

# EMPLOYMENT TRIBUNALS

**Claimant:** Mr P Roberts  
**Respondent:** FCC Environment

## JUDGMENT

The claimant's application dated 26 December 2018 for reconsideration of the judgment sent to the parties on 14 December is refused.

## REASONS

There is no reasonable prospect of the original decision being varied or revoked, because: the original decision found that the final written warning relied upon in the claimants dismissal was not issued in bad faith nor manifestly inappropriately issued.
