Case No: 4111817/2019

Miss N Hastings

Claimant

The County Tyre Group

Respondents

JUDGMENT

The claim is struck out under rule 37 of the Rules contained in Schedule 1 of the Employment Tribunals (Constitution and Rules of Procedure) Regulations 2013 on the grounds that the claim has not been actively pursued in terms of rule 37(1)(d)

REASONS

- 1 The claimant was sent correspondence from the Employment Tribunal (Scotland) office on 26 November 2019 seeking further information on the basis of the claim by 3 December 2019. No reply was received.
- 2 The claimant was sent correspondence from the Employment Tribunal (Scotland) office on 5 December 2019 informing that Employment Judge Whitcombe was considering striking out the claim and seeking that the

claimant provide any reasons for disagreeing with that course of action by 12 December 2019.

- 3 On 6 January 2020 the claimant was sent correspondence from the office of the Employment Tribunal (Scotland), giving the claimant a further opportunity to give written reasons by 13 January 2020, or to request a hearing in order to consider why the claim should not be struck out.
- 4 The claimant has failed to respond and has not then given any acceptable reason why such a judgment should not be made, or to request a hearing. The Tribunal therefore strikes out the claim.
