2. Adult Education Budget: Payments to Grant-funded Providers

Information

From 1 August 2016, we will change the standard profile of Adult Education Budget (AEB) payments to grant-funded providers. The change follows the introduction of AEB block grants for 2016 to 2017 funding year.

We have based the new standard profile on the proportions of the AEB made up by adult skills, former community learning and discretionary learner support.

We will include the standard national profile in an updated version of the Adult Education Budget funding and performance-management rules, which we will publish shortly.
