 February 2020

Dear Anita,

I would like to convey my thanks to the Police Remuneration Review Body (PRRB) for its fifth report in respect of PSNI officers.

Approval has now been secured for the 2019-20 pay award to PSNI officers at federated and superintending ranks. The award will consist of a 2.5% consolidated increase to existing pay scales, the Northern Ireland Transitional Allowance and the Dog Handlers' Allowance. The award mirrors that made to officers in England and Wales and will be backdated to 1 September 2019.

Upon receipt of the requisite pay remits and approvals the award for officers at other ranks will be confirmed. However, I am content for this letter to be published on your website, together with your fifth report and recommendations.

I look forward to working with you in support of the forthcoming 2020-21 pay round.

Naomi
