Dear [REDACTED]

FREEDOM OF INFORMATION ACT 2000: MINISTRY OF DEFENCE POLICE: VEHICLE INFORMATION.

I refer to your email dated 6 August 2019 which was acknowledged on the same date.

We are treating your email as a request for information in accordance with the Freedom of Information Act 2000 (FOIA 2000).

In your email, you requested the following information:

The fleet list of vehicles operated by Ministry of Defence Police, to include:

- **Vehicle make and model**
- **Year of production/model year**
- **Vehicle type/purpose (e.g. armed response unit, dogs unit, etc.)**
- **Whether the vehicle is owned or leased**
- **Year of purchase/lease agreement**

A search for information has now been completed by the Ministry of Defence Police and I can confirm that we do hold some information in scope of your request.

However, we need to advise you that some of the information is being withheld. We have completed a public interest test and concluded that the balance favours engaging the following exemptions, Section 31 Law Enforcement and Section 38 Health and Safety and withholding some information.

Section 31(1) Law Enforcement applies because although there is a presumption of release under FOI, providing details of vehicles such as covert vehicles would reveal information that would undermine law enforcement. The public expect the police service to use all available powers and tactics to prevent and detect crime.

Section 38 (1)(b) Health and Safety applies because although releasing this information would demonstrate a commitment to openness and transparency, providing details of specialist and covert vehicles could endanger the safety of officers. To reveal details of vehicles used covertly by police officers undermines the duty of care that the police service has for those officers.

However, we are able to release some information. See Annex A.

If you have any queries regarding the content of this letter, please contact this office in the first instance.

If you wish to complain about the handling of your request, or the content of this response, you can request an independent internal review by contacting the Information Rights Compliance team, Ground Floor, MOD Main Building, Whitehall, SW1A 2HB (e-mail CIO-FOI-IR@mod.gov.uk).

Please note that any request for an internal review should be made within 40 working days of the date of this response.

If you remain dissatisfied following an internal review, you may raise your complaint directly to the Information Commissioner under the provisions of Section 50 of the Freedom of Information Act. Please note that the Information Commissioner will not normally investigate your case until the MOD internal review process has been completed. The Information Commissioner can be contacted at: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF. Further details of the role and powers of the Information Commissioner can be found on the Commissioner's website at <https://ico.org.uk/>.

Yours sincerely

MDP Sec Data Protection and Freedom of Information Office
