Respondent: Menzies Distribution Ltd
Heard at: East London Hearing Centre

JUDGMENT

Decision on application for re-consideration of Default Judgment.

1. The Respondent has applied for the default judgement on liability to be re-considered. The judgment is dated 11 December 2019, sent to the parties on 23 December 2019 and the application for reconsideration was lodged on 2 January 2020.
2. By reason of administrative error this application was not referred to the Employment Judge until 20 January 2020.
3. Meanwhile the Claimant has consented, by letter dated 14 January 2020, to a revocation of the default judgment and a case management preliminary hearing has been listed on **22 May 2020** before a Judge sitting alone; any Employment Judge may conduct this Hearing. This preliminary hearing was originally listed for 22 January 2020 but a postponement has been granted.
4. In all the circumstances and for the avoidance of doubt, I therefore grant the application for reconsideration and hereby revoke the Default Judgment pursuant to Rule 70 Employment Tribunals (Rules of Procedure) Regulations 2013.
