and fair view of the matters to which they relate? (See section 36(1) and (2) of the 1992 Act and notes 43 and 44)

Please explain in your report overleaf or attached.

YES - SITE AMBIT REPORT

- 2. Are the auditors or auditor of the opinion that the union has complied with section 28 of the 1992 Act and has:
 - a. kept proper accounting records with respect to its transactions and its assets and liabilities; and
 - b. established and maintained a satisfactory system of control of its accounting records, its cash holding and all its receipts and remittances.

(See section 36(4) of the 1992 Act set out in note 43)

Please explain in your report overleaf or attached.

YES - SEE ANDIT REPORT

3. Your auditors or auditor must include in their report the following wording:

In our opinion the financial statements:

- give a true and fair view of the matters to which they relate to.
- have been prepared in accordance with the requirements of the sections 28, 32 and 36 of the Trade Union and Labour Relations (consolidation) Act 1992.

Chemical Industries Association Limited Report of the Board (Continued) For the year ended 30 June 2019

Board member responsibilities

Company law requires Board members to prepare financial statements every financial year. Board members have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law Board members must not approve the financial statements unless they are satisfied that they give a true and fair view of the affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, Board members are required to:

- -select suitable accounting policies and then apply them consistently;
- ·make judgements and estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that
- the company will continue in business.

Board members are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions, disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and taking such steps as are reasonably open to them to safeguard prevention and detection of fraud and other irregularities.

Management

For the purposes of the Companies Act 2006, the Board constitutes the Association's directors. The day to day running of the Association is conducted by the Chief Executive supported by a management team of two.

Staff

On 30 June 2019 the number of staff employed by the Association, including the Chief Executive was:

	<u> 2019</u>	<u> 2018</u>
Senior Management	3	3
Executives	16	16
Administration	6	7
	25	26

The monthly average number of employees was 26 (2018: 28).

Employees were allocated to the Association and subsidiary activities as follows:

8	<u>2019</u>	<u> 2018</u>
CIA	22.5	23.5
CIABATA	1	1
REACHREADY	1.5	1.5
	25	26

The Association continually reviews its available staff skill sets compared with those required to maintain its core activities.

The Association is staffed throughout with talented and committed people. The Board wishes to record its appreciation to all members of staff for their contributions to the Association's work throughout the year.

Principal activities

The basic objectives and principal activities of the Association are as shown in its Memorandum and Articles of Association and are:

- the promotion of the interests of manufacturers, processors, sellers, providers of services and employers in the chemical and allied industries in the United Kingdom;
- ·the furthering of co-operation between companies engaged in those industries;
- the encouragement of efficiency in those industries.

The Association's mission is to represent UK chemical and allied industries to relevant stakeholders and to support our members in achieving economic, social and environmental sustainability.

Details of the Association's work during the year are set out in a separate report by the Chief Executive, which is circulated to members four times a year.

The Association's financial position during 2018-19 has been managed on a sound basis with a view to breakeven on core operations and reduce the deficit on the defined benefit pension scheme.

Chemical Industries Association Limited Report of the Board (Continued) For the year ended 30 June 2019

Disclosure of information to auditors

So far as the directors are aware, there is no relevant audit information of which the company's auditor is unaware. The directors have taken all the steps that they ought to have taken as directors to make themselves aware of any relevant audit information and to establish that the company's auditor is aware of that information.

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

T Crotty

Chairman

On behalf of the Board Kings Buildings, Smith Square, London SW1P 3JJ

19-Nov-19

Steve Elliott Director

Page 6

Chemical Industries Association Limited Independent Auditor's Report to the members of the Chemical Industries Association Limited

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the Directors' Report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- -adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- ·the financial statements are not in agreement with the accounting records and returns; or
- ·certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemption in preparing the Report of the Board and from preparing a Strategic Report.

Responsibilities of directors

As explained more fully in the Statement of Board Members' Responsibilities, Board members, who are also Directors for the purposes of the Companies Act 2006. are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs (UK) we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- ·Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purposes of expressing an opinion on the effectiveness of the group's internal control. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- ·Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- ·Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

These financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies' regime.

The financial statements on pages 10 to 21 were approved by the Audit Committee and ratified and authorised for issue by the Board on 19 November 2019.

S Elliott, Chief Executive

Company Registration No: 00860702 (England and Wales)

The notes on pages 13 to 21 form part of these financial statements

T Crotty, Chairman

Page 12

Accounting Policies (continued)

Employee benefits

The costs of short-term employee benefits are recognised as a liability and an expense.

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the company is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

Defined benefit pension plan

The Association operates a defined benefit pension for the benefits of its employees, the assets of which are separately held from those of the company in independently administered funds.

Pension scheme assets are measured at fair value in accordance with FRS 102 fair value hierarchy. Pension scheme liabilities are measured using the projected unit credit method and are discounted at the current rate of return on a high quality corporate bond of equivalent terms and currency to the liability. Annually the company engages independent actuaries to calculate the obligation.

The asset recognised in the balance sheet in respect of the defined benefit pension scheme is the present value of the defined benefit obligation at the end of the reporting date, less the fair value of the scheme assets at the reporting date.

The increase in the present value of liabilities of the Association's defined benefit pension scheme expected to arise from employee service in the period is charged to operating surplus. Past service costs are also charged to operating surplus. Actuarial gains and losses arising from experience adjustments and changes in actuarial assumptions are charged or credited to other comprehensive income. These amounts together with the return on scheme assets, less amounts included in net interest, are disclosed as 'Remeasurement of net defined benefit obligations'.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of the scheme assets. This cost is recognised in the profit or loss as 'Finance costs'.

Pension scheme deficits are recognised in full and presented within provisions.

Operating leases

Operating lease rentals are charged to the income and expenditure account on a straight line basis over the period of the lease.

Foreign exchange

Transactions in currencies other than pounds sterling are recorded at the rates of exchange prevailing at the dates of the transactions. At each reporting end date, monetary assets and liabilities that are denominated in foreign currencies are retranslated at the rates prevailing on the reporting end date. Gains and losses arising on translation are included in the income statement for the period.

2 Critical accounting judgements and estimation uncertainty

In the application of the company's accounting policies, the directors are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised, if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Change of UK tax rate

Deferred tax has been provided at 17% (2019: 19%) representing the enacted rate of corporation tax effective from April 2020. The effect of adopting this change of the UK tax rate is to increase the deferred tax credit in the statement of other comprehensive income by £50,000 in 2019.
