We are a smart data company and we provide vehicle reports to our customers. These reports include general vehicle information, as well as information about vehicle history (accidents, thefts, leasing information). Our customers include private companies as well as several EU government organizations.

Ideally, we'd like to request the full set, including full history available.

I am treating your correspondence as a request for information under the Freedom of Information Act 2000 (FOIA).

A search for the information has now been completed within the Ministry of Defence (MOD), and I can confirm that some information in scope of your request is held under the Phoenix I and Phoenix II contract for lease/hire vehicles. This is attached. The data provided commences 2012 and we do not hold information prior to this date. This is because, before 2012 and the start of the Phoenix contract, vehicle lease/hire information was not recorded centrally by the MOD. Lease/hire contracts involved various different contracts covering many geographic regions and this information was administered independently at each of those regions.

Under Section 16 of the Act (Advice and Assistance), you may find it helpful to note that although the data set does not provide information under all the criteria headings which you asked for, it should contain sufficient information to enable you to source the additional information you require.

If you have any queries regarding the content of this letter, please contact this office in the first instance.

If you wish to complain about the handling of your request, or the content of this response, you can request an independent internal review by contacting the Information Rights Compliance team, Ground Floor, MOD Main Building, Whitehall, SW1A 2HB (e-mail CIO-FOI-IR@mod.gov.uk). Please note that any request for an internal review should be made within 40 working days of the date of this response. If you remain dissatisfied following an internal review, you may raise your complaint directly to the Information Commissioner under the provisions of Section 50 of the Freedom of Information Act. Please note that the Information Commissioner will not normally investigate your case until the MOD internal review process has been completed. The Information Commissioner can be contacted at: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF. Further details of the role and powers of the Information Commissioner can be found on the Commissioner's website at <https://ico.org.uk/>.

Yours sincerely,
